Mr. Don Wolfram  
Boush Mining Company  
5254 East Apache Trail  
Apache Junction, Arizona 85219

Dear Mr. Wolfram:

A rental listing and a number of transfer of interest documents were received for filing on August 31, 1993. Rental fees for 1993 and 1994, and the service charge for the transfer documents for 127 lode mining claims accompanied the filing.

The transfers of interest has been processed except for the following:

- A MC 18598 through 18622 - Triple S Mining is shown as the owner.
- A MC 24962 through 24972 - Triple S Mining is shown as the owner.
- A MC 137397 and 137398 - are closed claims.
- A MC 139185 - Apache Gold is shown as the owner.

The six claims, listed on the Trustee's Deed signed by Timothy J. Hassett and the Warranty Deed signed by Kenneth Paul Boush, Jr., are shown as solely owned by Boush Mining Company after a transfer of interest by Mr. Darrell G. Hand.

Tom,

Enclosed please find a copy of the Final Judgement and Order issued by Judge Patterson, on August 21, 1990 regarding 100% ownership of M&M Enterprises on these particular claims.

PHOENIX, ARIZONARe: Unpatented Mining Claims  
Lead File Nos. AMC 50440 and 137391

Dear sir or madam:

In examining the above-referenced files concerning certain unpatented lode mining claims, I noticed some confusion over which group of claims is valid. This confusion has apparently resulted from relocations of these claims, which were attempted in 1981 by Darrell Hand.

Litigation took place in state court over the validity of these conflicting claim groups. In Goldfield Mines, Inc. v. Hand, 147 Ariz. 498, 711 P.2d 637 (1985), the Arizona Court of Appeals determined that the following locations were valid:

A. Locations by Goldfield Mines.

Black Queen	AMC 50442
Annex	AMC 50440
Tom Thumb	AMC 50454
Mother Hubbard	AMC 50452
Black King	AMC 50441
Mammoth No. 2	AMC 50450
Mammoth No. 3	AMC 50451

B. Locations by Darrell Hand.

Indian No. 2	AMC 137402
Indian No. 3	AMC 137403
Indian No. 4	AMC 137404

Indian No. 6	AMC 137406
Lawrence	AMC 137399
Mother Hubbard No. 2	AMC 137395

The claims corresponding to each of the claims listed above, but located by the other party, were held invalid.

The parties to the litigation subsequently entered into stipulation, pursuant to which the Superior Court entered an order confirming validity and ownership of the claims. A copy of the stipulation and order is attached hereto. Certified copies of the stipulation and order have been recorded in Maricopa and Pinal Counties.

I also understand that Mr. Hand acquired all of the right, title and interest of Goldfield Mines in the foregoing claims which were determined to be valid.

I hope that the foregoing will assist you in connection with questions that arise regarding these two groups of claims.

Very truly yours,

  
Norman D. James

Re: Correspondence of October 11, 1989

Dear Sir or Madam:

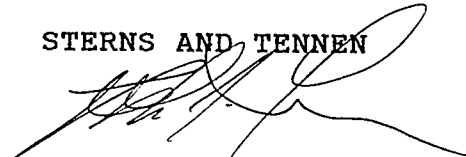

As you are aware, this office represents Marshall Ott and Mary Anne Howard, doing business as M & M Enterprises, concerning litigation involving Darrell G. Hand, Richard F. Hewlett, Goldfield Mines, Inc., and others. Previously I sent you a certified copy of a Judgment awarding my clients certain mining claims from a partnership with the defendants. Your correspondence referenced above requests fees relating to 26 mining claims. Today I spoke with Ms. Lois Carneal of your office, and explained to her that the Judgment partitioned six of the mining claims to Mr. Ott and Ms. Howard.

The six claims and AMC numbers are as follows: Black Queen, number <sup>50447</sup>137393; Mammoth 2, number <sup>50480</sup>137396; Mammoth 3, number <sup>50454</sup>137397; Tom Thumb, number <sup>50448</sup>137398; Annex, number <sup>50448</sup>137400; and Indian 3, number 137403. Enclosed please find my check in the amount of \$30.00 for your fees. I would appreciate your making the appropriate notations in your records to reflect the interests of my clients as set forth in the Judgment referred to above.

Thank you for your prompt attention to this matter.

Sincerely yours,

26 THIS MATTER having come regularly before the Court  
27 for trial before a Jury, commencing on the 18th day of April,  
28 1988, and concluding on the 10th day of May, 1988; the Plaintiffs

8 THE COURT FINDS:

9 That the Plaintiffs have withdrawn Count FIVE of  
10 their Complaint herein, which relates to common law fraud and  
11 misrepresentation, with respect to which there has been  
12 insufficient evidence presented; and further,

13 That Counts EIGHT, NINE, TEN and ELEVEN of  
14 Plaintiffs' Complaint, setting forth statutory causes of action  
15 relating to fraudulent scheme, sale of unregistered securities,  
16 fraud in the sale of securities and racketeering, are merely  
17 alternative theories of recovery or causes of action, all of which  
18 are precluded by the doctrine of election of remedies, and that  
19 damages with respect thereto would result in a double or an  
20 additional recovery to Plaintiffs; and further,

21 That the Court submitted two Interrogatories to the

Dear Sir:

We are the owners of the OLD WASP MINING CLAIM, MS #1134, patented Aug. 6, 1896, located in Sec. 1, T1N, R8E, G&SRB&M, Pinal County, Arizona.

We leased this property to Fred G. Welker and Don Housley, later d.b.a. Apache Mining and Development, Inc.

The ore was milled on adjacent properties, middlings and tailings presently remaining on the following unpatented locations on B.L.M. lands; adjacent to our property:

- O.K. Millsite No. 2 AMC 157678
- O.K. Millsite No. 3 AMC 157679
- O.K. Millsite No. 4 AMC 157680

- Oxford No. 2 lode claim AMC 138597

- Annex lode claim ) (AMC 137400 Darrell Hand
- Annex lode claim ) identical property (AMC 50440 Goldfield Mines ✓
- Annex No. 1 lode claim) (AMC 159897 Gary Nichols

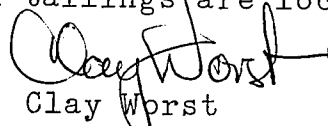

The three Annex claims are identical property, top-filed by other claimants.

Due to poor recovery, these middlings and tailings are of commercial value.

The lease under which this ore was mined is silent as to the ownership of middlings and tailings. Lessees are in default under the terms of the lease and the lease is being terminated.

To protect whatever title we have to these middlings and tailings, we wish to be of record as asserting our title to these as personal property.

We enclose multiple copies of this notice, and request that a copy be placed in the file of each of the properties upon which these middlings and tailings are located.

Sincerely,  Clay Worst  Muriel E. Worst

Mr. Ian Mackenzie

Dear Mr. Mackenzie:

Section 314(c) of the Federal Land Policy and Management Act of 1976 (FLPMA) requires an affidavit of labor or notice of intention to hold be filed on or before December 30 or postmarked by that date. Failure to file an affidavit of labor or notice of intention to hold timely shall constitute an abandonment of a mining claim and it shall be void. Attached is a copy of your 1982-1983 affidavit of labor showing a postmark and BLM "received" stamp later than December 30, 1983. A copy has been retained in our files.

On October 21, 1983, the Federal District Court for Nevada (Locke v. United States, Civil No. R-82-297 BRT) found Section 314(c) of FLPMA unconstitutional as to the conclusive abandonment of a mining claim for untimely filing of evidence of annual assessment work. On November 23, 1983 the United States appealed this ruling directly to the Supreme Court. Oral arguments will probably be heard this spring, and the Supreme Court may decide the case by mid-summer of 1984.

Pending a determination of this appeal, the Bureau will not take any action against late filings such as yours. This does not ensure your protection from a third party locating a claim over yours as the abandonment is by operation of law. You may wish to take necessary steps to protect your interest such as relocating your claim if the opportunity is available.

If you have any questions please do not hesitate to contact our Mining Claims Section at (602) 261-4183.

Mr. Darrell G. Hand, Sr.

Dear Mr. Hand:

We have received your request for a hearing to determine the validity of the mining claims serialized A MC 50440 through A MC 50454, held by Goldfield Mines, Inc. You have based this request on their failure to file any assessment work and meeting the recording deadline of October 22, 1979 on the subject mining claims.

A review of the lead case file, A MC 50440, shows four timely filed Affidavits of Labor Performed and Improvements Made, filed October 5 and October 18, 1979, respectively. In addition, our copies reflect having been recorded in both Pinal and Maricopa counties. The claims therefore appear to be in order for the subject assessment year. The records are available in our office for your review, inspection and purchase and can be certified for court for an additional fee.

It is not the purpose of the mining claim recordation Act to control or restrict locations of claims or to enter into disputes between claimants. Such disputes must be settled in State Courts.

If in the event an affidavit is not timely filed in our office, for any given assessment year, the claims involved will be declared abandoned in due course of time. The claimant is always allowed the right of appeal when voiding the possessory right to his mining claim.

Sincerely,

/s/ Robert L. Peterson

This deed of trust and assignment of rents secures the promissory note of Trustor for the amount of indebtedness set forth above, together with all interest and charges thereon, and any and all advances now or hereafter made by Beneficiary under the terms and conditions of said note or this deed of trust and assignment of rents, and any and all renewals or extensions thereof. In addition, this deed of trust and assignment of rents secures all other loans and advances by Beneficiary to Trustor when evidenced by a promissory note or notes reciting that they are secured by this deed of trust and assignment of rents.

Trustor agrees as follows:

1. To pay all taxes and assessments or other charges levied and assessed against and which constitute a lien upon the Property prior to delinquency. Trustor, if requested by Beneficiary, shall at Trustor's expense provide Beneficiary with a tax service to verify payment of taxes and assessments.

2. To perform labor and make improvements ("assessment work"), or cause the same to be performed and made, in an amount and of a type sufficient to satisfy all requirements with respect thereto of the mining laws of the United States of America and of the State of Arizona, as in effect from time to time. Unless otherwise required by amendment of said laws, assessment work shall be completed, and written notice of such completion given to Beneficiary, on or before August 1, 1982, and on or before August 1 of any subsequent year in which this instrument may be in effect. In addition, Lessor shall record an affidavit, in such form as may be prescribed by law, fully describing said assessment work, with the County Recorders of Maricopa and Pinal Counties, Arizona, respectively, and shall file a copy of said recorded affidavit with the appropriate office of the Bureau of Land Management on or before December 29, 1981, and on or before December 1 of any subsequent year in which this instrument may be in effect. Trustor shall, on or before December 29, 1981, and on or before said date in any subsequent year in which this instrument may be in effect, provide Beneficiary with a copy of said recorded affidavit together with written evidence of its filing with the Bureau of Land Management.

3. To keep the Property and its appurtenances in good condition and repair; to repair, restore, and reconstruct any portion of the Property which is damaged; not to remove or demolish any building on the Property; not to permit nor commit any waste to the Property; to pay all claims for materials and labor when due; to pay all bills for utilities and services to the Property when due; and to comply with all laws and regulations applicable to use and occupancy of the Property; all to the same extent as a prudent owner would do.

4. To defend, at Trustor's expense, any action or proceeding purporting to affect Trustor's interest

or the security hereof or the rights and powers of Beneficiary or the Trustee or seeking to impose any liability on Beneficiary or the Trustee because of any act or omission of Trustor.

5. Not to encumber, lease, or enter into any operating agreement with respect to the Property in which Trustor surrenders its interest or right of possession of the Property to any other person, firm, or corporation without the prior written consent of beneficiary. Further, Trustor agrees not to sell, transfer, assign, convey, or in any other manner dispose of the Property without paying in full the note which this deed of trust and assignment of rents secures.

6. Not to default or permit any event of default to occur under any of the leases or assignments described in Exhibit "A" hereto or under any other agreement with respect to the Property to which Trustor is a party. Anything to the contrary herein notwithstanding, Trustor may fail to pay the amount of \$50,000.00 due to Charles D. Bearup on February 25, 1982, under that agreement between Trustor and Charles D. Bearup dated December, 1979, and such failure shall not constitute a breach hereof.

In the event of failure of Trustor to pay any sum of money or charge which is the obligation of Trustor hereunder or of failure of Trustor to do any act which is the obligation of Trustor hereunder, Beneficiary may pay the same or do or cause the same to be done at Trustor's expense, and any amount expended by Beneficiary on Trustor's behalf shall be payable by Trustor to Beneficiary on demand, together with interest thereon from the date of advance until paid at the rate of 18% per annum. All such indebtedness shall be secured by this deed of trust and assignment of rents. If Beneficiary pays any prior encumbrance, Beneficiary shall be subrogated to the lien thereof, notwithstanding any release of record thereof. Anything to the contrary herein notwithstanding, should Beneficiary pay any sum or sums to Charles D. Bearup under that agreement between Trustor and Charles D. Bearup dated December, 1979, Beneficiary shall not make demand upon Trustor for the payment of, nor shall interest begin to accrue upon, such sum or sums until the expiration of 180 calendar days subsequent to the date such sum or sums are advanced. Nothing in this deed of trust and assignment of rents shall obligate Beneficiary to advance such sum or sums.

In the event of default under the note secured hereby, or in the event of any other default or breach under the terms and provisions of any other note or obligation of Trustor to Beneficiary, this deed of trust and assignment of rents, or any other agreement between Trustor and Beneficiary, the entire indebtedness and all other obligations secured hereby shall, at the option of Beneficiary, without notice, become immediately due and payable.

After default or breach, if suit is commenced, Trustor agrees that a receiver may be appointed upon the application of Beneficiary to take charge of the Property

and to do such things as shall be authorized by the court, and that any and all sums spent by such receiver, less any rents, issues and profits from the Property collected by said receiver, together with such receiver's own compensation, shall be secured by this deed of trust and assignment of rents.

After default or breach, upon the giving of notice of the time and place of sale in the manner provided by law, the Property may be sold by Trustee under the power of sale conferred hereby in the manner provided by law. The mailing address of Trustor for the purpose of mailing a copy of the notice of sale shall be the address specified above with Trustor's name, unless a subsequent request for notice of sale specifying a different address is recorded in the manner provided by law. In lieu of sale pursuant to the power of sale conferred hereby, this deed of trust, at Beneficiary's election, may be foreclosed in the same manner provided by law for the foreclosure of mortgages on real property. Neither Trustor nor any of its partners shall be liable for any deficiency, including costs and attorneys' fees, remaining after sale of the Property. Each and every provision of law relating to deeds of trust is and shall remain applicable to the respective rights and obligations of Trustor, Beneficiary, and the Trustee, and no term or provision hereof shall limit or restrict such rights or obligations, it being agreed that the omission of any express provision restating the same herein shall not constitute or render the same inapplicable or waive the same. All provisions of law relating to deeds of trust are hereby incorporated by reference herein.

After default or breach, if any sale proceeding or suit is commenced, Trustor promises to pay Beneficiary's and Trustee's reasonable attorneys' fees, the Trustee's fees and its costs and expenses in connection with such proceedings, and if suit is brought, all costs of suit. In addition, Trustor shall pay a reasonable fee for title searches made in preparation for and in the conduct of any such proceedings or suit. All of the foregoing fees and expenses shall be secured by this deed of trust and assignment of rents.

In the event of such sale, the Property may be sold, at the option of Beneficiary or the Trustee, in whole or in separate parcels, and Beneficiary or the Trustee may bid and become the purchaser at any such sale. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. The proceeds of the sale shall be applied as provided by law. The purchaser at the Trustee's sale shall be entitled to immediate possession of the Property.

All remedies of Beneficiary may be exercised concurrently or consecutively or in proceedings whether legal or equitable, and no failure of Beneficiary to exercise any rights hereunder and no delay by Beneficiary or the Trustee in the exercise of such rights shall be a waiver thereof.

Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this instrument and said note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the Property. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." In lieu of execution of a reconveyance by Trustee, Beneficiary may, execute a release or, on behalf of Trustee, execute the reconveyance, whereupon title shall be vested in the Trustor or other person or persons legally entitled thereto, and this deed of trust shall be void and of no further force nor effect.

Trustee accepts this trust when this deed of trust and assignment of rents duly executed and acknowledged, is recorded as provided by law. The Trustee may resign at any time by mailing notice thereof to Beneficiary. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party, unless brought by Trustee.

Beneficiary may, from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, in the manner provided by law. Such writing upon recordation shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the predecessor Trustee, succeed to all its title.

Time is of the essence hereof. Acceptance of payment of money after its due date shall not waive the time of the essence of this deed of trust and assignment of rents nor of said note, nor Beneficiary's right to require prompt payment of all other sums when due. No extension of time for payment or renewal of indebtedness secured hereby, nor the release from any personal liability of any person directly or contingently liable for any indebtedness secured hereby, shall affect the lien or priority of this deed of trust and assignment of rents.

The taking by Beneficiary of any other collateral for indebtedness secured hereby shall in no way affect or impair the lien or priority of this deed of trust and assignment of rents, and Beneficiary may resort to the payment of indebtedness secured hereby to its several securities in such order and manner as Beneficiary may determine.

The term "Trustor" herein shall mean all persons named as Trustor herein whether one or more, and the obligations of such persons secured hereby shall be joint and several.

This deed of trust and assignment of rents applies to, inures to the benefit of and binds all parties hereto, their heirs, personal representatives, successors, and

Re: Goldfield Mines, Inc.  
Serial #AMC50440 through 50454

Dear Mr. Peterson:

This will confirm our telephone conversation regarding the above-numbered mining claim location notices which were filed with the Bureau of Land Management on July 27, 1979.

My client, Goldfield Mines, Inc., maintains that these locations are still valid and should remain in the name of Goldfield Mines, Inc. Sometime during the latter part of July of this year, Mr. Darrell Hand filed location notices covering these same claims and at that time your office indicated that you were closing the file on the Goldfield Mines, Inc. claims. This matter is presently in litigation in the Superior Court, Maricopa County, Arizona under cause number C441913, which litigation is to determine who has the valid claims covering this particular property.

For that reason Goldfield Mines, Inc. is requesting that your office keep their file upon pending the outcome of this litigation and that upon final judgment of the Court, you will be notified which party has the valid claim.

Very truly yours,

HILL & SAVOY

From: State Director

Subject: Authorization to Testify in Civil Action No. C-441913,  
Superior Court, Maricopa County, Goldfield Mines, Inc.,  
an Arizona Corporation v. Darrell C. Hand, et al

You have been subpoenaed by plaintiff's attorney to testify in the above-styled action on August 26, 1981.

This is your authority to testify in the matter. It is hereby determined that your testimony should be limited to the custodian of the Bureau of Land Management records within the Arizona State Office.

If any records are to be introduced into evidence in the original form, please make the request that the originals be withdrawn and photostats substituted for them. In the event that you are asked, in your official capacity, to give testimony other than that related to this subject matter, you should respectfully decline to do so, referring to your lack of authority under 43 CFR Part 2. In this instance, the party requesting such additional testimony should first submit a written request for testimony in accordance with 43 CFR §2482.

Since the value of your testimony in the case arises from your official capacity, and you have been requested to testify in that capacity, you will be regarded as in your regular duty and pay status during periods of absence made necessary by the hearing; however, you are instructed to collect authorized witness fees and allowances and to turn over amounts so collected to the Chief, Branch of Financial Management, Denver Service Center.

### NOTICE

### MINING CLAIMS DECLARED ABANDONED

The Federal Land Policy and Management Act (FLPMA) of 1976, 43 U.S.C. 1744, and the implementing regulations in 43 CFR 3833.2, require an annual filing for all mining claims recorded with the Bureau of Land Management. The Act provides that failure to file evidence of annual assessment work or a notice of intention to hold by December 30 each year shall be deemed conclusively to constitute an abandonment of the claim and it is void by operation of law. The constitutionality of Section 314 of FLPMA was upheld on April 1, 1985 by the United States Supreme Court in U.S. et al v. Locke et al, No. 83-1394. PB

The Bureau of Land Management records do not show receipt of either an affidavit of annual assessment work performed or a notice of intention to hold for the claims listed on the enclosure during the year(s) cited.

If you did timely file an affidavit or notice of intention to hold with the BLM during the stated year(s), notify this office. Please present one of the following for each missing year: (1) a letter of acknowledgement from this office; (2) a postcard of acknowledgement (BLM Form 3830-1); (3) a copy of the affidavit showing the BLM date and time stamp; or (4) other evidence of receipt by our office.

The evidence must be received in this office no later than 30 days from receipt of this notice. If we do not hear from you during this 30 day period, the claim(s) listed will be removed from our records as abandoned and void by operation of law.

You have the right of appeal to the Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1.
