Amy,

I just received BLM letter advising that Phelps Dodge would be getting a \$400 refund for overpayment of annual claim fees on 4 claims – AMC nos. 46391, 47907, 47908 and 47924 – because these claims were listed in mineral patent application AZA 27280.

Please note that NO REFUND IS DUE – because the aforelisted claims were withdrawn from subject patent proceeding in late 2001.

To clarify – BLM's recent refund letter and its earlier decision letter dated Dec 21, 2001 are being faxed herewith.

Don't hesitate to call me at the above number if any questions.

Thanks.

DECISION
MINING CLAIMS DECLARED ABANDONED

The Federal Land Policy and Management Act (FLPMA) of 1976, 43 U.S.C. 1744, and the implementing regulations in 43 CFR 3833.2, require an annual filing for all mining claims recorded with the Bureau of Land Management. The Act provides that failure to file evidence of annual assessment work or a notice of intention to hold by December 30 each year shall be deemed conclusively to constitute an abandonment of the claim and it is void by operation of law. The constitutionality of Section 314 of FLPMA was upheld on April 1, 1985 by the United States Supreme Court in U.S. et al. v. Lock et al., No. 83-1394.

The Bureau of Land Management records do not show receipt of either an affidavit of annual assessment work performed or a notice of intention to hold for the claim(s) listed on the attached sheet(s) for the 1985-1986 assessment year.

If you did timely file an affidavit or notice of intention to hold with the Bureau of Land Management during 1986, notify this office. Please furnish a copy of the affidavit showing the Bureau of Land Management date and time stamp or other evidence of receipt by our office.

Your proof must show the required document was timely filed with the Bureau of Land Management during 1986, otherwise, it will not be accepted. The evidence must be received in this office no later than 30 days from receipt of this decision. If the proof is not furnished during this 30 day period, the claim(s) will be removed from our records as abandoned and void.

AFFIDAVIT OF CORPORATE SECRETARY

I, Douglas N. Currault II, hereby certify that:

1. I am the duly elected and acting corporate Secretary of Freeport-McMoRan Corporation, a New York corporation (the "Corporation"), and that, as such, I am authorized to execute this Affidavit on behalf of the Corporation. This Affidavit has been prepared for the purpose of inducing the Bureau of Land Management to convey certain mining claims held in the name of Phelps Dodge Mining Company to the Corporation.

2. On September 21, 1988, the Board of Directors of the Corporation established an operating division known as "Phelps Dodge Mining Company." Phelps Dodge Mining Company was never a separate legal entity and it used the Corporation's federal tax ID number (13-1808503) throughout its existence.

3. On March 19, 2007, the Corporation was acquired by Freeport-McMoRan Copper & Gold Inc.

4. On April 15, 2008, Phelps Dodge Corporation changed its name to Freeport-McMoRan Corporation. Attached hereto as Exhibit A is a true and correct copy of the Certificate of Amendment of Certificate of Incorporation filed with the New York Dept. of State on April 15, 2008, which certificate effected the name change of Phelps Dodge Corporation to Freeport-McMoRan Corporation.

5. On April 15, 2008, immediately following the corporate name change set forth in item 4, above, Phelps Dodge Mining Company ceased to exist as a separate operating division of the Corporation. Its business continues to be carried out by the Corporation.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Corporation this 2nd day of September, 2010, at Phoenix, Arizona.

Grantors: Trustees:

William Sorsen
Loraine Sorsen
(Hereinafter referred to as *Grantor*)

William Sorsen
Loraine Sorsen
(Hereinafter referred to as *Trustee*)

The following provisions are found in that certain Trust Agreement named and described above, by and between the above-designated Grantors and Trustee, and may be relied upon as a full statement of the matters covered by such provisions by anyone dealing with Trustee or any successor Trustee. However, in the unlikely event there is a clerical error causing a discrepancy between the original Trust and this Certificate of Trustee's Power and Authority and Abstract of Trust, the original Trust Agreement will control the interpretation and administration of the Trust.

■ ■ ■

1.1 Trust Property. Concurrently with the execution of this Trust, Grantor has conveyed and delivered to Trustee the property described in a Schedule of Trust Assets, and Trustee hereby acknowledges receipt of that property and agrees to hold and dispose of that property and all additions thereto and income therefrom **IN TRUST** upon the terms and conditions hereinafter set forth. Additional property from time to time may be transferred to Trustee with Trustee's consent by Grantor or by any other person, estate or trust. Any such additional property shall become a part of the Trust estate and shall be held, managed, invested and disposed of on the same terms and conditions as hereinafter provided.

1.2 Names and Addresses of Beneficiaries. We hereby disclose the names and addresses of the beneficiaries of this trust, as follows:

1.3 Designation of Successor Trustees. If the Trustee dies or otherwise ceases to function as Trustee, the following shall serve as Successor Trustee in the following order:

Susan K. Koepf

Poway, California 92606

Sharon L. Riberdy
770 Sunset Drive
Globe, Arizona 85501

1.4 Acts of Trustees. During the lifetime of both Grantors, if there are two Trustees, then the act of either of the Trustees shall constitute the act of the Trust. On the death or incapacity of one or both Grantors, if there are two Trustees, both must consent and act to bind the Trust. If there are three or more Trustees, then the act of a majority of the Trustees shall constitute the act of the Trust. Unanimous approval of Trustees shall be necessary only when expressly provided for elsewhere in this Trust.

y

Other provisions of this Trust notwithstanding, both Grantors expressly permit either Grantor to sign all documents transferring or otherwise dealing with separate property of that Grantor which has been transferred to the Trust. For the convenience of any person dealing with the Trust, Grantors or others transferring property into the Trust may designate the Trust as owner, with the words following as *the sole and separate property of* ___ (designating the name of the Grantor).

1.10 Place of Constructive Notice of Trust. The parties to this Trust designate the County Recorder of Gila County, Arizona, as the location where title companies and others may check to ascertain if this Trust has been modified in any material respect. A signed Abstract of certain terms of this Trust shall be filed or recorded with that public office as notice of the existence of this Trust, its Grantor, Trustee, beneficiaries, Trustee powers and other relevant provisions. All parties dealing with this Trust may rely on the Abstract, Amended Abstract and other documents filed or recorded with that public office in ascertaining the status of this Trust and may assume, if there are no recordings to the contrary, that no material modifications have been made to the Trust since the last recording.

3.1 Power in Grantors During Lifetimes of Both Grantors. Grantors reserve the right at any time or times to amend or revoke this Trust Agreement and the Trusts hereunder, in whole or in part, by an instrument in writing, signed by both Grantors or surviving spouse and delivered in Grantors' lifetimes to Trustee; provided, however, that if there are Husband and Wife Grantors, no such alteration, amendment or revocation shall affect the character of any property held by the Trust, and the interest of the Husband and Wife in the various Trust assets, whether community, separate or otherwise, shall retain its character as such. Nothing herein shall be construed as a transfer of separate properties from Husband to Wife or from Wife to Husband, and in the event of any revocation or amendment, all property shall be reconveyed to the respective owners. If this Trust Agreement is revoked in its entirety, the revocation shall take effect upon the delivery of the required writing to Trustee. On the revocation of this Trust Agreement in its entirety, Trustee shall deliver to Grantors, or as Grantors may direct in the instrument of revocation, all the Trust estate.

4.2 Trustee Powers. In the investment, administration and distribution of the Trust estate and the several shares thereof, the Trustee (subject only to the duty to apply the proceeds and avails of the Trust estate to the purposes herein specified) may perform every act in the management of the Trust property which individuals may perform in the management of like property owned by them free of trust. Trustee may exercise every power with respect to each item of property in the Trust estate, real or personal, which individual owners of like property may exercise, including, by way of illustration but not by way of limitation, the following powers:

4.1.a To Acquire Stock Rights. To acquire stock and securities of Trustee by the exercise of rights issued in connection with the stock of Trustee comprising a portion of the Trust estate; to vote in person or by general or limited proxy with respect to any shares of stock or securities held by Trustee; to consent, directly or through a committee or other agent to the reorganization, consolidation, merger, dissolution or liquidation of any corporation in which the Trust estate may have any interest; to consent to the sale, lease, pledge or mortgage of any property by or to any such corporation; and to make any payments and take any steps which Trustee deems necessary or proper to enable Trustee to obtain the benefit of such transaction.

4.1.b To Add Net Income to Principal. To add to principal that portion of the net income of this Trust in excess of net income distributed to beneficiaries and reinvest such amounts at the end of the taxable year of this Trust.

4.1.c To Appoint Ancillary Trustee. To appoint an individual or another corporation as Trustee if the Trustee is unable to act with respect to real and tangible personal property not located in the state of the Trust's situs. The appointed Trustee (1) shall have all the powers of the appointing Trustee, to be exercised, however, only with the approval of the appointing Trustee, (2) shall not, unless required by law, make periodic judicial accountings, but shall furnish the appointing Trustee with semi-annual statements, and (3) may delegate any or all Trust powers. The appointing Trustee is to require any Trustee so appointed to remit to the appointing Trustee the income and net proceeds of any sale of any property. The appointing Trustee may remove any Trustee appointed pursuant to this paragraph at any time and to appoint another, including the appointing Trustee.

4.1.d To Apportion Principal and Income. To determine what is principal and what is income and to allocate receipts and expenses between them as Trustee shall in good faith determine to be in accordance with the Uniform Principal and Income Act of Arizona or such other laws as shall from time to time exist; provided, however, that notwithstanding any such laws, all dividends payable in shares of a corporation other than the declaring corporation and all capital gains distributions of any Trust investment shall be apportioned to the principal.

4.1.e To Borrow. To borrow money for any purpose connected with the protection, preservation or improvement of the Trust estate whenever in Trustee's judgment this action is deemed advisable, and as security for same to mortgage or pledge any real estate or personal property forming a part of the Trust estate upon such terms and conditions as Trustee deems advisable. Money may be borrowed from the banking department of a corporate Trustee.

4.1.f To Buy on Margin. To buy, sell and hypothecate securities on margin; to buy, sell and write *put and call* options; and to transact all types of securities transactions with a brokerage firm that are allowed under SEC regulations.

4.1.g To Commence or Defend Litigation. To commence or defend such litigation with respect to the Trust or any property of the Trust as Trustee deems advisable, at the expense of the Trust; and to compromise, abandon, or otherwise adjust any claims or litigation against or in favor of the Trust.

4.1.h To Deal Between. To sell or purchase assets from any trust or estate in which the beneficiary of the Trust established by Grantor may be interested, including sales by the Trust hereby established to any other of the Trusts hereby established; to deal in every way and without limitation or restriction with the Personal Representative, Trustee or other representative of any trust or estate in which any beneficiary hereunder has any existing or future interest, even though Trustee is acting in such other capacity, without liability for loss or depreciation resulting from such transactions; and to purchase from, sell to, or otherwise deal with any corporation, partnership or association with which any Trust may be affiliated, or in which any Trust may in any other way be interested, as freely as Trustee might or could deal with an independent third party without any greater responsibility, all rules or provisions of law to the contrary being hereby expressly waived.

4.1.i To Delegate Powers. To delegate powers, discretionary or otherwise, for any purpose to one or more nominees or proxies with or without power of substitution; and to make assignments to and deposits with committees, Trustees, agents, depositories and other representatives.

4.1.j To Designate Signator on Bank Accounts. To have the power to designate, as signator or joint signator on any Trust bank account, any person Trustee desires to designate. This person shall act as agent for Trustee and may sign on the bank account, deposit funds in the bank account or otherwise deal with the bank account.

4.1.k To Determine Value. To determine the market value of any investment of the Trust estate for any purpose on the basis of such quotations or information as Trustee may deem pertinent and reliable without any limitation whatsoever.

4.1.l To Develop. To develop, improve, lease, partition, abandon, subdivide, dedicate as parks, streets and alleys, and grant easements and rights-of-way with respect to any real property or improvements thereon; and to improve, construct, repair, alter, reconstruct, or demolish any such improvements.

4.1.m To Dissolve Corporations. To enter into an agreement to dissolve a corporation in which stock is owned by the Trust, when, in Trustee's opinion, such action is in the best interest of the Trust estate.

4.1.n To Employ Agents. To employ agents, experts and advisors, even if they are employed by Trustee or any beneficiary of the Trust estate; and to make reasonable and proper payments to such agents, experts or advisors for services rendered.

4.1.o To Establish Reserves. To set aside from rents, profits or other income received, reserves for taxes, assessments, insurance premiums, mortgage payments, debt payments, repairs, improvements, depreciation, obsolescence and general maintenance of buildings and other property, and for the equalization of payments to or for beneficiaries entitled to receive income, as Trustee deems advisable.

4.1.p To Exploit Oil, Gas and Other Mineral Interests. To drill, mine and otherwise operate for the development of oil, gas and other mineral interests; to enter into contracts relating to the installation and operation of absorption and repressuring plants; to enter into unitization or pooling agreements for any purpose including primary or secondary recovery; to place and maintain pipelines and telephone and telegraph lines; to execute oil, gas and mineral leases, division and transfer orders, grants and other instruments; and to perform such other acts as Trustee deems appropriate, using such methods as are commonly employed by owners of such interests in the community in which the interests are located.

4.1.q To Guarantee Debts. To sign guarantees of loans and co-sign or endorse any type of loan document and thus obligate the Trust estate for and on behalf of any individual, partnership, corporation, Trust, or other type of participating interest with which the Trust is involved in some type of business relationship; and to guarantee an indebtedness, co-sign or endorse an indebtedness for and on behalf of one of the named beneficiaries of the Trust as Trustee deems advisable. This power supplements the power of Trustee to borrow.

4.1.r To Have Rights. To have all the rights, powers and privileges of an owner, including the power to give proxies, pay assessments, abandon stock; to expend any sums deemed by Trustee to be necessary for the protection of the Trust estate; to participate in voting trusts, pooling agreements, foreclosures, reorganizations, consolidations, mergers and liquidations; and to participate in and deposit securities with any creditors, bondholders, stockholders or other protective committees.

4.1.s To Hold Partnership Interests. To act as a general partner or as a limited partner in any general or limited partnership in the same manner that an individual could act in such capacity.

4.1.t To Hold Property. To hold, without liability for loss or depreciation resulting from such retention, any original property, real or personal, received by Trustee from Grantor, including stock and securities of Trustee, for such time as Trustee shall deem advisable. Even though such property may not be of the character prescribed by law or by the terms of this Trust Agreement for investment by the Trust and represents a large percentage or all of the Trust estate, such original property may be held as a permanent investment.

4.1.u To Invest. To invest the Trust estate, both principal and income, in any property or undivided interests therein, wherever located, without being limited by any statute or rule of law concerning investments of Trustees; to hold on deposit or to deposit any funds in banks, including Trustee bank, in any form of account whether or not interest-bearing; to cause any of the investments which may be delivered to or acquired by Trustee to be registered in Trustee's name or in the name of a nominee; and to retain any investment received in exchange in any reorganization or recapitalization.

4.1.v To Make Distribution. To make any distribution or division of the Trust estate in cash or in kind, or both; to allot different kinds or disproportionate shares of property or undivided interests in property among the beneficiaries; and to continue to exercise any powers and discretions herein given for a reasonable period after the termination of the Trust, but only for so long as no rule of law relating to perpetuities would be violated.

4.1.w To Make Loans. To make loans to any person, including any beneficiary, at a reasonable interest rate and with adequate security.

4.1.x To Operate Business. To operate and manage, at the sole risk of the Trust estate and not at the risk of Trustee, any business received in trust, as long as Trustee deems advisable; to incorporate any unincorporated business received hereunder; and to accept beneficial employment with or from any business in which the Trust estate may be interested, whether by way of stock ownership or otherwise, even though the interests of the Trust estate in the business shall constitute a majority interest therein or the complete ownership thereof, and receive appropriate compensation from such business for such employment.

4.1.y To Pay Costs. To pay all costs, charges and expenses of the Trust estate and pay or compromise all taxes pertaining to the administration of the Trust estate which may be assessed against it or against Trustee on account of the Trust estate or the income thereof, together with a reasonable compensation to Trustee for Trustee's services hereunder, including services in the matter of whole or partial distribution of the Trust estate.

4.1.z To Purchase Insurance. To insure the Trust estate against such risks and for such amounts and upon such terms as Trustee deems necessary; to purchase policies of insurance on the life of any beneficiary of this Trust, or on the life of any other person in whom this Trust may have an insurable interest; to continue in effect or to terminate any life insurance policy which may be owned or held by this Trust; to pay (from income or principal) any premiums or other charges; and to exercise any and all rights or incidents of ownership in connection therewith.

4.1.aa To Purchase Special Properties. To purchase or otherwise acquire, and to retain, whether originally a part of the Trust estate or subsequently acquired, any and all stocks, bonds, notes or other securities, including interests in investment trusts and common trust funds or any variety of real or personal property, as Trustee may deem advisable, whether or not such investments be of the character permissible for investments by fiduciaries, or be unsecured, unproductive, underproductive, overproductive, or of a wasting nature. Investments need not be diversified and shall be made or retained with a view to a possible increase in value. Trustee may at any time render liquid the Trust estate, in whole or in part, and hold cash or readily marketable securities with little or no yield for such period as Trustee may deem advisable.

4.1.bb To Receive Additional Assets. To receive additions to any Trusts established under this Trust Agreement from any source, and to administer such additions according to the terms of this Trust Agreement.

4.1.cc To Sell and Lease. To sell, lease, pledge, mortgage, transfer, exchange, convert or otherwise dispose of, or grant options with respect to, any and all property at any time forming a part of the Trust estate, in such manner, at such time or times, for such purposes and for such prices and upon such terms, credits and conditions as Trustee deems advisable. Any lease may be made for such period of time and upon such terms and conditions as Trustee may deem proper and may extend beyond the period fixed by statute for leases made by fiduciaries and beyond the duration of the Trust without the approval of any court.

4.1.dd To Settle. To complete, extend, modify or renew any loan, note, bond, mortgage, contract or any other obligation under which the Trust estate may be a party or obligated or which may be a lien or charge against any property of the Trust estate, even though the Trust estate may not be liable thereon, in such manner as Trustee deems advisable; to pay, compromise, compound, adjust, submit to arbitration, sell or release any claim or demand of the Trust estate against others or of others against the Trust estate as Trustee deems advisable, and to make any payments in connection therewith which Trustee deems advisable.

4.1.ee To Transfer Situs. To transfer the situs of the Trust estate to some other location.

4.6 Authority. No person dealing with Trustee shall be obliged to inquire as to Trustee's powers or to see to the application of any money or property delivered to Trustee. Trustee shall not be required to obtain authority or approval of any court in the exercise of any power conferred hereunder. Trustee shall not be required to make any current reports or accountings to any court nor to furnish a bond for the proper performance of Trustee's duties

In confirmation and affirmation of the foregoing, the undersigned Grantors and Trustees hereby state that the assertion by any Trustee hereinabove designated that (a) he or she is acting alone or with another as a qualified Trustee, or (b) he or she is acting with full delegated powers from a Co-Trustee, shall be sufficient on its face, and no person shall be put to further inquiry into the right of such Trustee to so act.

Reproductions of this executed original (with reproduced signatures) shall be deemed to be original counterparts of this Certificate and Abstract.

4.6 Authority. No person dealing with Trustee shall be obliged to inquire as to Trustee's powers or to see to the application of any money or property delivered to Trustee. Trustee shall not be required to obtain authority or approval of any court in the exercise of any power conferred hereunder. Trustee shall not be required to make any current reports or accountings to any court nor to furnish a bond for the proper performance of Trustee's duties hereunder. Trustee may execute and deliver any and all instruments in writing which Trustee deems advisable to carry out any of the foregoing powers. No party to any such instrument in writing signed by Trustee shall be obliged to inquire into its validity, or be bound to see to the application by Trustee of any money or other property paid or delivered to Trustee pursuant to the terms of any such instrument.

6.19 Trustee. References in this Trust to Trustee shall be deemed to include not only the original Trustee or Co-Trustees but also any additional or Successor Trustee or Co-Trustee.

8.4 Distributions. All distributions of income or principal shall be made to the respective beneficiaries in person or may at their direction be deposited in any bank to the credit of such beneficiary in any account carried in the beneficiary's name or jointly with another or others. Distributions to a minor or an incompetent beneficiary may nevertheless be made by Trustee for the benefit of such beneficiary in such of the following ways as in Trustee's opinion will be most desirable:

8.4.a directly to such beneficiary;

8.4.b to such beneficiary's legal representative;

8.4.c to some near relative or friend of such beneficiary; or

8.4.d by Trustee making such payments directly for the benefit of such beneficiary.

10.4 One Trustee Authority to Sign Insurance Applications and Tax Documents. If any insurance is purchased by the Trustees of this Trust, any one of them may sign life, property and casualty or other insurance applications and paperwork necessary to purchase and process the policies. The reason for this special authority to any one of the Trustees is that sometimes speed is necessary in obtaining insurance coverages and damages may be caused to the Trust by the unnecessary delays of finding a Trustee. Any Trustee may sign tax applications, returns and other tax and governmental forms and paperwork that may be required from time to time.

B. The net income of each trust share shall be distributed as follows:

(1) During such time as the primary beneficiary of any trust share is less than eighteen (18) years of age, the Trustee may from time to time distribute to or for the benefit of that beneficiary such portions of the net income as the Trustee may determine, in his sole discretion. Upon the death of any beneficiary of any trust under this Will, my Trustee shall have full power, in his discretion, to pay any part or all of the funeral expenses (including the cost of a suitable marker for the grave) and the expenses of the last illness of the beneficiary, to the extent that the assets readily available and reducible to cash in the beneficiary's estate shall be insufficient to satisfy such expenses.

B. Spendthrift Clause and Contingency for Lack of Capacity. My Trustee shall make distributions to a beneficiary only directly into the hands of the beneficiary or by deposit to the credit of the account of the beneficiary in a bank, trust company or other depository and not to any other person or corporation whatsoever, whether claiming by his or her authority or otherwise; nor may any payments be subject to assignment or order nor be anticipated in any manner whatsoever, nor may the principal or income be taken in execution by attachment or garnishment nor by any other legal or

C. Consideration of Trustee in Exercising Discretion. In exercising his discretion or making any payments permitted by the terms of the trust, my Trustee is directed to take into consideration the other income and liquid assets reasonably available to the beneficiaries. My Trustee may rely conclusively upon such information as to income and other financial resources as he believes has been presented to him in good faith or, if no such information is reasonably available, my Trustee may consider any other evidence he deems appropriate, in exercising his discretion. It is not my intent however that discretionary distributions are to be made only upon the complete exhaustion of other financial resources of the beneficiaries hereof.

D. No Court Supervision. It is not my intention that any trust hereby created shall be administered under the supervision of a court of equity, and in the event that my Trustee shall at any time apply to any court of competent jurisdiction for any purposes whatsoever in connection with any such trust or the provisions of this my Will, it is my intention that such court shall have jurisdiction

During the period of administration and settlement of my estate, my Executor shall have full power, in his discretion, to pay to my spouse or to or for any of my minor grandchildren such sums as he deems advisable for the proper education, maintenance, support or church missions of my minor grandchild. All such sums paid to my spouse shall be charged to the Hearold Elmer Family Trust and all such sums paid to any of my grandchildren shall be charged to the principal of the Hearold Elmer Family Trust.

G. Accrual of Trust Benefits From Time of Death. The payments from any trust herein created shall accrue from the time of my death, and until such trust is established and funded, I authorize my Executor, in his sole and absolute discretion, to pay out of my general estate to the beneficiary of such trust as advance payments, such sum or sums as in his judgment are not in excess of the payments which the beneficiary would have been entitled to receive from such trust had it been established. Any such sum from the principal of my general estate shall be regarded merely as a temporary advance to be restored from the principal or income otherwise payable to the beneficiary to whom such advance shall have been made.

H. Option for Direct Distribution. In the event that it shall be

make distribution to the beneficiaries directly in accordance with the terms of the trust in lieu of distributing that portion to the Trustee.

CARPENTER FAMILY TRUST NO. 1
CERTIFICATE OF TRUSTEE'S POWER AND
AUTHORITY AND ABSTRACT OF TRUST

Effective Place of Execution: Gila County, Globe, Arizona

Effective Date of Original Abstract: January 23, 1993

Grantors:

Harold F. Carpenter, Sr.
Tillie L. Carpenter
(Hereinafter referred to as Grantor)

Trustees:

Harold F. Carpenter, Sr.
Tillie L. Carpenter
(Hereinafter referred to as Trustee)

The following provisions are found in that certain Trust Agreement named and described above, by and between the above-designated Grantors and Trustee, and may be relied upon as a full statement of the matters covered by such provisions by anyone dealing with Trustee or any successor Trustee. However, in the unlikely event there is a clerical error causing a discrepancy between the original Trust and this Certificate of Trustee's Power and Authority and Abstract of Trust, the original Trust Agreement will control the interpretation and administration of the Trust.

1.1 Trust Property. Concurrently with the execution of this Trust, Grantor has conveyed and delivered to Trustee the property described in a Schedule of Trust Assets, and Trustee hereby acknowledges receipt of that property and agrees to hold and dispose of that property and all additions thereto and income therefrom IN TRUST upon the terms and conditions hereinafter set forth. Additional property from time to time may be transferred to Trustee with Trustee's consent by Grantor or by any other person, estate or trust. Any such additional property shall become a part of the Trust estate and shall be held, managed, invested and disposed of on the same terms and conditions as hereinafter provided.

1.2 Names and Addresses of Beneficiaries. We hereby disclose the names and addresses of the beneficiaries of this trust, as follows:

DOCKET 896 PAGE 800

1.3 Designation of Successor Trustees. If the Trustee dies or otherwise ceases to function as Trustee, the following shall serve as Successor Trustee in the following order:

Harold F. Carpenter, Jr.
2728 Corona St.
Lemon Grove, Ca. 92045

Sherry Carpenter
2728 Corona St.
Lemon Grove, Ca. 92045

1.4 Act of Trustees. During the lifetime of both Grantors, if there are two Trustees, then the act of either of the Trustees shall constitute the act of the Trust. On the death or incapacity of one or both Grantors, if there are two Trustees, both must consent and act to bind the Trust. If there are three or more Trustees, then the act of a majority of the Trustees shall constitute the act of the Trust. Unanimous approval of Trustees shall be necessary only when expressly provided for elsewhere in this Trust.

Other provisions of this Trust notwithstanding, both Grantors expressly permit either Grantor to sign all documents transferring or otherwise dealing with separate property of that Grantor which has been transferred to the Trust. For the convenience of any person dealing with the Trust, Grantors or others transferring property into the Trust may designate the Trust as owner, with the words following as the sole and separate property of _____ (designating the name of the Grantor).

1.10 Place of Constructive Notice of Trust. The parties to this Trust designate the County Recorder of Gila County, Arizona, as the location where title companies and others may check to ascertain if this Trust has been modified in any material respect. A signed Abstract of certain terms of this Trust shall be filed or recorded with that public office as notice of the existence of this Trust, its Grantor, Trustee, beneficiaries, Trustee powers and other relevant provisions. All parties dealing with this Trust may rely on the Abstract, Amended Abstract and other documents filed or recorded with that public office in ascertaining the status of this Trust and may assume, if there are no recordings to the contrary, that no material modifications have been made to the Trust since the last recording.

DOCKET 896 PAGE 301

3.1 Power in Grantors During Lifetimes of Both Grantors. Subject to paragraph 3.3 (Irrevocability on Death of First Grantor Spouse), Grantors reserve the right at any time or times to amend or revoke this Trust Agreement and the Trusts hereunder, in whole or in part, by an instrument in writing, signed by both Grantors and delivered in Grantors' lifetimes to Trustee; provided, however, that if there are Husband and Wife Grantors, no such alteration, amendment or revocation shall affect the character of any property held by the Trust, and the interest of the Husband and Wife in the various Trust assets, whether community, separate or otherwise, shall retain its character as such. Nothing herein shall be construed as a transfer of separate properties from Husband to Wife or from Wife to Husband, and in the event of any revocation or amendment, all property shall be reconveyed to the respective owners. If this Trust Agreement is revoked in its entirety, the revocation shall take effect upon the delivery of the required writing to Trustee. On the revocation of this Trust Agreement in its entirety, Trustee shall deliver to Grantors, or as Grantors may direct in the instrument of revocation, all the Trust estate.

4.2 Trustee Powers. In the investment, administration and distribution of the Trust estate and the several shares thereof, the Trustee (subject only to the duty to apply the proceeds and avails of the Trust estate to the purposes herein specified) may perform every act in the management of the Trust property which individuals may perform in the management of like property owned by them free of trust. Trustee may exercise every power with respect to each item of property in the Trust estate, real or personal, which individual owners of like property may exercise, including, by way of illustration but not by way of limitation, the following powers:

4.1.a To Acquire Stock Rights. To acquire stock and securities of Trustee by the exercise of rights issued in connection with the stock of Trustee comprising a portion of the Trust estate; to vote in person or by general or limited proxy with respect to any shares of stock or securities held by Trustee; to consent, directly or through a committee or other agent to the reorganization, consolidation, merger, dissolution or liquidation of any corporation in which the Trust estate may have any interest; to consent to the sale, lease, pledge or mortgage of any property by or to any such corporation; and to make any payments and take any steps which Trustee deems necessary or proper to enable Trustee to obtain the benefit of such transaction.

4.1.b To Add Net Income to Principal. To add to principal that portion of the net income of this Trust in excess of net income distributed to beneficiaries and reinvest such amounts at the end of the taxable year of this Trust.

4.1.c To Appoint Ancillary Trustee. To appoint an individual or another corporation as Trustee if the Trustee is unable to act with respect to real and tangible personal property not located in the state of the Trust's situs. The appointed Trustee (1) shall have all the powers of the appointing Trustee, to be exercised, however, only with the approval of the appointing Trustee, (2) shall not, unless required by law, make periodic judicial accountings, but shall furnish the appointing Trustee with semi-annual statements, and (3) may delegate any or all Trust powers. The appointing Trustee is to require any Trustee so appointed to remit to the appointing Trustee the income and net proceeds of any sale of

DOCKET 896 PAGE 802

any property. The appointing Trustee may remove any Trustee appointed pursuant to this paragraph at any time and to appoint another, including the appointing Trustee.

4.1.d To Apportion Principal and Income. To determine what is principal and what is income and to allocate receipts and expenses between them as Trustee shall in good faith determine to be in accordance with the Uniform Principal and Income Act of Arizona or such other laws as shall from time to time exist; provided, however, that notwithstanding any such laws, all dividends payable in shares of a corporation other than the declaring corporation and all capital gains distributions of any Trust investment shall be apportioned to the principal.

4.1.e To Borrow. To borrow money for any purpose connected with the protection, preservation or improvement of the Trust estate whenever in Trustee's judgment this action is deemed advisable, and as security for same to mortgage or pledge any real estate or personal property forming a part of the Trust estate upon such terms and conditions as Trustee deems advisable. Money may be borrowed from the banking department of a corporate Trustee.

4.1.f To Buy on Margin. To buy, sell and hypothecate securities on margin; to buy, sell and write put and call options; and to transact all types of securities transactions with a brokerage firm that are allowed under SEC regulations.

4.1.g To Commence or Defend Litigation. To commence or defend such litigation with respect to the Trust or any property of the Trust as Trustee deems advisable, at the expense of the Trust; and to compromise, abandon, or otherwise adjust any claims or litigation against or in favor of the Trust.

4.1.h To Deal Between. To sell or purchase assets from any trust or estate in which the beneficiary of the Trust established by Grantor may be interested, including sales by the Trust hereby established to any other of the Trusts hereby established; to deal in every way and without limitation or restriction with the Personal Representative, Trustee or other representative of any trust or estate in which any beneficiary hereunder has any existing or future interest, even though Trustee is acting in such other capacity, without liability for loss or depreciation resulting from such transactions; and to purchase from, sell to, or otherwise deal with any corporation, partnership or association with which any Trust may be affiliated, or in which any Trust may in any other way be interested, as freely as Trustee might or could deal with an independent third party, without any greater responsibility, all rules or provisions of law to the contrary being hereby expressly waived.

4.1.i To Delegate Powers. To delegate powers, discretionary or otherwise, for any purpose to one or more nominees or proxies with or without power of substitution; and to make assignments to and deposits with committees, Trustees, agents, depositaries and other representatives,

4.1.j To Designate Signator on Bank Accounts. To have the power to designate, as signator or joint signator on any Trust bank account, any person Trustee desires to designate. 4.1.m To Dissolve Corporations. To enter into an agreement to dissolve a corporation in which stock is owned by the Trust, when, in Trustee's opinion, such action is in the best interest of the Trust estate.

4.1.n To Employ Agents. To employ agents, experts and advisors, even if they are employed by Trustee or any beneficiary of the Trust estate; and to make reasonable and proper payments to such agents, experts or advisors for services rendered.

4.1.o To Establish Reserves. To set aside from rents, profits or other income received, reserves for taxes, assessments, insurance premiums, mortgage payments, debt payments, repairs, improvements, depreciation, obsolescence and general maintenance of buildings and other property, and for the equalization of payments to or for beneficiaries entitled to receive income, as Trustee deems advisable.

4.1.p To Exploit Oil, Gas and Other Mineral Interests. To drill, mine and otherwise operate for the development of oil, gas and other mineral interests; to enter into contracts relating to the installation and operation of absorption and repressuring plants; to enter into unitization or pooling agreements for any purpose including primary or secondary recovery; to place and maintain pipelines and telephone and telegraph lines; to execute oil, gas and mineral leases, division and transfer orders, grants and other instruments; and to perform such other acts as Trustee deems appropriate, using such methods as are commonly employed by owners of such interests in the community in which the interests are located.

4.1.c To Guarantee Debts. To sign guarantees of loans and co-sign or endorse any type of loan document and thus obligate the Trust estate for and on behalf of any individual, partnership, corporation, Trust, or other type of participating interest with which the Trust is involved in some type of business relationship; and to guarantee an indebtedness, co-sign or endorse an indebtedness for and on behalf of one of the named beneficiaries of the Trust as Trustee deems advisable. This power supplements the power of Trustee to borrow.

4.1.u To Have Rights. To have all the rights, powers and privileges of an owner, including the power to give proxies, pay assessments, abandon stock; to expend any sums deemed by Trustee to be necessary for the protection of the Trust estate; to participate in voting trusts, pooling agreements, foreclosures, reorganizations, consolidations, mergers and liquidations; and to participate in and deposit securities with any creditors, bondholders, stockholders or other protective committees.

DOCKET 896 PAGE 804

4.1.s To Hold Partnership Interests. To act as a general partner or as a limited partner in any general or limited partnership in the same manner that an individual could act in such capacity.

4.1.t To Hold Property. To hold, without liability for loss or depreciation resulting from such retention, any original property, real or personal, received by Trustee from Grantor, including stock and securities of Trustee, for such time as Trustee shall deem advisable. Even though such property may not be of the character prescribed by law or by the terms of this Trust Agreement for investment by the Trust and represents a large percentage or all of the Trust estate, such original property may be held as a permanent investment.

4.1.u To Invest. To invest the Trust estate, both principal and income, in any property or undivided interests therein, wherever located, without being limited by any statute or rule of law concerning investments of Trustees; to hold on deposit or to deposit any funds in banks, including Trustee's bank, in any form of account whether or not interest-bearing; to cause any of the investments which may be delivered to or acquired by Trustee to be registered in Trustee's name or in the name of a nominee; and to retain any investment received in exchange in any reorganization or recapitalization.

4.1.x To Operate Business. To operate and manage, at the sole risk of the Trust estate and not at the risk of Trustee, any business received in trust, as long as Trustee deems advisable; to incorporate any unincorporated business received hereunder; and to accept beneficial employment with or from any business in which the Trust estate may be interested, whether by way of stock ownership or otherwise, even though the interests of the Trust estate in the business shall constitute a majority interest therein or the complete ownership thereof, and receive appropriate compensation from such business for such employment.

4.1.y To Pay Costs. To pay all costs, charges and expenses of the Trust estate and pay or compromise all taxes pertaining to the administration of the Trust estate which may be assessed against it or against Trustee on account of the Trust estate or the income thereof, together with a reasonable compensation to Trustee for Trustee's services hereunder, including services in the matter of whole or partial distribution of the Trust estate.

4.1.z To Purchase Insurance. To insure the Trust estate against such risks and for such amounts and upon such terms as Trustee deems necessary; to purchase policies of insurance on the life of any beneficiary of this Trust, or on the life of any other person in whom this Trust may have an insurable interest; to continue in effect or to terminate any life insurance policy which may be owned, or held by this Trust; to pay (from income or principal) any premiums

DOCKET 896 PAGE 805

or other charges; and to exercise any and all rights or incidents of ownership in connection therewith.

4.1.aa To Purchase Special Properties. To purchase or otherwise acquire, and to retain, whether originally a part of the Trust estate or subsequently acquired, any and all stocks, bonds, notes or other securities, including interests in investment trusts and common trust funds or any variety of real or personal property, as Trustee may deem advisable, whether or not such investments be of the character permissible for investments by fiduciaries, or be unsecured, unproductive, underproductive, overproductive, or of a wasting nature. Investments need not be diversified and shall be made or retained with a view to a possible increase in value. Trustee may at any time render liquid the Trust estate, in whole or in part, and hold cash or readily marketable securities with little or no yield for such period as Trustee may deem advisable.

4.1.bb To Receive Additional Assets. To receive additions to any Trusts established under this Trust Agreement from any source, and to administer such additions according to the terms of this Trust Agreement.

4.1.cc To Sell and Lease. To sell, lease, pledge, mortgage, transfer, exchange, convert or otherwise dispose of, or grant options with respect to, any and all property at any time forming a part of the Trust estate, in such manner, at such time or times, for such purposes and for such prices and upon such terms, credits and conditions as Trustee deems advisable. Any lease may be made for such period of time and upon such terms and conditions as Trustee may deem proper and may extend beyond the period fixed by statute for leases made by fiduciaries and beyond the duration of the Trust without the approval of any court.

4.1.dd To Settle. To complete, extend, modify or renew any loan, note, bond, mortgage, contract or any other obligation under which the Trust estate may be a party or obligated or which may be a lien or charge against any property of the Trust estate, even though the Trust estate may not be liable thereon, in such manner as Trustee deems advisable; to pay, compromise, compound, adjust, submit to arbitration, sell or release any claim or demand of the Trust estate against others or of others against the Trust estate as Trustee deems advisable, and to make any payments in connection therewith which Trustee deems advisable.

4.1.ee To Transfer Situs. To transfer the situs of the Trust estate to some other location.

4.6 Authority. No person dealing with Trustee shall be obliged to inquire as to Trustee's powers or to see to the application of any money or property delivered to Trustee. Trustee shall not be required to obtain authority or approval of any court in the exercise of any power conferred hereunder. Trustee shall not be required to make any current reports or accountings to any court nor to furnish a bond for the proper performance of Trustee's duties hereunder. Trustee may execute and deliver any and all instruments in writing which Trustee deems advisable to carry out any of the foregoing powers. No party to any such instrument in writing signed by Trustee shall be obliged to inquire into its validity, or be bound to see to the application by Trustee of any

DOCKET 896 PAGE 806

money or other property paid or delivered to Trustee pursuant to the terms of any such instrument.

6.19 Trustee. References in this Trust to Trustee shall be deemed to include not only the original Trustee or Co-Trustees but also any additional or Successor Trustee or Co-Trustee.

8.4 Distributions. All distributions of income or principal shall be made to the respective beneficiaries in person or may at their direction be deposited in any bank to the credit of such beneficiary in any account carried in the beneficiary's name or jointly with another or others. Distributions to a minor or an incompetent beneficiary may nevertheless be made by Trustee for the benefit of such beneficiary in such of the following ways as in Trustee's opinion will be most desirable:

8.4.a directly to such beneficiary;

8.4.b to such beneficiary's legal representative;

8.4.c to some near relative or friend of such beneficiary; or

8.4.d by Trustee making such payments directly for the benefit of such beneficiary.

10.4 One Trustee Authority to Sign Insurance Applications and Tax Documents. If any insurance is purchased by the Trustees of this Trust, any one of them may sign life, property and casualty or other insurance applications and paperwork necessary to purchase and process the policies. The reason for this special authority to any one of the Trustees is that sometimes speed is necessary in obtaining insurance coverages and damages may be caused to the Trust by the unnecessary delays of finding a Trustee. Any Trustee may sign tax applications, returns and other tax and governmental forms and paperwork that may be required from time to time.

In confirmation and affirmation of the foregoing, the undersigned Grantors and Trustees hereby state that the assertion by any Trustee hereinabove designated that (a) he or she is acting alone or with another as a qualified Trustee, or (b) he or she is acting with full delegated powers from a Co-Trustee, shall be sufficient on its face, and no person shall be put to further inquiry into the right of such Trustee to so act.

Reproductions of this executed original (with reproduced signatures) shall be deemed to be original counterparts of this Certificate and Abstract.

EXHIBIT A

ARTICLE TEN TRUST ADMINISTRATION

10.1 Trustees' Powers. With respect to each trust created by this Trust, and the property of each trust, the Trustees shall have, in addition to all other powers and discretions granted to or vested in the Trustees by law or by this Trust, all the rights, powers and discretions that an absolute owner of such property would have, including, without limitation, the following:

10.1.1 Retention. To receive and retain any property transferred to the Trustees, regardless of whether receipt or retention violates sound diversification or such property is underproductive.

10.1.2 Investments. To invest and reinvest trust property, both principal and undistributed income, in any property or undivided interests therein, wherever located, including, without limitation, bonds, notes (secured or unsecured), stock of public corporations, real estate (or any interest therein), and interests in trusts, including common trust funds of any bank or trust company, and to hold on deposit or to deposit any funds in one or more banks, in any form of account, so long as interest-bearing, and to have, with respect to securities, all the rights, powers and privileges of an owner, including the power to give proxies and to become a party to any shareholder agreements deemed appropriate by the Trustees in connection with such securities; to buy, sell and trade in securities of any nature including, without limitation, short sales, on margin, and for such purposes may maintain and operate margin accounts with brokers, and may pledge any securities held or purchased by the Trustees with such brokers as security for loans and advances made to the Trustees.

10.1.3 Sales, Exchanges, Options. To sell at public or private sale, transfer, convey or exchange any property of the trust for other property; to grant options to purchase or acquire any property of the trust (including options exercisable after the termination of the trust), and to determine the prices and terms of sales, exchanges and options; to lease for any period (including periods extending beyond the termination of the trust) all or any part of the property of the trust upon such terms and conditions and for such consideration as the Trustees deem appropriate; and to abandon items of trust property deemed by the Trustees to be worthless or burdensome.

10.1.4 Develop Real Property. To manage, develop, improve, lease, exchange, partition, abandon, subdivide, dedicate as parks, streets and alleys or other uses, and grant easements and rights-of-way with respect to any real property or

improvements of the trust, and to improve, construct, repair, alter, reconstruct or demolish any such improvements.

10.1.5 Leases. To enter into a lease or arrangement for exploration and removal of minerals or other natural resources or enter into a pooling or unitization agreement.

10.1.6 Borrow. To borrow money from any lender, including, without limitation, any of the Trustees hereunder or a parent or affiliate of any of the Trustees, and to mortgage or pledge any property of the trust, and to advance and lend their own moneys to the trust and to charge the amount of such advancement or loan with a competitive rate of interest thereon as a first lien against trust property.

10.1.7 Businesses. To operate and manage any property or business received in trust either as shareholder, partner or principal, so long as the Trustees deem appropriate; to incorporate any unincorporated business received hereunder and to participate in the reorganization of any business received hereunder; and to exercise all powers and execute all documents in furtherance of these activities.

10.1.8 Oil, Mineral or Gas. To do all things necessary to maintain in full force and effect any oil, gas and other mineral interests; to purchase additional oil, gas and other mineral interests when necessary or desirable to effect a reasonable plan of operation or development; to buy or sell undivided interests in oil, gas and other mineral interests of any type, and to exchange any such interests for interests in other properties or for service; to execute oil, gas and other mineral leases on such terms as the Trustees may deem proper, and to enter into pooling, unitization, repressurization and any other type of agreement relating to the development, operation and conservation of mineral properties, and any such lease or agreement may have such duration as the Trustees may deem reasonable, even though extending beyond the duration of the trust; to execute division orders, transfer orders, releases, assignments, farmouts and any other instruments which the Trustees deem proper; to drill, test, explore, mine, develop and otherwise exploit any and all such oil, gas and other mineral interests; to select, employ, utilize or participate in any business form, including partnerships, joint ventures, co-owners' groups, syndicates and corporations, for the purpose of acquiring, holding, exploiting, developing, operating or disposing of oil, gas and mineral interests; to employ the services of experts in connection with the evaluation, management, acquisition, disposition or development of any oil, gas and mineral interests, and to pay the cost of such services from principal or income; and to use the general assets of the trusts created hereunder for the purposes of acquiring, holding, managing, developing, pooling, unitizing, repressuring or disposing of any interest in oil, gas and other minerals of any type.

10.1.9 Reserves. To provide for reserves for taxes, assessments, insurance premiums, repayments of indebtedness, repairs, improvements, depreciation, obsolescence and general maintenance of real and personal property in determining the net income of the trust.

10.1.10 Segregation. To hold the assets of the several trusts, shares or portions of trusts created by this Trust as a single fund for joint investment and management without need for physical segregation, dividing the income proportionately among them. Segregation of the various trusts, shares or portions need only be made on the books of the Trustees for accounting purposes.

10.1.11 Insurance. To carry, at the expense of the trust, insurance of such kinds and in such amounts as the Trustees deem appropriate to protect trust property and the Trustees against any reasonably foreseeable hazard.

10.1.12 Expenses. To pay all costs, charges, taxes and expenses of the trust.

10.1.13 Apportionment. To apportion receipts and disbursements of the trust between principal and income on a reasonable basis, giving consideration to its usual accounting practices.

10.1.14 Litigation. To commence or defend any litigation with respect to the trust or any property of the trust as the Trustees deem appropriate, at the expense of the trust, and to compromise, abandon or otherwise adjust any claims or litigation against or in favor of the trust.

10.1.15 Title. To keep any property of the trust in the name of a nominee with or without disclosure of any fiduciary relationship.

10.1.16 Participation. To give proxies, pay assessments or to expend any funds deemed by the Trustees to be necessary for the protection of trust property and to participate in voting trusts, pooling agreements, foreclosures, reorganizations, consolidations, mergers and liquidations, and to participate in and deposit securities with any creditors, bondholders, shareholders or other protective committees.

10.1.17 Transactions With Beneficiaries. To purchase from, sell to, borrow from, lend to or otherwise deal with any beneficiary of the trust, or the personal representative or conservator of any beneficiary's estate, or any corporation, association, partnership, estate, trust or firm with which the Trustees or any beneficiary may be affiliated or in which they may have an interest.

10.1.18 Small Trust Termination. To terminate any trust established under this Trust, the value of which the Trustees determine in their sole discretion to be so low that it is no longer economically feasible for administration as a trust.

10.1.19 Professional and Other Assistance. To employ, compensate and grant discretionary authority to agents, managers, attorneys, accountants, brokers, investment counselors and others, even if they are associated with a Trustee. The Trustees shall be entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, prepared by such persons as to matters which the Trustees reasonably believe to be within such person's professional or expert competence and shall not be liable for losses resulting therefrom.

10.1.20 Majority Rule. In the event that there is more than one Trustee acting under this Trust, a majority of the Trustees may take any action authorized herein. No non-participating or dissenting Trustee shall be liable on account of any action of the participating Trustees.

10.1.21 Certain Government Securities. The Trustees at any time may purchase and retain Treasury bonds redeemable at par in payment of federal estate taxes and may borrow funds and use trust property as collateral for their purchase. The Trustees are requested to resolve doubts in favor of exercise of this discretion and to over estimate rather than under estimate the amount of such bonds to acquire should it at any time appear that a Settlor is seriously ill and that such Settlor's estate will be subject to the payment of federal estate taxes.

10.1.22 Situs. The situs of the property of any trust created under this agreement may be maintained in any jurisdiction, in the Trustees' absolute discretion, and thereafter transferred at any time or times to any jurisdiction selected by the Trustees. Upon any such transfer of situs, the trust estate may thereafter, at the election of the Trustees of said trust, be administered exclusively under the law of (and subject, as required, to the exclusive supervision of the courts of) the jurisdiction to which it has been transferred. If the Trustees of any trust created hereunder elect to change the situs of any such trust, the Trustees are hereby relieved of any requirement of having to qualify in any other jurisdiction and of any requirement of having to account in any court of such other jurisdiction.

10.2 Trustees' Rights.

10.2.1 Authenticity and Notices. The Trustees may rely on any information, document or other paper believed to be genuine without incurring liability for any action or inaction based thereon. Until the Trustees shall receive written notice of

any birth, marriage, death or other event upon which the right to receive distributions from the trust may depend, the Trustees shall incur no liability for distributions made in good faith to persons whose interests may have been affected by that event.

10.2.2 Bond. The Trustees shall not be required to furnish any bond or security for the performance of their duties hereunder unless the instrument of appointment expressly provides otherwise.

10.2.3 Compensation of Trustees. The Trustees shall be reimbursed for all reasonable expenses incurred in the management and protection of the trust and shall receive compensation for their services in accordance with their schedule of usual and customary fees in effect from time to time.

10.2.4 Powers of Appointment. For purposes of determining whether a testamentary power of appointment granted hereunder has been effectively exercised, the Trustees may rely upon the document(s) that the Trustees shall determine to be the last valid Will of the power holder, regardless of whether it has been admitted to probate. The Trustees may assume that the power holder has died intestate if the Trustees have not received any written notice of a Will within three months after such individual's death.

10.3 Administration.

10.3.1 Division of any Trust. Except as otherwise directed in this Trust, whenever the Trustees shall be required to divide the principal of any Trust established hereunder into parts or shares or to make distribution thereof, they are authorized, in their sole discretion, to make division or distribution in cash or in kind, or partly in cash and partly in kind.

10.3.2 Consolidation. The Trustees may at any time after the death of the Settlers, merge this trust or any separate trust hereunder, with any other trust, (whether created by the Settlers or any other person, by testamentary or inter vivos agreement), if the dispositive terms of such trust are then substantially similar and held for the benefit of the same beneficiaries. If it becomes necessary or desirable to separate the merged trust, any method or formula selected by the Trustees in good faith to effect such separation shall be binding and conclusive upon all persons interested hereunder.

10.3.3 Records and Accountings. The Trustees shall furnish, within 60 days after the end of each quarter and within 90 days after the end of each taxable year of a trust, to each person who is then a current beneficiary of this Trust or of any separate trust established hereunder or to the legal representative, if any, of such current beneficiary, a statement disclosing

how the assets thereof were invested and all transactions relating thereto for the preceding taxable year. This paragraph shall not apply if either one of the Settlers is serving as one of the Trustees under this Trust, unless such Settlor-Trustee expressly indicates otherwise in writing.

10.3.4 Reliance On Trustees' Authority by Third Parties. In no case shall any person to whom any part of the property of the trust shall be paid, conveyed, delivered, sold, leased, mortgaged, pledged or otherwise encumbered, or who shall otherwise deal with the Trustees with respect thereto, be obligated to inquire into the authority of the Trustees or be obligated to confirm the proper application of any money or property delivered to them.

10.4 Residential Trust Property. Trust assets consisting of residential real property may be occupied by the Settlers or surviving Settlor free of rent as part of their, his or her current benefits to which they, he or she might be entitled, provided that during the competency of the Settlers or surviving Settlor, they, he or she shall have responsibility for, and any successor Trustee to the Settlers shall have no responsibility for the payment of taxes, assessments, insurance coverage, maintenance costs, and general running and upkeep expenses; and the successor Trustees are relieved from liability for losses resulting from the failure of the Settlers or surviving Settlor to meet their, his or her responsibility.

10.5 Out-Of-State Trust Property. If for any reason the acting Trustees hereunder are unwilling or unable to act as to any property which shall be subject to administration in another jurisdiction, then such person or qualified corporation as the acting Trustees hereunder shall from time to time designate in writing shall act as special Trustee as to that property. Any person or corporation so acting as special Trustee may resign at any time by written notice to the acting Trustees hereunder. Each special Trustee shall have the powers granted to the acting Trustees hereunder by this Agreement, to be exercised only with the approval of said acting Trustees, to which the net income and proceeds from sale of any part or all of the property shall be remitted, to be administered under this Trust Agreement.

10.6 Support Obligation. Notwithstanding any provision of this Trust Agreement to the contrary, no Trustee may use any discretionary power over income or principal of the Trust Estate to relieve the Trustees of the Trustees' legal obligations to support any person.

**ARTICLE ELEVEN
TRUSTEES**

11.1 Trustee Succession. HAROLD F. CARPENTER, SR. and TILLIE L. CARPENTER are the initial Trustees of this Trust. If for any reason either of them cease to act as Trustee, the other shall serve as sole Trustee. If both of them cease to act as Trustee, then HAROLD F. CARPENTER, JR. shall serve as Trustee.

11.2 Resignation or Removal of any of the Trustees. Any Trustee may resign at any time by giving 30 days written notice to each beneficiary then entitled to receive or have the benefit of the income from the trust. Any Trustee may be removed upon 30 days written notice by the sole beneficiary or a majority in interest of the beneficiaries then entitled to receive or have the benefit of the income from the trust. In case of the resignation, removal, refusal or inability to act of any Trustees acting or appointed to act hereunder and if no successor Trustee has been designated hereunder or if designated, is unable or unwilling to serve, the beneficiary or a majority in interest of the beneficiaries then entitled to receive or have the benefit of the income from the trust, shall appoint a successor Trustee, but any such successor Trustee shall be a corporation or trust company qualified to administer personal trusts. The parent, guardian or conservator of a beneficiary under disability shall receive notice and have authority to act for the beneficiary under this paragraph.

11.3 Rights and Immunities of Successor Trustees. Each successor Trustee shall have all of the rights, privileges and powers herein granted to the original Trustees, and shall have all of the duties and obligations imposed upon the original Trustees. No successor Trustee shall be liable for any act or omission of any other Trustee or successor Trustee nor shall any successor Trustee be required to take any steps whatsoever to investigate or redress any breach of trust which may have resulted from the administration of the trust by a prior Trustee. In addition, no successor Trustee shall have any duty to review the accounts of any prior Trustee or to answer for assets other than those listed and described in the books of account or other inventory of the trust.

11.4 Compensation of Trustees. The Trustee shall be reimbursed for all reasonable expenses incurred in the management and protection of the trust and shall receive compensation for their services in accordance with their schedule of usual and customary fees in effect from time to time.

**ARTICLE TWELVE
MISCELLANEOUS PROVISIONS**

The following additional provisions shall apply to any of the trusts created herein:

12.1 Definitions.

12.1.1 The term "issue" shall refer to lineal descendants of all degrees and the terms "child," "children," "grandchildren" and "issue" shall include adopted persons.

12.1.2 Whenever a distribution is to be made to a person's descendants "Per Stirpes", the distributable assets are to be divided into as many shares as there are at the time such assets are distributable, then living children of such person, and then deceased children of such person who left then living descendants, each then living child receiving one share, and the share of each then deceased child being divided among such child's descendants in the same manner.

12.1.3 The term "Trustee" shall include the initial trustees and any successor trustees and co-trustees appointed pursuant to the foregoing provisions and any successor to the business of any trustee, whether by reorganization or otherwise.

12.1.4 The term "Personal Representative" shall refer to the personal representative or co-personal representatives of a Settlor's estate and shall include any successor personal representative and co-personal representatives duly appointed by the court.

12.1.5 The "Code" shall refer to the Internal Revenue Code of 1986, as amended.

12.2 Spendthrift. The interest of any beneficiary in the principal or income of the trust shall not be subject to claims of his or her creditors, or others, or liable to attachment, execution or other process of law, and no beneficiary shall have any right to assign, transfer, encumber or hypothecate his or her interest in the principal or income of the trust in any manner, except as may be otherwise expressly provided herein.

12.3 Certified Copy of Trust. To the same effect as if it were the original, anyone may rely upon a copy certified by a Notary Public to be a true copy of this Trust or certain of its governing terms and provisions. Anyone may rely upon any statement of fact certified by anyone who is named in the original document or a certified copy thereof as the Trustee hereunder.

12.4 Rule Against Perpetuities. Unless sooner terminated in accordance with other provisions of this Trust Agreement, each trust created hereunder shall terminate 21 years after the death of the last survivor of the Settlers and those of the Settlers' issue living upon the date any trust established hereunder becomes irrevocable. All principal and undistributed income of any trust so terminated shall be distributed by the Trustees outright to the

then income beneficiaries of that trust in the proportion in which they are, at the time of termination, entitled to receive the income; provided, however, that if the rights to income are not fixed by the terms of this Trust, distribution under this paragraph shall be made, per stirpes, to such issue of the Settlers as are then entitled or authorized in the Trustees' sole discretion to receive income distributions.

12.5 Income Distributions on Termination of Beneficial Interest. Any income received after the last distribution date and undistributed at the termination of any beneficial interest shall, together with any accrued income, be distributed by the Trustees outright to the then income beneficiaries of such beneficial interest in the proportion in which they are, at the time of such termination entitled to receive the income; provided, however, that if the rights to income are not fixed by the terms governing such beneficial interest, distribution under this paragraph shall be made, per stirpes, to such issue of the Settlers as are then entitled or authorized in the Trustees' sole discretion to receive income distributions.

12.6 Disclaimers. Any beneficiary of this Trust shall have, in addition to any other rights conferred by law, the right at any time within nine months after the death of the deceased Settlor to renounce in whole or in part any interest, benefit, right or power granted to such beneficiary under this Trust. Any such renunciation shall be by written instrument signed by such beneficiary or that beneficiary's guardian, conservator or Personal Representative, as the case may be, and delivered to the Trustees.

12.7 Tax Elections. The Trustees shall make such elections under the tax laws as the Trustees deem appropriate, without regard to the relative interests of the beneficiaries. No adjustment shall be made between principal and income or in the relative interests of the beneficiaries to compensate for the effect of any elections under the tax laws made by the Trustees or the Personal Representative of either Settlor's estate.

12.8 Simultaneous Death. If the Settlers die under circumstances in which there is not sufficient evidence that they died other than simultaneously, the property of each Settlor (his or her sole and separate property plus his or her share of community property) shall pass as though he or she had survived the other Settlor.

12.9 Terminology. Any words herein used in the singular shall denote the plural as the context so requires, and when used herein in the plural shall denote the singular as the context so requires. Pronouns used herein, whether masculine, feminine or neuter, shall be interpreted as the context requires.

12.10 Governing Law. The validity of this Trust and any questions as to the construction and administration of this Trust shall be determined in accordance with the laws of the State of Arizona in force from time to time.
