DECISION

PATRICK HILLARD
P.O. BOX 388
KANAB, UT 84741-0388

This decision affects those claims shown in the block below.

SEE ENCLOSURE FOR CLAIM NAMES AND NUMBERS

MINING CLAIMS
DECLARED FORFEIT

The mining claims listed above have been declared forfeit as of September 1, 2013, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of $140 per 20 acres, or submit a waiver, on or before September 1 of each year. (In accordance with 43 CFR 1822.14, because September 1, 2013, fell on a Sunday and Monday was a holiday, the payment was due the next business day, September 3, 2013.) These requirements were established by 30 U.S.C. 28f-l, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeit.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

(1) The relative harm to the parties if the stay is granted or denied,

(2) The likelihood of the appellant's success on the merits,

(3) The likelihood of immediate and irreparable harm if the stay is not granted, and

(4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Rod Ebert, at 602-417-9397.

Decision Vacated

A decision dated October 15, 2010, declared the thirty eight mining claims listed above null and void ab initio because they were located on land that is not open to location. After reviewing the appeal of this decision, which was filed with the Bureau of Land Management (BLM) November 19, 2010, the BLM requested that the Interior Board of Land Appeals (IBLA) set aside this decision and remand it back to BLM for further consideration. In an Order dated December 13, 2010, IBLA did grant this request; therefore the decision of October 15, 2010, is vacated.

Upon review of the documentation in the appeal, BLM has reconsidered their conclusion that T35N, R4W, secs. 6, 7, 18, and 19, and T36N, R4W secs. 30 and 31, should be included in the withdrawal of the Grand Canyon National Game Preserve. We now agree that these lands are not part of the withdrawal and the Master Title Plats (MTP's) for these areas have been restored to their original status.

If additional information is required, please contact Amy Thrower at 602-417-9334. Please include your AMC serial number(s) on all correspondence.

ORDER

On December 10, 2010, counsel for the Bureau of Land Management (BLM), requested that the Board set aside the October 15, 2010, Arizona State Office decisions that are the subject of these two appeals in order to allow BLM to reconsider its decisions. We consider counsel's request to also be a request for remand, and we grant it.

Accordingly, pursuant to the authority delegated to the Board of Land Appeals by the Secretary of the Interior, 43 C.F.R. § 4.1, the decisions are set aside, and the cases are remanded to BLM for further action.

Bruce R. Harris
Deputy Chief Administrative Judge

From: Rick E Selbach/AZSO/AZ/BLM/DOI
Date: 09/28/2010 10:49AM
Subject: Active Mining Claims Within the Proposed Grand Canyon Watershed Protection Act Withdrawal

Angela asked me to run a current report for the number of active mining claims within the proposed Grand Canyon Watershed Protection Act withdrawal. Here is the breakdown by parcel:

House Rock Parcel - 10 active claims
Tusayan Parcel - 484 active claims
Kanab Plateau Parcel - 4,802 active claims

The House Rock Parcel is only BLM, the Tusayan Parcel is only Kaibab NF, and the Kanab Plateau Parcel has 112 claims that show as both BLM and Forest Service. Here is a breakdown by admin agency:

Kaibab NF - 596 active claims
BLM - 4,812 active claims

The total number of active claims is **5,296**

Here is a breakdown by county:

Coconino - 1,222 active claims **

12/09/2010 01:17:32 PM

Mohave - 4,128 active claims **

** There are 54 active claims where the section queried overlaps into both counties. The claims themselves may or may not fall in both counties. However, LR2000 only sets geopolitical information down to the section level. So if the section in which the mining claim is located falls with multiple counties, then the mining claims within the section will show multiple counties. As is the case with multiple admin agencies, the only way to rectify this is to examine each of the mining claims to determine if they do in fact fall within multiple counties and/or admin agencies. If not, the "extra" code (admin agency and/or county) can be removed from LR2000.

By the way, LR2000 still shows 49 active mining claims within 35N-4W (Sections 6, 7, 18, & 19) & 36N-4W (Sections 30 & 31). This is the area where during the process to update the MTPs and HIs for the proposed withdrawal, we discovered an error on two MTPs. The MTP for 35N-4W previously showed the Grand Canyon National Game Preserve boundary as excluding sections 6, 7, 18, & 19 and the MTP for 36N-4W previously showed the Grand Canyon National Game Preserve boundary as excluding sections 30 & 31. However, the 11/28/1906 Presidential Proclamation actually withdrew these sections as part of the Grand Canyon National Game Preserve. Although we do not have a map for the 11/28/1906 Presidential Proclamation, the map which accompanied the 6/23/1908 Presidential Proclamation which enlarged the Grand Canyon National Game Preserve indicated the boundary of the 11/28/1906 Presidential Proclamation as well as the additional lands. In other words, any mining claims located within these sections are actually located within the Grand Canyon National Game Preserve, which was closed to mining location as of 11/28/1906. The MTPs have been fixed to reflect the correct location of the withdrawal line for the Grand Canyon National Game Preserve.

Please let me know if you have any questions.

Rick

BLM AZ STATE OFFICE
2010 DEC 15 P 1 18
PHOENIX, ARIZONA

NOTICE OF APPEAL, PETITION FOR STAY, AND STATEMENT OF REASONS

Pursuant to 43 C.F.R. §§4.410, 4.411, North Exploration, LLC (North Exploration) and Quaterra Resources, Inc. (Quaterra) hereby file a consolidated notice of appeal of the Decision of the Arizona State Office (Certified Mail Return Receipt Number 7010 0780 0001 4667 3170) in AMC367675, GEM #1, Appellants' Exhibit (App. Ex.) 1, and Decision of the Arizona State Office, BLM October 15, 2010 (Certified Mail Return Receipt Number 7010 0780 0001 4667 3194) in re: AMC376338, AMC379563, AMC369969, AMC372514, AMC375604, AMC377880, AMC378256, AMC375112 (App. Ex. 2). North Exploration and

Quaterra request a stay of the decision based on the statement of reasons and statement of standing filed in support of this notice of appeal.

North Exploration received the October 15, 2010 Decision on October 20, 2010. App. Ex. 3, Confirmation of delivery, U.S. Postal Service. Pat Hilliard, acting on behalf of Quaterra Resources, received the Decision on October 22, 2010. App. Ex. 4. This notice of appeal is filed on or before November 19, 2010 and is therefore timely.[1] North Exploration and Quaterra Resources also reserve the right to file a supplemental statement of reasons within 30 days, 43 C.F.R. §4.412(a). A Freedom of Information Act (FOIA) request has been filed with BLM to secure the entire record.

North Exploration and Quaterra also request that the appeal be assigned to an administrative law judge to address the factual questions, including but not limited to (1) the facts underlying the recent change in the western boundary of the Grand Canyon Game Preserve; and (2) the location of the federal lands reserved as a forest reserve and the lands that remained in the public domain when the Grand Canyon Game Preserve was established. 43 C.F.R. §4.415.

I. ISSUES RAISED IN THE APPEAL

1. Did the State Office err in concluding that the public lands within T. 35N, R4W, §§6,7,18, and 19, and T.36N, R4W, §§30 and 31, were withdrawn from location under the 1872 Mining Laws, 30 U.S.C. §§22 *et seq.*, as amended, as part of the Presidential

---

[1] The 30th day from date of service is November 19, 2010 for North Exploration and November 22, 2010 for Quaterra Resources. 43 C.F.R. §4.22(e). BLM recently amended the appeal rules, 75 Fed. Reg. 64755 (2010) but the rules do not take effect until November 19, 2010. The changes do not appear to change the case law governing 'date of service.'

Proclamation creating the Grand Canyon Game Reserve in 1906, when any authority to create a Grand Canyon Game Reserve was limited by Congress to land previously reserved as part of the Grand Canyon Forest Reserve?

2. Did the State Office err as a matter of law in its assumption that authority to create the Grand Canyon Game Preserve would authorize the withdrawal of public domain lands, when the plain language of the authorizing statute limited the Grand Canyon Game Preserve to the lands previously reserved as the Grand Canyon Forest Reserve?

3. Did the State Office unlawfully move the western boundary of the Grand Canyon Game Preserve about one mile to the west from the original location of 112 degrees longitude, 45 minutes longitude to the western boundary of R4W, Mojave County Arizona or approximately one minute of West longitude to a location at 112 degrees, 46 minutes longitude, when historical records dating from 1893 depict the western boundary of the Forest Reserve to be 112 degrees, 45 minutes longitude?

4. Did the Arizona State Office err in applying the decision of *Pathfinder Mines Corp.* 70 IBLA 264, 90 I.D. 10, *reconsid. denied* (1983), *aff'd. Pathfinder Mines, Corp. v. Clark*, 620 F. Supp. 336 (D. Ariz. 1985), *aff'd.* 811 F.2d 1288 (9th Cir. 1987), when the previous case involved mining claims that were located within the boundaries of the Kaibab National Forest, which was originally called the Grand Canyon Forest Reserve and were located after the company was informed that the area was closed to mining?

II. STATEMENT OF STANDING, 43 C.F.R. §4.412(b)

Anyone who is aggrieved or adversely affected by a decision may file an administrative appeal. 43 C.F.R. §4.412. A locator's interest in mining claims is an interest

in property. *United States v. Shumway*, 199 F.3d 1093, 1100 (9th Cir. 1999); 43 C.F.R. §4.410; *Western Watersheds Project v. BLM*, 164 IBLA 300, 302 n.5 (2005). The loss of that property interest when it is declared null and void is legal injury and affords the company standing. *Cambrillic Natural Stone, Unique Minerals, Inc. (on reconsideration)*, 165 IBLA 140, 148 (2005) (decision affecting mining claims affords standing)

North Exploration LLC is the owner of record for the mining claims AMC367675, GEM #1, AMC364460 (JH 3464), AMC364462 (JH 3466), AMC364464 (JH 3468), AMC364334 (JH 3460), and AMC364335 (JH 3462). App. Ex. 13, Declaration of Eugene Spiering, ¶¶3-4, Schedule A. Quaterra Resources has leased the above claims and holds an option to purchase from North Exploration. *Id.* ¶3. The October 15, 2010 Arizona State Office Decision declares the above claims null and void to the extent that they are located on land within T35N, R4W, §§6,7, 18 and 19; and T36N, R4W, §§30 and 31. App. Ex. 1, Decision AMC367675 et al. (Oct. 15, 2010). The Decision concludes that the claims are located on public lands that were closed to entry and location when the lands were withdrawn for the Grand Canyon National Game Preserve. *Id.*

Quaterra Resources has a legally cognizable interest in the mining claims and the adverse effect of the decisions afford it standing. *Scott* Burnham, 100 IBLA 94, 120 (1987) (recognizing standing if appellant has a cognizable interest in the land). The Quaterra lease of the North Exploration claims is sufficient evidence of a legally cognizable interest. App. Ex. 13, ¶3. The Decision erases these rights and investment, thereby adversely affecting the interests of Quaterra.

Quaterra Resources holds all of the claims identified in App. Ex. 2, the second BLM Decision, including AMC376338, AMC379563, AMC369969, AMC372514, AMC375604, AMC377880, AMC378256, AMC375112. *Id.* Quaterra estimates that at least 38 mining claims are affected by BLM's decision to move the boundary of the Game Preserve. App. Ex. 13, ¶5, Schedule A. .Quaterra has invested significant funds in the acquisition and development of the claims in this area. *Id.,* ¶12.

The Arizona State Office Decisions declare these claims null and void, thereby destroying any and all legal interest in the claims held by North Exploration and Quaterra Resources. This is a recognized legal injury that gives North Exploration and Quaterra Resources standing to file this appeal.

III. STATEMENT OF FACTS

1. On October 15, 2010 the Arizona State Office issued two decisions declaring the mining claims held by North Exploration and Quaterra Resources, respectively, null and void on the sole ground that they are located within the boundaries of the Grand Canyon Game Preserve and that said lands were closed to mineral entry. App. Exs. 1, 2. The Decisions included enclosures consisting of copies of the 1906 proclamation creating the Grand Canyon Game Preserve and the 1908 proclamation enlarging it. App. Exs. 9,10, respectively.

2. The Decisions included copies of a plat map of T36N, R4W of the Gila and Salt River Meridian dated December 2, 1950. This map does not reflect any withdrawals or classification. The second plat book copy is of T35N, R4W of the Gila and Salt River

Meridian dated December 7, 1952. This plat book entry refers to a withdrawal and classification about ¼ mile along the Kanab Creek and three miles along the Colorado River.

3. The mining claims at issue are not near either the Colorado River or Kanab Creeks.

4. The Decisions also included a one page summary of the Interior Board of Land Appeals (IBLA) decision in *Pathfinder Mines Corp.* 70 IBLA 264, 90 I.D. 10, *reconsid. denied* (1983), *aff'd. Pathfinder Mines, Corp. v. Clark*, 620 F. Supp. 336 (D. Ariz. 1985), *aff'd.* 811 F.2d 1288 (9th Cir. 1987). This summary then selectively quotes from the IBLA decision cited above, 70 IBLA 264, 269, 272, and 281.

> A number of decisions, however, make it clear that a statute or order may close land to mineral entry without expressly mentioning the mining laws. If land was reserved from sale and set apart for public uses, that was sufficient to preclude location of claims under the mining laws. See 17 Op. Atty. Gen. 230 (1881). It has also been held that when a particular portion of a public domain is reserved or set aside for public use, it is severed from the public domain so that the laws which permit the acquisition of private rights in public land do not apply. *See Wilcox v. Jackson*, 13 U.S. 266, 13 Peters 498 (1839); *P & G Mining Co.*, 67 I.D. 217, 218 (1960).

Id. at 269.

> Under the reasoning of these cases, if land is set aside from the public domain, it is presumed that the land is no longer subject to laws permitting acquisition of title in the absence of an express provision to the contrary.

Id.

> Since the issue raised in this appeal cannot be resolved merely by looking at the language of the statute and proclamation itself, we must look for other evidence of congressional intent and we must construe the Act in a manner that gives effect to the objectives set forth in the Act and its legislative history; we should not construe the Act in a manner which would frustrate the achievement of those goals.

Id. at 272.

> In conclusion, we note that there are a number of statutes enacted in the early part of the century which, in setting aside public lands, have had the effect of segregating those lands from mineral entry without making express reference to minerals. We further note that statutes which authorize the setting aside of public land for the protection of game and wildlife have been construed as precluding mineral entry, and appellant has established no basis for construing the legislation authorizing the Grand Canyon Game Preserve or the proclamation creating it any differently. Accordingly, we find that BLM correctly determined appellant's claims to be null and void because the lands are closed to mineral location.

Id. at 281.

5. The October 15, 2010 Decision declares null and void the following claims held by North Exploration and leased by Quaterra Resources. AMC367675 GEM #1, AMC364456, AMC364334, AMC364460 (JH 3464), AMC364462 (JH 3466), AMC364464 (JH 3468), AMC364334 (JH 3460), and AMC364335 (JH 3462). App. Ex. 1.

6. The second October 15, 2010 Decision declares null and void all or parts of the following claims held by Quaterra Resources: AMC379623 -379625, AMC369969, 372520, 372522, 372524, 379610-379615 375637 -375639, 377915-377917 , 375640, 375641, 378293, 378294, 378302-378307, 378310-378315, 375112-375114 SS 8, 9, 10; OLY I; PB 7,9,II; OLY 9, 10,11; PB 17, 18,19; OSE 2,3,4; AC 9I, 93,95; OSE 5, 6; AI92, 94; AJ 93 - 98, 101 - 106; JH 1,2,3 AMC376338, AMC379563, AMC369969, AMC372514, AMC375604, AMC377880, AMC378256, AMC375112. App. Ex. 2.

7. The Grand Canyon Forest Reserve was first established on February 20, 1893 pursuant to the 1891 Creative Act, 26 Stat. 1103, ch 561, 16 U.S.C. §471 (repealed Oct. 25, 1976), Proclamation 349, Feb. 20, 1893, 26 Stat. 1103. App. Ex. 5. The description

in the proclamation describes the western boundary as being 112 degrees, 45 minutes longitude.[2]

8. The Grand Canyon National Forest was enlarged May 6, 1905, [Procl. No. 547, 30 Stat. 3009].[3] The enlargement expanded the Grand Canyon Forest Reserve to include public lands from the boundary of the Utah Territory south to the original Grand Canyon Forest Reserve.

9. A third proclamation dated August 8, 1906, added public lands south of the Colorado River to the Grand Canyon Forest Reserve, 59 Proclamation, 34 Stat. 3223. App. Ex. 8. The map attached to the proclamation shows that the western boundary of the Grand Canyon Forest Reserve as being at 112 degrees, 45 minutes longitude for that portion of the National Forest that was north of the Colorado River. *Id.* at p. 3.

---

[2] Beginning at the point of intersection of the parallel of thirty-six (36) degrees thirty (30) minutes north latitude with the meridian of one hundred and eleven (111) degrees forty-five (45) minutes of longitude west from Greenwich; thence westerly along said parallel of latitude to its ***intersection with the meridian of one hundred and twelve (112) degrees forty-five (45) minutes west longitude; thence southerly along said meridian of longitude to its intersection with the parallel of thirty-five (35) degrees forty-five (45) minutes north latitude***; thence easterly along said parallel of latitude to its intersection with the meridian of one hundred and eleven (111) degrees forty-five (45) minutes west longitude; thence northerly along said meridian of longitude to its intersection with the parallel of thirty-six (36) degrees thirty (30) minutes north latitude, the place of beginning.

App. Ex. 5, Procl. 349, 26 Stat. 1103 (emphasis added); *see also* George Watson James, *In and Around the Grand Canyon*, p. 253 (Little Brown & Co. 1900) [App. Ex. 6].

[3] The term 'forest reserve' was changed to national forest in the 1897 Forest Organic Administration Act, 16 U.S.C. §471, 473 (repealed Pub. L. 94-579).

10. On July 2, 1908, portions of the Grand Canyon Forest Reserve were combined with parts of the San Francisco Mountains, Black Mesa, Tonto National Forests to become the Coconino National Forest. Proclamation No. 818, 35 Stat. 2196. The portions of the Grand Canyon National Forest north of the Colorado River became the Kaibab National Forest with the exception of those lands removed from the forest reserve. *Id.*

11. On June 23, 1906, Congress enacted a law authorizing the President "to designate lands within the Grand Canyon Forest Reserve to be set aside for protection of game animals and be recognized as a breeding place." June 29, 1906, 59 Cong. ch. 3593, §1, 34 Stat. 607 [App. Ex. 7].

12. On November 28, 1906, President Roosevelt exercised his authority pursuant to the above-described statute by declaring "all those lands within the Grand Canyon Forest Reserve, lying north and west of the Colorado River, in the territory of Arizona" to be included in the newly proclaimed Grand Canyon Game Reserve. App. Ex. 9, Procl. No. 694, 34 Stat. 3263 (Nov. 28, 1906). No map or diagram accompanied the proclamation establishing the reserve.

13. The Grand Canyon Game Preserve was enlarged on June 23, 1908 to include additional public lands within the area of the Grand Canyon Game Preserve. App. Ex. 11, Procl. No. 814, 35 Stat. 2192. These lands included the forest reserve lands south of the Colorado River that were renamed the Coconino National Forest. ¶7, *supra.* The diagram attached depicts no change in the National Forest or Game Preserve boundaries north and west of the Colorado River. *Id.*

14. On June 3, 1909, the Grand Canyon Game Preserve was reduced to remove the forest reserve lands south of the Colorado River. App. Ex. 12, 61 Proclamation, 36 Stat. 2496-2497. The map attached to the proclamation identifies the Grand Canyon Game Preserve as being within the Kaibab and Coconino National Forests. *Id.* It also shows the western boundary of the Game Preserve as being along the 112 degrees, 45 minutes longitude. *Id.*

15. The Grand Canyon Game Preserve was again modified on October 6, 1931, 47 Stat. 2483, to remove all lands east of the Colorado River and north of the Little Colorado River. These lands are not within the disputed area.

16. On October 15, 2010 the Arizona State Office, BLM issued two decisions declaring a number of mining claims located on the public domain lands administered by BLM as null and void. App. Exs. 1, 2. As reason therefore, the Decisions state that BLM only recently determined that §§6,7, 18, and 19, T35N, R4W and §§30, 31 of T36N, R4W are actually within the boundaries of the Grand Canyon Game Reserve. *Id.* The Decision states that the BLM Plat Book has been corrected to reflect the withdrawal.

17. The Decisions add at least 3,840 acres to the Game Preserve.

18. At all times relevant to the location of the mining claims, the surface and subsurface resources have been administered by BLM. The claims held by North Exploration were located in November 2004 and early 2005 and have been maintained in accordance with Federal Land Policy and Management Act (FLPMA), Arizona State Law, and BLM rules since the date of location. App. Ex.13, Spiering Decl. Schedule A. The claims held by

Quaterra Resources were located in 2005 and have been maintained in accordance with FLPMA and the implementing rules. *Id.*

19. The "correction" effected in the two Decisions would move the western boundary of the Grand Canyon Game Preserve about one mile farther west to conform to the western boundary of R4W, T35N and T36N or to a location of approximately 112 degrees, 46 minutes longitude. App. Ex. 13, ¶8.

20. This boundary adjustment does not conform to the original proclamation documents, or the maps that were contemporaneous with the proclamations.

21. On July 16, 2009, the Interior Secretary segregated more than 633,547 acres of public land and 360,022 acres of National Forest land from operation of the public land laws, including entry pursuant to the 1872 Mining Law, as amended. 74 Fed. Reg. 33587 (2009). The proposed 20-year withdrawal recognizes that the public lands are subject to numerous mining claims, that some portion of the area has been mined and that there are ongoing mine operations. *Id.*

22. On August 26, 2009, the BLM published notice of intent to prepare an environmental impact statement regarding the proposed withdrawal and the public comment closed October 26, 2009. 74 Fed. Reg. 73452 (2009).

23. The claims held by North Exploration and Quaterra Resources are located in an area that has been known since the 1980s to have rich deposits of uranium. App. Ex. 13, ¶ 11. By changing the boundary of the Grand Canyon Game Preserve, BLM avoids a costly and likely unsuccessful effort to declare these mining claims invalid as of 2009.

24. At all times, the Grand Canyon Game Preserve was limited to those lands reserved as a forest reserve or as it is now called, a National Forest. *See* ¶11, *supra*.

25. North Exploration and Quaterra Resources will suffer irreparable harm if the two Decisions canceling the claims are allowed to take immediate effect. App. Ex. 13, ¶12. North Exploration located the claims in November of 2004 and early 2005. Over the last five years, North Exploration's lessee, Quaterra Resources, has conducted significant exploratory and development work. The loss of the claims will result in North Exploration losing its claims and lease income without hope of recovery. Quaterra Resources has invested significant funds in the acquisition and exploration of these claims. This work yielded data that would prove the claims valid. *Id.*

ARGUMENT

IV. A STAY OF THE DECISION SHOULD ISSUE

As provided by 43 C.F.R. §4.21 and Interior Board of Land Appeals (IBLA) decisions, a stay of decision is based on a showing of: (1) likelihood that immediate and irreparable harm will result if the stay is not granted; (2) Appellant can show likelihood of success on the merits; (3) the relative harm to the parties if the stay is granted tips in favor of the Appellant, and (4) the public interest favors granting the stay. *Id.*

A. Cancellation of the Mining Claims Is Irreparable Injury

As documented in the affidavits of Eugene Spiering, the Decisions would invalidate the Quaterra lease of the North Explorations claims and Quaterra claims. A later determination setting aside the Decision would not restore the interests lost in as much as

the lease with Quaterra would be canceled and the status of the claims would remain uncertain.

The Decisions declaring the claims as null and void cost the company a great deal of money. App. Ex. 13, ¶12. Quaterra Resources Vice President Spiering has worked in the Arizona Strip Area for many years and was personally familiar with the location of the Grand Canyon Game Preserve and knew that the western boundary was located at 112 degrees, 45 minutes longitude, not 112 degrees, 46 minutes longitude as determined in the Decisions. *Id.* ¶¶8, 10.

B. Likelihood of Success on the Merits

The following discussion supports the merits of this appeal as well as the likelihood of success on the merits as part of the petition for a stay of the Decisions.

1. *Grand Canyon Game Preserve Limited to Land Within the Grand Canyon Forest Reserve*

The law authorizing the establishment of the Grand Canyon Game Preserve was expressly limited to land within the Grand Canyon Forest Reserve. Pub. L. 339, 34 Stat. 607 ("The President is hereby authorized to designate such areas in the Grand Canyon Forest Reserve.") The proclamations creating, expanding and then reducing the Grand Canyon Game Reserve each cited this law as the sole authority for the action taken. *See* App. Exs. 8, 9, 10, Proclamation Nos. 641, 694, 814. This explicit and limited delegation of power from Congress to the President means that the proclamations creating the Game Preserve could only have applied to land reserved as the Grand Canyon Forest Reserve. *Hynes v. Grimes Packing Co.*, 337 U.S. 86, 102 (1942) (construing Congressional power

delegated to the President as not including the power to convey land based on precise language of the statute).

At the time that the proclamations were issued, there was no surveyed boundary or metes and bounds description of the Grand Canyon Forest Reserve. As documented in the proclamations creating and modifying the Grand Canyon Forest Reserve, the western boundary at T35N, T36N was laid out at 112 degrees, 45 minutes longitude. App. Ex. 5, Proclamation No. 349. This longitude differs by about one mile from where BLM now claims is the western boundary at T35N and T36N. App. Ex. 13, ¶¶8,10. *See also* App. Exs. 5,9, and 12, respectively, Proclamation Nos. 349, 547, and 61 Proclamation in June 3, 1909.

Four months before the Grand Canyon Game Preserve was created, the Grand Canyon Forest Reserve boundaries were revised. App. Ex. 9, Proclamation No. 641. The map attached to the proclamation also used the 112 degrees, 45 minutes longitude as the western boundary for T35N and T36N. App. Ex. 9, p. 2.

In 1909, President Taft removed the land south of the Colorado River from the Game Preserve. App. Ex. 12. The map, not a diagram, attached to this proclamation is entitled "Grand Canyon Game Preserve within the boundaries of the Kaibab and Coconino National Forests." The map clearly states that the Game Preserve was limited to the boundaries of the National Forest reservation and depicts the far western boundary as located on the 112 degrees 45 minutes longitude. *Id.* The map accompanying the 1909 proclamation is consistent with other contemporaneous maps of the Grand Canyon Forest Reserve, all of which depict the western boundary at T35N and T36N as being on the 112 degrees, 45 minutes longitude. App. Exs. 5, 9, 12.

The BLM Decisions rely on the diagram attached to the 1908 Proclamation, which added land south of the Colorado River to the Grand Canyon Game Reserve. The diagram depicts all boundaries as township and range, without being tied to either longitude or latitude. This is much less accurate and could not have revised the underlying boundary of the Grand Canyon Forest Reserve, which was at the 112 degree, 45 minutes longitude. Moreover, the lines depicting both the Kaibab National Forest and the Grand Canyon Game Preserve on the 1908 diagram show no change in the boundaries north of the Colorado River. *Id.*

The BLM Decisions entirely omit the 1906 Grand Canyon Forest Reserve map and the 1909 Proclamation, both of which used longitude and latitude.

2. Grand Canyon Game Preserve Could Not Lawfully Apply to Public Domain Lands

The North Exploration and Quaterra Resources' claims are located on public domain lands outside of the exterior boundaries of the Kaibab National Forest. The term public domain refers to land that has not been reserved for another public purpose. *Southern Utah Wilderness Alliance v. Norton*, 425 F.3d 735, 784 (10th Cir. 2005) (defining reserved lands in terms of land reserved from public domain lands for a specific use). Thus, even assuming *arguendo* that the 1908 proclamation diagram included all of R4W as being within the Grand Canyon Game Preserve, Congress declared the Grand Canyon Game Preserve to be limited to the lands reserved for the Kaibab National Forest. Because these lands were and are outside of the Kaibab National Forest, formerly the Grand Canyon Forest Reserve, boundaries, they cannot have been included in the Game Preserve withdrawal.

President Roosevelt asked Congress to pass a law that would give the President general power to establish game preserves during the time that Congress considered the Grand Canyon Game Preserve bill.

> In one of his messages the President asked that authority be given, as to all the forest reserves in the United States, for the Executive to designate areas thereof as havens of refuge for the small remaining portion of our game and birds. Thus far Congress has not enacted a general law on the subject.

S. Rep. No. 1586, To accompany S. 2732), *quoted in Pathfinder Mines Corp. v. Clark,* 620 F. Supp. 336, 343 (D. Ariz. 1985). Congress never conveyed general authority to the President to establish game reserves but instead passed the 1906 Grand Canyon Game Preserve Act, which limited any game preserve to the Grand Canyon Forest Reserve.

The limited nature of this power is further confirmed in the 1905 law authorizing the President to create a game preserve in the Wichita National Forest. 16 U.S.C. §687. The Wichita Game Preserve was also limited to the scope of the Wichita Forest Reserve.

The expansion of the game preserve to public lands exceeds the statutory authority granted by Congress to the President in 1906. Thus, the BLM Decision is clearly wrong when it assumes that the affected public lands could have been part of the Grand Canyon Game Preserve.

3. Previous IBLA Decision Inapplicable to Facts

The Decisions quote extensively from the January 1983 IBLA case in *Pathfinder Mines, Corp.*, 70 IBLA 264 (1983). This summary then selectively quotes from the IBLA decision cited above, 70 IBLA 264, 269, 272, and 281.

> A number of decisions, however, make it clear that a statute or order may close land to mineral entry without expressly mentioning the mining laws. If land was reserved from sale and set apart for public uses, that was sufficient

> to preclude location of claims under the mining laws. See 17 Op. Atty. Gen. 230 (1881). It has also been held that when a particular portion of a public domain is reserved or set aside for public use, it is severed from the public domain so that the laws which permit the acquisition of private rights in public land do not apply. *See Wilcox v. Jackson*, 13 U.S. 266, 13 Peters 498 (1839); *P & G Mining Co.*, 67 I.D. 217, 218 (1960).

Id. at 269.

> Under the reasoning of these cases, if land is set aside from the public domain, it is presumed that the land is no longer subject to laws permitting acquisition of title in the absence of an express provision to the contrary.

Id.

> Since the issue raised in this appeal cannot be resolved merely by looking at the language of the statute and proclamation itself, we must look for other evidence of congressional intent and we must construe the Act in a manner that gives effect to the objectives set forth in the Act and its legislative history; we should not construe the Act in a manner which would frustrate the achievement of those goals.

Id. at 272.

> In conclusion, we note that there are a number of statutes enacted in the early part of the century which, in setting aside public lands, have had the effect of segregating those lands from mineral entry without making express reference to minerals. We further note that statutes which authorize the setting aside of public land for the protection of game and wildlife have been construed as precluding mineral entry, and appellant has established no basis for construing the legislation authorizing the Grand Canyon Game Preserve or the proclamation creating it any differently. Accordingly, we find that BLM correctly determined appellant's claims to be null and void because the lands are closed to mineral location.

Id. at 281.

The facts in the *Pathfinder Mines* case are quite different from the facts in this appeal. The *Pathfinder Mines* claims were located in the Kaibab National Forest and within the original boundaries of the Grand Canyon Game Preserve. The IBLA did not hold that

the Game Preserve legislation authorized the withdrawal of lands from the public domain. Thus, BLM's reliance on this decision is fundamentally flawed.

4. *Boundary Relocation Unsupported*

Even assuming *arguendo*, that the Grand Canyon Game Preserve was not limited to the forest reserve, the maps that were contemporaneous with the establishment of the Grand Canyon Game Preserve show a very different boundary than what BLM now claims is the case. Although recent 1:24,000 and 1:100,000 scale USGS topographic maps have incorrectly positioned the western boundary of the Grand Canyon Game Preserve along the western boundary of Range 4W, Townships 35 and 36N, historically the western boundary of the Game Preserve was 112 degrees, 45 minutes longitude or approximately 1 mile to the east of the western boundary of Range 4 W. App. Ex. 13 ¶10. The USGS Hittson Tank quadrangle map 7.5 minute series topographic map shows an eastern margin at 112 degrees 45 minutes west and a northern margin at 36 degrees, 30 minutes north. These are the exact coordinates of the northwest corner of the Grand Canyon Forest Reserve as cited in the historical discussion of the Game Preserve. App. Ex. 6, James, G. W. *In and Around the Grand Canyon* p. 253. *See also* App. Ex. 8, 1906 Map of Grand Canyon Forest Reserve; App. Ex. 11, 1909 Map of Grand Canyon Game Preserve.

The above research is also consistent with the 1906 map of the proclamation redefining the boundaries Grand Canyon Forest Reserve. App. Ex. 8. This map depicts the western boundary of the Grand Canyon Forest Reserve at T35N and T36N as being 112 degrees, 45 minutes longitude. *Id.* Four months later, President Roosevelt established the Game Preserve as including all lands within the Grand Canyon Forest Reserve north of the

Colorado River. App. Ex. 9. Thus, the Grand Canyon Game Preserve western boundary was also established at 112 degrees, 45 minutes longitude.

Based on this clear historical record it would appear that the BLM Decision is really a 2010 boundary revision to justify setting side mining claims that are otherwise valid. Because BLM lacks any authority to expand the Game Preserve, this action is also *ultra vires*. On these grounds alone, the Decision should be reversed.

V. BALANCE OF HARMS AND PUBLIC INTEREST FAVOR A STAY

As explained above, the Decision threatens the valuable assets of two companies. The loss of these claims will be a significant and adverse event. It is even more adverse because BLM's decision appears to be an intentional effort to nullify mining claims and avoid having to recognize valid existing rights in light of the pending 20-year withdrawal.

BLM interests will suffer no harm if the Decision were stayed. As documented above, the public lands in question are subject to a segregation order and no new claims can be located. Due to the current uncertainty regarding the future of this area, there are no current mine operations. Thus, the public interest in resource protection will not be impaired by a stay of the Decisions.

The Decisions effect a withdrawal without complying with the mandatory procedures in FLPMA, 43 U.S.C. §1714(c). The withdrawal procedures adopted in FLPMA reflected the conclusions of the Public Land Law Review Commission and Congress that much of the public lands were closed to mining and/or mineral leasing due to a complex network of withdrawals and classification orders. H.R. Res. 1284 (H.R. Rep. No. 94-1250), 94th Cong. at 7584 (1976), reprinted in Senate Comm. on Energy and Natural Resources, Legislative

History of the Federal Land Policy and Management Act of 1976 (Public Law 94-579), Publ'n No. 95-99, at 670 (1978). ("Legislative History"). FLPMA limited withdrawals to a maximum time of 20 years, required public notice, coordination with state and local governments and also quantification of the minerals foregone and the economic impacts. 43 U.S.C. §1714(c). FLPMA also directed BLM to review and revoke the old withdrawals and classifications. 43 U.S.C. §1714(l). Moving the Grand Canyon Game Preserve boundary based on a new and novel interpretation of history contradicts the procedural withdrawal mandates established in FLPMA.

There is also a strong public interest in ensuring that agencies follow the law. The agency should not be allowed to set aside mining claims by moving the boundary line of the Grand Canyon Game Preserve, without ensuring that the mining claim holders have due process that is provided through the administrative hearing process. As described above, the Decision incorrectly applies the plain language of the applicable statute and limitations on the scope of the Game Preserve in an obvious effort to nullify the mining claims and avoid a series of difficult and likely unsuccessful claim contests. Indeed, just the opposite, the authority to create or expand the Grand Canyon Game Preserve is limited to the national forest boundary and BLM's efforts to add several thousand acres of public land to the Game Preserve are simply *ultra vires* and must be rejected.

VI. CONCLUSION

North Exploration and Quaterra Resources respectfully urge the Office of Hearing and Appeals to issue a stay of the Decisions and assign the case to an administrative law judge for a hearing on the factual issues. The harm from the two Decisions is significant to

both North Exploration and Quaterra Resources. Appellants have established sound grounds proving that the BLM Decisions are erroneous and that the BLM failed to consider relevant factors in deciding to declare these claims null and void. BLM ignored the fact that the underlying statute authorizing creation of the Grand Canyon Game Preserve was limited to land reserved as the Grand Canyon Forest Reserve and did not authorize the withdrawal of public domain lands. BLM further ignored relevant maps and proclamations depicting the western boundary of the Grand Canyon Forest Reserve at 112 degrees, 45 minutes longitude. Had BLM considered these facts and the law, it could not have declared these claims null and void.

November 18, 2010.

DECISION

Patrick Hillard 1189 Wintergate Circle Castlerock, CO 80104	:	AMC379623-379625, AMC369969, 372520, 372522, 372524, 379610-379615 375637-375639, 377915-377917, 375640, 375641, 378293, 378294, 378302-378307, 378310-378315, 375112-375114 SS 8, 9, 10; OLY 1; PB 7, 9, 11; OLY 9, 10,11; PB 17, 18,19; OSE 2, 3, 4; AC 91, 93, 95; OSE 5, 6; AI 92, 94; AJ 93 – 98, 101 – 106; JH 1, 2, 3

Mining Claims Declared Null and Void

In accordance with 43 CFR 3833.91, the thirty eight mining claims listed above are hereby declared null and void and are forfeited because they are located on land that is not open for mineral location.

The claims are located within T35N, R4W, secs. 6, 7, 18, and 19, and T36N, R4W secs. 30 and 31. The Presidential Proclamation dated November 28, 1906 withdrew this land as part of the Grand Canyon National Game Preserve. It was recently discovered that the Bureau of Land Management (BLM) Master Title Plats (MTP) did not show the land as being included in the withdrawal. This has been corrected and an updated MTP is enclosed for your convenience.

Please also be aware that three additional claims you own are partially located on these same lands withdrawn for the Grand Canyon National Game Preserve and are not open for mineral location. These claims are AMC376356 (SS 4), AMC379622 (SS 7), and AMC377913 (AC 87). You have

acquired no minerals rights on any portion of these claims that lie within the withdrawn area.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on land encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the BLM, if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, the BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs the BLM incurs in removing and disposing of the property.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

(1) The relative harm to the parties if the stay is granted or denied,

(2) The likelihood of the appellant's success on the merits,

(3) The likelihood of immediate and irreparable harm if the stay is not granted, and

(4) Whether the public interest favors granting the stay.

If additional information is required, please contact Amy Thrower at 602-417-9334. Please include your AMC serial number(s) on all correspondence.

DECISION

HILLARD PATRICK
1189 WINTERGATE CIR
CASTLE ROCK, CO 80104

This decision affects those claims shown in the block below:

SEE ATTACHMENT FOR LIST OF CLAIMS

MINING CLAIMS
DECLARED FORFEITED

The mining claims listed above have been declared forfeited for failure to file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of $140, or submit a waiver, on or before September 1 of each year. These requirements were established by Title 30 United States Code (U.S.C.) 28-f-k, as amended, and Title 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records do not show receipt of a maintenance fee payment, or waiver received on or before September 1, 2009, for the 2010 assessment year, for the claims listed above. Therefore, the claims are forfeited.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability.

If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

(1) The relative harm to the parties if the stay is granted or denied,
(2) The likelihood of the appellant's success on the merits,
(3) The likelihood of immediate and irreparable harm if the stay is not granted, and
(4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Tony Smith at 602-417-9355.

RE: 467 Various Claims – 2019 Maintenance Fees

Dear Sir or Madam,

Enclosed is check #1375 in amount of $72,385.00 (467 claims x $155/claim = $72,385) for claim year 2019.

This letter is evidence of the owner, Metamin Enterprises US Inc.'s, intention to hold such claims listed on the attached Exhibits A through the assessment year ending on September 1, 2019.

Please return receipts and date stamped copies to me at the above address. If you have any questions concerning this filing please call me at the numbers listed above.

Sincerely,

Gordon Peake, Agent for
Metamin Enterprises US Inc.

RE: 7 Shine and 23 MOO Claims – 2018 Maintenance Fees

Dear Sir or Madam,

Enclosed is check #3280 in amount of $4,650.00 (30 claims X $155/claim = $4,650) for claim year 2018.

This letter is evidence of the owner's, Tigris Uranium U.S. Corp's, intention to hold such claims listed on the attached Exhibits A through the assessment year ending on September 1, 2018.

Please return receipts and date stamped copies to me at the above address. If you have any questions concerning this filing please call me at the number listed above.

Sincerely,

Gordon Peake

Gordon Peake, Agent for
Tigris Uranium U.S. Corp.

RE: 467 Various Claims – 2018 Maintenance Fees

Dear Sir or Madam,

Enclosed is check #3281 in amount of $72,385.00 (467 claims X $155/claim = $72,385) for claim year 2018.

This letter is evidence of the owner, Metamin Enterprises US Inc's, intention to hold such claims listed on the attached Exhibits A through the assessment year ending on September 1, 2018.

Please return receipts and date stamped copies to me at the above address. If you have any questions concerning this filing please call me at the number listed above.

Sincerely,

Gordon Peake

Gordon Peake, Agent for
Metamin Enterprises US Inc.

August 17, 2016

Enclosed are two packets containing Maintenance Fee Payment forms and a check to cover the combined maintenance costs which are due by September 1, 2016.

The packets contain information for the following:

			Claims	Filing Cost
1	Owner:	Metamin Enterprises	449	$ 69,595
2	Owner:	Sage Associates	18	$ 2,790
		Total	467	$ 72,385

These documents are being filed on behalf of the owners listed above.

Please return the recorded documents and receipt to me at the above address.

Thank you,

Kathrin Brock

August 15, 2014

Enclosed are two packets containing Maintenance Fee Payment forms and a check to cover the combined maintenance costs which are due by Sept 1, 2014.

The packets contain information for the following:

			Claims	Filing Cost
1	Owner:	Metamin Enterprises	482	$ 74,710
2	Owner:	Sage Associates	18	$ 2,790
		Total	500	$ 77,500

These documents are being filed on behalf of the owners listed above.

Please return the recorded documents and receipt to me at the above address.

Thank you,

Kathrin Brock

Re: Claim Transfers

Dear Sir or Madam:

I enclose five (5) Quitclaim Deeds in which various Grantors convey unpatented mining claims situated in Arizona to Metamin Enterprises US Inc., a Nevada corporation. The Deeds are more particularly described as follows:

1. Quitclaim Deed from Patrick Hillard (DG claims) recorded in Coconino County, Arizona on May 16, 2014 as Document No. 3692059 (2 claims).

2. Quitclaim Deed from Patrick Hillard (AA et al. claims) recorded in Mohave County, Arizona on May 16, 2014 as Document No. 2014021805 (374 claims).

3. Quitclaim Deed from Quaterra Alaska, Inc. (BURN et al. claims) recorded in Mohave County, Arizona on May 16, 2014 as Document No. 2014021804 (43 claims).

4. Quitclaim Deed from North Exploration LLC (JH et al. claims) recorded in Mohave County, Arizona on May 16, 2014 as Document No. 2014021806 (61 claims).

5. Quitclaim Deed from North Exploration LLC (APT el al. claims) recorded in Coconino County, Arizona on May 16, 2014 as Document No. 3692058 (8 claims).

I enclose our Trust Check No. 5946 in the amount of $4,880.00 for your filing fees (488 claims at $10.00 per claim). Please return evidence of filing to this office.

Thank you for your attention.

Very truly yours,

Richard W. Harris

August 15, 2011

Enclosed are six packets containing Maintenance Fee Payment forms and a check to cover the combined maintenance costs which are due by Sept 1, 2011.

The packets contain information for the following:

			Claims	Filing Cost
1	Owner:	Patrick Hillard	812	113,680
2	Owner:	North Exploration LLC	69	9,660
3	Owner:	Quaterra Alaska (Burn claims)	47	6,580
4	Owner:	NuStar Exploration LLC	18	2,520
5	Owner:	Quaterra Alaska	54	7,560
6	Owner:	Quaterra Alaska	228	31,920
			1,228	$171,920

These documents are being filed on behalf of the owners listed above.

Please return the recorded documents and receipt to me at 2182 S. Dover Way, Lakewood, CO 80227.

Thank you,

Judy M Pratt
