WYMINCO #101 Lode Mining Claim	:	AMENDED NOTICE OF LOCATION (Lode)
Wyoming Mineral Corporation 3900 So. Wadsworth Blvd. Lakewood, Colo. 80235 Owner	:	A MC No. 58445

NOTICE IS HEREBY GIVEN that the above mining claim was amended effective at noon, ~~June~~ JULY 15, 1983, by Wyoming Mineral Corporation, the owner thereof. The claim was originally located on August 13, 1976, the location notice of which is recorded in Docket 413, Page 845, rerecorded in Docket 413, Page 931, and subsequently amended on September 27, 1979, which amended notice is recorded in Docket 488, Page 788, and a map of which was recorded pursuant to A.R.S. § 27-210 in Docket 516, Page 510, of the Official Records of Gila County, Arizona.

This claim is approximately 1,500 feet (see map) in length along the vein or deposit of mineral-bearing rock in place and 300 feet in width on each side of the middle of the vein. The claim is situated in the Northeast Quarter and the Southeast Quarter of Section 30, Township 6 North, Range 14 East, G&SRM, in the Sierra Ancha (Fluorine) Mining District, Gila County, Arizona.

The notice of location is posted on a separate 2" x 2" wooden post 190' South 50° West from the East end center and 910' North 50° East from the West end center (see map). The claim is bounded by other claims and the position of its boundaries in relation to its surrounding claims and the public land survey system is shown on the map attached hereto and made a part hereof. The boundary of the claim is monumented by six 2" x 2" wooden posts, one at each corner of the claim and one at the center of each end line.

The purpose of this amended location is to correct any irregularities, errors or defects that may have existed or may exist in the original location or the record thereof, to take up all available ground that may exist by virtue of adjustment of boundaries of adjoining claims, to ensure that the end lines and side lines of the claim are parallel, and is made without waiving any rights acquired under and by virtue of the original location.

NOTICE IS HEREBY GIVEN that the above mining claim was amended effective at noon, ~~June~~ JULY 15, 1983, by Wyoming Mineral Corporation, the owner thereof. The claim was originally located on August 13, 1976, the location notice of which is recorded in Docket 413, Page 846, rerecorded in Docket 413, Page 932, and a map of which was recorded pursuant to A.R.S. § 27-210 in Docket 516, Page 510, of the Official Records of Gila County, Arizona.

This claim is approximately 1,500 feet (see map) in length along the vein or deposit of mineral-bearing rock in place and 300 feet in width on each side of the middle of the vein. The claim is situated in the Southeast Quarter of Section 29 and the Southwest Quarter of Section 30, Township 6 North, Range 14 East, G&SRM, in the Sierra Ancha (Fluorine) Mining District, Gila County, Arizona.

The notice of location is posted on a separate 2" x 2" wooden post 525' South 50° West from the East end center and 975' North 50° West from the West end center (see map). The claim is bounded by other claims and the position of its boundaries in relation to its surrounding claims and the public land survey system is shown on the map attached hereto and made a part hereof. The boundary of the claim is monumented by six 2" x 2" wooden posts, one at each corner of the claim and one at the center of each end line.

The purpose of this amended location is to correct any irregularities, errors or defects that may have existed or may exist in the original location or the record thereof, to take up all available ground that may exist by virtue of adjustment of boundaries of adjoining claims, to ensure that the end lines and side lines of the claim are parallel, and is made without waiving any rights acquired under and by virtue of the original location.

DATED and posted on the ground this 15 day of ~~June~~ JULY, 1983.
