MINING CLAIMS DECLARED ABANDONED

The Federal Land Policy and Management Act (FLPMA) of 1976, 43 U.S.C. 1744, and the implementing regulations in 43 CFR 3833.2, require an annual filing for all mining claims recorded with the Bureau of Land Management (BLM). FLPMA provides that failure to file evidence of annual assessment work or a notice of intention to hold by December 30 of each year shall be deemed conclusively to constitute an abandonment of the claim and it is void by operation of law. The constitutionality of Section 314 of FLPMA was upheld on April 1, 1985, by the United States Supreme Court in United States v. Locke et al., 471 U.S. 84, 129 (1985).

The BLM records do not show receipt of either an affidavit of annual assessment work performed or a notice of intention to hold for the claim(s) listed on the enclosed sheet(s) for the 1992 assessment year.

If you did timely file an affidavit or notice of intention to hold with the BLM during 1992, please furnish a copy which shows receipt by the BLM Arizona State Office, (dated and time stamped) during 1992.

Your proof must show the required document was timely filed with the BLM during 1992, otherwise it will not be accepted. The evidence must be received in this office no later than 30 days from receipt of this decision. If the proof is not furnished during this 30-day period, the claim(s) will be removed from our records as abandoned and void.

DECISION
MINING CLAIMS DECLARED ABANDONED

The Federal Land Policy and Management Act (FLPMA) of 1976, 43 U.S.C. 1744, and the implementing regulations in 43 CFR 3833.2, require an annual filing for all mining claims recorded with the Bureau of Land Management. The Act provides that failure to file evidence of annual assessment work or a notice of intention to hold by December 30 each year shall be deemed conclusively to constitute an abandonment of the claim and it is void by operation of law. The constitutionality of Section 314 of FLPMA was upheld on April 1, 1985 by the United States Supreme Court in U.S. et al. v. Lock et al., No. 83-1394.

The Bureau of Land Management records do not show receipt of either an affidavit of annual assessment work performed or a notice of intention to hold for the claim(s) listed on the attached sheet(s) for the 1985-1986 assessment year.

If you did timely file an affidavit or notice of intention to hold with the Bureau of Land Management during 1986, notify this office. Please furnish a copy of the affidavit showing the Bureau of Land Management date and time stamp or other evidence of receipt by our office.

Your proof must show the required document was timely filed with the Bureau of Land Management during 1986, otherwise, it will not be accepted. The evidence must be received in this office no later than 30 days from receipt of this decision. If the proof is not furnished during this 30 day period, the claim(s) will be removed from our records as abandoned and void.

Gentlemen:

Pursuant to our request, the captioned claims were recorded by the BLM in February, 1979, in the names of Magma Copper Company, Newmont Exploration Limited, and Exxon Corporation, which were inadvertently and erroneously stated to be the owners of said claims.

For the record, the captioned claims are ~~owned by D & G Mining Company, c/o H.E. Fletcher Co., West Chelmsford, Massachusetts 08162,~~ and they are held by Newmont Exploration Limited under an existing Lease and Option Agreement granted by D & G Mining Company, which is a limited partnership. Pursuant to the undersigned's conversation of July 9, 1979, with Mr. Robert Peterson of the BLM, we hereby request that the records relating to the above-captioned claims be appropriately amended so as to reflect ownership by D & G Mining Company. In this regard, we also request that you include as part of your A MC 33973 file, the following:

See Page 2

1. This transmittal letter;
2. The enclosed map on which has been outlined in red the boundaries of the four above-referenced claims; and
3. The enclosed copy of the official record of Affidavit of Performance of Annual Work, on page 3 of which we have inserted the BLM Serial Number of each of the above claims.

~~We further request that all correspondence relating to the captioned claims be directed to our attention at the address appearing above on our letterhead with copies of such correspondence directed to the owner, D & G Mining Company, at the address set forth in the immediately preceding paragraph.~~

Thank you for your assistance.

Extension of Time Allowed in Which
to File Change of Name Information

On August 26, 1998, two quitclaim deeds were filed in this office. The first deed transferred an undivided fifty percent interest in 84 mining claims from BHP Copper, Inc. to AMT (USA) Inc. The second deed transferred BHP Copper Inc's remaining fifty percent interest to AMT (USA) Inc.

Because the mining claims were in the name of Magma Copper, Inc., not BHP Copper, Inc., a Decision was issued December 15, 1998, allowing a period of thirty days in which to submit documentation showing the name change from Magma Copper, Inc. to BHP Copper, Inc.

On January 14, 1998, a request to have the transfer held in abeyance was filed. This request is granted and the transfer documents will be held pending completion of the name change from Magma Copper, Inc. to BHP Copper, Inc.

If additional information is required, please contact Mary Hyde at (602) 417-9518.

STATE OFFICE
PHOENIX, ARIZONA

Dear Ms. Yoas and Ms. Hyde:

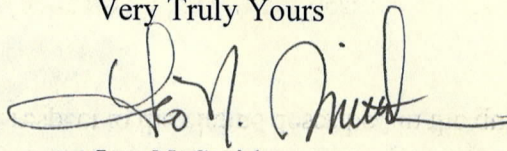

As discussed in my telephone conversations yesterday with the two of you, this shall serve as a formal written request that the December 15, 1998 Decision concerning unpatented mining claims transferred from BHP Copper, Inc. to AMT (USA) Inc. be held in abeyance so that BHP Copper, Inc. (formerly Magma Copper, Inc.) can complete the name change requirements from Magma Copper, Inc. to BHP Copper, Inc. with respect to the claims described in the quitclaim deeds filed with your office on August 26, 1998.

I am advised that the Bureau of Land Management has, in its files, the requisite documents evidencing the name change and that BHP Copper, Inc. need file only the filing fee totaling \$420.00 for the 84 unpatented claims described in the quitclaim deeds and that BHP Copper, Inc. is in the process of furnishing the BLM with name change documentation and fee requirements with respect to other unpatented claims that it holds in Arizona.

By copy of this letter to Ms. Patricia D. Peraza at BHP Copper, Inc. I am enclosing a copy of your December 15, 1998 Decision together with a copy of a list of the claims involved so that BHP Copper, Inc. can complete the name change requirements with respect to the claims previously quitclaimed to AMT (USA) Inc.

Thank you for your consideration in this matter.

Very Truly Yours

Leo N. Smith

Additional Information Requested
Transfer Held for Rejection

On August 26, 1998, two quitclaim deeds were filed in this office. The first deed transferred an undivided fifty percent interest in the claims listed on the attached sheet from BHP Copper, Inc. to AMT (USA) Inc. The second deed transferred BHP Copper Inc's remaining fifty percent interest to AMT (USA) Inc.

According to the Bureau of Land Management records, the claimant of record is Magma Copper, Inc. Because the claims are not in the name of BHP Copper, Inc., the transfer of interests cannot be processed.

If a transfer of interest from Magma Copper, Inc. to BHP Copper, Inc. has taken place, that deed, with appropriate fees, must be submitted prior to approval of the transfer to AMT (USA) Inc..

A period of thirty days is allowed in which to submit the additional documentation, or the transfers will be rejected.

If additional information is required, please contact Mary Hyde at (602) 417-9518.

Re: Clarification of ownership; Moose Nos. 2,4,6,8
AMC Nos. 33973 -33976

Please note that the cover letter for the recent maintenance fee payment for the above referenced lode mining claims states that the claims are owned by AMT (USA), Inc. This is incorrect. The owner of record of said claim group is D & G Mining Company of Tucson Arizona and said claim group is currently held under a lease with option to purchase agreement between D & G Mining Company as Lessor and AMT (USA) Inc as Lessee.

Please attach this letter to the BLM file of said claim group.

Sincerely yours,

Harold J. Downey, General Partner
