Wadsworth Blvd. A MC No. 58681 Lakewood, Colo. 80235 Owner NOTICE IS HEREBY GIVEN that the above mining claim was amended effective at noon, $\frac{June^{July}}{July}$, 1983, by Wyoming Mineral Corporation, the owner thereof. The claim was originally located on June 19, 1954, the location notice of which is recorded in Docket 12, Page 263, and a map of which was recorded pursuant to A.R.S. § 27-210 in Docket 516, Page 501, of the Official Records of Gila County, Arizona. This claim is approximately 1,500 feet (see map) in

length along the vein or deposit of mineral-bearing rock in place and 300 feet in width on each side of the middle of the vein. The claim is situated in the Southwest Quarter of Section 18, the Northwest Quarter of Section 19, Township 6 North, Range 14 East; the Southeast Quarter of Section 13 and the Northeast Quarter of Section 24, Township 6 North, Range 13 East, G&SRM, in the Sierra Ancha (Fluorine) Mining District, Gila County, Arizona.

The notice of location is posted on a separate 2" x 2" at the SE corner of the claim from which m runs 585°41'04"W, approximately 1,500 feet The claim is bounded by other claims and the wooden post at the SE point the claim runs 585 (see map). position of its boundaries in relation to its surrounding claims and the public land survey system is shown on the map attached hereto and made a part hereof. The boundary of the claim is monumented by six 2" x 2" wooden posts, one at each corner of the claim and one at the center of each end line.

The purpose of this amended location is to correct any irregularities, errors or defects that may have existed or may exist in the original location or the record thereof, to take up all available ground that may exist by virtue of adjustment of boundaries of adjoining claims, to ensure that the end lines and side lines of the claim are parallel, and is made without waiving any rights acquired under and by virtue of the original location. This amended location also takes up the ground previously included within the BIG JOE 2-A, A MC No. 31988, and LITTLE JOE 1-A, A MC No. 31986, a fractional claim that was abandoned immediatly prior to the posting of this notice on the ground.

AMENDED NOTICE OF LOCATION

(Lode)

Wyoming Mineral Corporation 3900 So. Wadsworth Blvd. Lakewood, Colo. 80235 Owner

A MC No. 58686

NOTICE IS HEREBY GIVEN that the above mining claim was amended effective at noon, June 15, 1983, by Wyoming Mineral Corporation, the owner thereof. The claim was originally located on June 20, 1954, the location notice of which is recorded in Docket 12, Page 268, and a map of which was recorded pursuant to A.R.S. § 27-210 in Docket 516, Page 501, of the Official Records of Gila County, Arizona.

This claim is approximately 1,500 feet (see map) in length along the vein or deposit of mineral-bearing rock in place and 300 feet in width on each side of the middle of the vein. The claim is situated in the Northwest Quarter and the Southwest Quarter of Section 19, Township 6 North, Range 14 East; and the Northeast Quarter and the Southwest Quarter of Section 24, Township 6 North, Range 13 East, G&SRM, in the Sierra Ancha (Fluorine) Mining District, Gila County, Arizona.

The notice of location is posted on a separate 2" x 2" wooden post at the SE corner of the claim from which point the claim runs 585°41'04" W, approximately 1,500 feet (see map). The claim is bounded by other claims and the position of its boundaries in relation to its surrounding claims and the public land survey system is shown on the map attached hereto and made a part hereof. The boundary of the claim is monumented by six 2" x 2" wooden posts, one at each corner of the claim and one at the center of each end line.

The purpose of this amended location is to correct any irregularities, errors or defects that may have existed or may exist in the original location or the record thereof, to take up all available ground that may exist by virtue of adjustment of boundaries of adjoining claims, to ensure that the end lines and side lines of the claim are parallel, and is made without waiving any rights acquired under and by virtue of the original location.

The claim was originally located on April 26, 1954, the location notice of which is recorded in Docket 6, Page 348, and a map of which was recorded pursuant to A.R.S. § 27-210 in Docket 516, Page 505, of the Official Records of Gila County, Arizona.

This claim is approximately 1,500 feet (see map) in length along the vein or deposit of mineral-bearing rock in place and 300 feet in width on each side of the middle of the vein. The claim is situated in the Northwest Quarter of Section 29 and the Northeast Quarter of Section 30, Township 6 North, Range 14 East, G&SRM, in the Sierra Ancha (Fluorine) Mining District, Gila County, Arizona.

The notice of location is posted on a separate 2" x 2" wooden post at the SE corner of the claim from which point the claim runs S85°23'24" w, approximately 1,500 feet (see map). The claim is bounded by other claims and the position of its boundaries in relation to its surrounding claims and the public land survey system is shown on the map attached hereto and made a part hereof. The boundary of the claim is monumented by six 2" x 2" wooden posts, one at each corner of the claim and one at the center of each end line.

The purpose of this amended location is to correct any irregularities, errors or defects that may have existed or may exist in the original location or the record thereof, to take up all available ground that may exist by virtue of adjustment of boundaries of adjoining claims, to ensure that the end lines and side lines of the claim are parallel, and is made without waiving any rights acquired under and by virtue of the original location.

Hope #12 Lode Mining Claim

AMENDED NOTICE OF LOCATION (Lode)

Wyoming Mineral Corporation 3900 So. Wadsworth Blvd. Lakewood, Colo. 80235 Owner

A MC No. 58702

NOTICE IS HEREBY GIVEN that the above mining claim was amended effective at noon, June 1967, 1983, by Wyoming Mineral Corporation, the owner thereof. The claim was originally located on April 28, 1954, the location notice of which is recorded in Docket 6, Page 354, and a map of which was recorded pursuant to A.R.S. § 27-210 in Docket 516, Page 505, of the Official Pocords of Cila County, Arizona of the Official Records of Gila County, Arizona.

This claim is approximately 1,500 feet (see map) in length along the vein or deposit of mineral-bearing rock in place and 300 feet in width on each side of the middle of the vein. The claim is situated in the Northwest Quarter of Section 29, Township 6 North, Range 14 East, G&SRM, in the Sierra Ancha (Fluorine) Mining District, Gila County, Arizona.

The notice of location is posted on a separate 2" x 2" wooden post at the <u>SW</u> corner of the claim from which point the claim runs <u>N86°55'06" F</u>, approximately 1,500 feet (see map). The claim is bounded by other claims and the position of its boundaries in relation to its surrounding claims and the public land survey system is shown on the map attached hereto and made a part hereof. The boundary of the claim is monumented by six 2" x 2" wooden posts, one at each corner of the claim and one at the center of each end line.

The purpose of this amended location is to correct any irregularities, errors or defects that may have existed or may exist in the original location or the record thereof, to take up all available ground that may exist by virtue adjustment of boundaries of adjoining claims, to ensure that the end lines and side lines of the claim are parallel, and is made without waiving any rights acquired under and by virtue of the original location.

DATED and posted on the ground this 15 day of June, 1983.
