Re: 2012 Maintenance Fees

Gentlemen:

We are enclosing two checks payable to the Department of the Interior/BLM, drawn in the amounts of \$2,100 (yearly maintenance fee of \$140 per claim x 15 claims), and \$12,040 which is the additional amount we calculate would be due under amended *statute concerning the increase in payment amount for the yearly fee. The maintenance fees are being paid for the owner of the claims, Carlow Investors, LLC, for the maintenance year beginning September 1, 2012, and ending September 1, 2013.

We have calculated the total fees based on the amendment to *Public Law 112-74 (copy enclosed for your reference) which requires payment of the claim maintenance fee for each 20 acres of the placer claim, or portion thereof. Acreage for the Carlow claims is 2,020 and we are also enclosing a listing of acreage per claim for your reference. Under the amendment, the calculation would then be 2020 acres/ $20 = 101 \times 140$ = 14,140. The two checks enclosed total 14,140. We will leave it to your decision as to whether you deposit only one of these, or both checks.

We are enclosing the "Maintenance Fee Payment" form with schedule listing these claims for filing by your office, and would ask that you please return the stamped receipt indicating it has been filed to us in the enclosed, postage paid envelope. Thank you.

Very truly yours,

T. J. Dermot Dunphy

Re: Blaser Corporation - 2003-2005 Maintenance Fees

Miss Garcia:

I represent Blaser Corporation ("Blaser"), doing business as American Sandstone. This matter involves the 2004 - 2005maintenance fees for the unpatented mining claims described on the list attached hereto.

On 9 July 2004 Blaser paid maintenance fees in the amount of \$100 per claim rather than the proper amount of \$125 per claim. The receipt Blaser received is attached.

A check in the amount of \$600 is attached which, together with the original payment, represents the amount necessary to complete the maintenance fees requirement.

Let me know if you need anything else.

W. Scott Donaldson

Very truly yours,

CERTIFICATION OF PAYMENT OF RENTAL FEE IN LIEU OF AFFIDAVIT OF ANNUAL ASSESSMENT WORK

Donald L. Blaser, being first duly sworn, deposes and says that:

- 1. He is one of the owners/agent of the following described unpatented lode and placer mining claims situated in Coconino County, Arizona (the "Claims"), the location notices of which is/are of record in said county, and in the records of the Arizona State Office of the Bureau of Land Management under the file numbers indicated on EXHIBIT A, attached hereto and incorporated therein.
- 2. Pursuant to section 10101(a) of the Omnibus Budget Reconciliation Act of August 10, 1993, P.L. 103-66, 107 Stat. 312, 405-406, 30 U.S.C.A. §28f(a), and any subsequent acts, owner/agent has paid a rental fee of \$100 per claim for the assessment year ending September 1, 1999, in lieu of recording an affidavit of performance of annual assessment work. Owner/agent further states, however, that mineral production activities have occurred upon the Claims during the past year that would have ordinarily qualified as annual assessment work.
- 3. The name and address of the owners/agents of the Claims for which this Certificate is prepared is:

WESTERN STATES STONE COMPANY INC. P.O. Box 2967 Chino Valley Arizona, 86323

4. The Claims are held and claimed by the owner/agent for the valuable mineral contained therein, and the owner/agent intends to continue development of the Claims.
