### Transfer(s) Not Processed

A conveyance document to transfer ownership of the mining claim(s) listed above was received by the Bureau of Land Management (BLM) Arizona State Office. The transfer(s) of ownership cannot be processed for the following reason(s):

In order for your submitted publishing out of a delinquent co-claimant to be finalized, the following must be filed:

- 1) Notarized affidavit attesting that you conducted a diligent search for the delinquent co-claimant, you could not locate the delinquent co-claimant, and therefore notification by publication was necessary;
- 2) An originally signed and dated statement by all compliant co-claimants that the delinquent co-claimants failed to contribute the proper proportion of assessment work, expenditures, or maintenance fees within the period fixed by statute;
- 3) \$100 to complete the transfer of interest for B.L. Smith to the nine co-claimants on AMC72813 and C.B. Mullet's interest to the ninth co-claimant on the same claim - \$240 was received which will cover the transfer of interest of C.B. Mullet to the eight co-claimants on AMC72811 and AMC72812 and eight of the nine co-claimants on AMC72813.

If appropriate, please submit a corrected conveyance document, required documents, or additional fees, within 30 days of your receipt of this notice. If the required information is not received within the 30-day timeframe, no further action will be taken, and the BLM will retain the non-refundable processing fees submitted.

If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC serial number(s) on all correspondence.

Dear Mr. Cisneros:

Enclosed are the 1980-1981 and 1981-1982 affidavits of labor performed for the Red Dog No. 1 through No. 5 mining claims, A MC 72814 through A MC 72818. As stated in our notice of September 12, 1983, you must furnish proof that affidavits were filed in this office by December 30, 1981 and December 30, 1982. (20)  
jB

We cannot accept these affidavits because they do not show they were received by BLM by these dates. Also, the regulations say affidavits must be county recorded in the calendar year they are required.

Based on these deficiencies, it would be advisable for you to relocate these claims as soon as possible so as not to further jeopardize your rights.

If you have any questions feel free to contact our Mining Claims Section (602) 261-4183.

Sincerely,

/s/ Mario L. Lopez

### NOTICE TO MINING CLAIMANTS

Your annual filing of an Affidavit of Assessment Work or Notice of Intention to Hold did not contain the required Bureau of Land Management Serial Number(s) assigned to each claim.

We have researched our records and have determined it (them) to be:

Lucy M	A MC 72810
Silver Coin #1	72811
Silver Coin #2	72812
Silver Star	72813

The Regulations under 43 CFR Subpart 3833 state: "Citing the Serial Number shall comply with the requirement in the Act to file an additional description of the Claim."

To receive proper credit in the future, in addition to naming each claim on the affidavit, always include the correct Serial Numbers assigned to each of the mining claims, mill or tunnel sites.

Sincerely,

Mario L. Lopez

**AUTHORITY:** 30 U.S.C. 28f and 43 CFR part 3834 permit collection of the information requested by this form.

**PRINCIPAL PURPOSE:** The BLM will use the information you provide to record the annual maintenance fee payment for the claims and sites listed and to verify that payment has been made in accordance with 30 U.S.C. 28f and 43 CFR part 3834.

Dear Ms. Yoas:

As per our phone conversation on Wednesday morning (9/2/98) you suggested that I put my problem in writing and send to you.

Since the initiation of the maintenance fee requirement for mining claims I have faithfully sent in the payment in check form on behalf of my father, Antonio M. Cisneros, Sr. Again this August I sent in an \$800.00 check to the address listed on the letter I included with the check. Tuesday evening when I got my mail, I received the letter back marked "return to sender - box closed". I was unaware of an address change until I talked to you this morning. You also mentioned I should send in a copy of the returned envelope. The postmark (not legible on the copy but can present the original envelope in person if needed) on the envelope verifies that the payment would have arrived on time if the address had been correct.

I ask that you consider accepting the check for the mining claims maintenance fee payment.

Thank you,

*Rose Cisneros-Leathers*
