Dear Mr. Burch:

In response to your letter of January 15, 2009, please be advised I have been Florida since the first part of January and only received your letter on Monday, March 30, 2009.

I would strongly urge you in the future to send these important documents by registered or certified mail "DELIVER TO ADDRESSEE ONLY". If so addressed, it would have been directed to my temporary address in Florida.

I have prepared the enclosed Affidavit for your review and I am in no way in control of Anna Stewart as she was only using my mail box to receive mail while remodeling her home. She is my daughter but has been emancipated and on her own for at least ten years as she is 27 years of age and teaches school here in the Springfield R-12 District.

I feel it would be grossly unjust for my claims to be forfeited in any way in view of the fact that this joint letter was not received by me or Anna until the letter was discovered on March 30, 2009, and this response has been made immediately thereafter.

Should any additional confirmation or information be required, please advise immediately and we will see that all of your concerns and questions are answered.

Mr. Alvin L. Burch April 1, 2009 Page 2

Thank you for your consideration.

Very truly yours, Lean De Bussell

### **AFFIDAVIT**

THE UNDERSIGNED, KENNY STEWART, of lawful age and being duly sworn, states as follows:

Affiant states that he has been in Florida since the early part of January and only upon his return did he received notice from the United States Department of the Interior, Bureau of Land Management, letter dated January 15, 2009, addressed to his catch all Box 167 in Springfield, Missouri. Affiant states that he maintains an office in Springfield, Missouri, and is informed by his office staff that the Bureau's letter was not forwarded to him in Florida because if was addressed to affiant and Anna Stewart. The first notice received by affiant was March 30, 2009, when he retrieved the letter from his office in Springfield, Missouri, directly.

Affiant states that the letter addressed to "Kenny Stewart and Anna Stewart" was never delivered to either of them until March 30, 2009, at which time Anna Stewart, the emancipated daughter of Kenny Stewart, received same and advise affiant. Anna Stewart is the emancipated female child of affiant who teaches school in Springfield, Missouri, and the only reason her name appears on affiant's mail box is that she was in the process of remodeling a home and moving; therefore, for a period of time her mail was forwarded to affiant's post office box. Neither affiant nor Anna Stewart have an interest in each other's claims as each owns their claims individually. Affiant's claims are as follows:

Blue Bell #9	116243	Blue Bell #16	116250
Blue Bell #12	116246	Blue Bell #17	116251
Blue Bell #13	116247	Blue Bell #18	116252
Blue Bell #14	116248	Blue Bell #19	116253
Blue Bell #15	116249	Blue Bell #20	116254

Affiant states that since he did not receive the United States Department of the Interior, Bureau of Land Management, letter dated January 15, 2009, until March 30, 2009, he feels that a forfeiture of his claim would be irregular and improper due to the dual mailing of the notice and the use of an address that was not current or where he was presently located. Affiant further states that he controls his own claims listed above without any actual or legal control of any other person and affiant does not control any other claims either actually or through any power to exercise control over any claims other than those listed above. Affiant further states that he does not hold any other claims nationwide other than the ten claims listed above.

Further affiant sayeth not.

Dear Mr. Burch:

Your letter of January 15, 2009, was not received by me until March 30, 2009, since it was addressed to my father's box and his staff picked the mail up and never delivered it on to me.

While going by his office on March 30, 2009, I found the letter and advised my father of its existence at the time I read it. I think it was highly improper to send a letter to both of us at the same address without giving separate notices to each of us. If one had been addressed to me, I am sure the staff would have sent it on to my residence which is in Springfield, Missouri.

I have prepared the enclosed Affidavit to respond to the questions presented in your letter of January 15, 2009, and am forwarding it to you prior to having it recorded in Mohave County, Arizona. I hope this Affidavit explains all of the questions you presented in the letter and due to the improper mailing, the forfeiture of my claims, which would create a financial burden upon me, should not be carried out. I have responded to your inquires and hopefully answered all of your questions by this letter and my Affidavit immediately upon my actual receipt of your correspondence of January 15, 2009.

In the future, please direct any mail for my attention to the following address:

Miss Anna L. Stewart 1603 S. Kentwood Avenue Springfield, Missouri 65804 Mr. Aivin L. Burch April 1, 2009 Page 2

### **AFFIDAVIT**

THE UNDERSIGNED, ANNA LYNN STEWART, of lawful age and being duly sworn, do hereby state that I am a school teacher and counselor in the R-12 School District in Springfield, Missouri. I am twenty-seven (27) years of age, the daughter of KENNY STEWART, have never married, and have been emancipated and living on my own for over ten years. During that ten year period, I have not been a dependent of Kenny Stewart and the reason we shared a mail address for a number of months was due to my moving and remodeling the place where I presently live in Springfield, Missouri. On March 30, 2009, I became aware of the Department of Interior, Bureau of Land Management's letter of January 15, 2009, which was apparently signed for by my father's office; however, since it was addressed to him and to me, it was not forwarded to him in Florida. For reasons unknown to my father or myself, this was never delivered and this unopened letter from the Bureau was found only upon his return to Missouri. My father had been out of Springfield since January 2009 and was unaware either of us had a problem. Since this letter was addressed to both of us, it was not actually delivered to either of us until March 30, 2009.

Affiant is unaware as to why the letter of January 15, 2009, was addressed to both affiant and her father in one envelope without separate copies of the letter to each of them. I state that the following are a correct list of my ten claims at the Claim Sites in Mohave County, Arizona:

Gold Bell #1	117907	Gold Bell #10	117956
Gold Bell #2	117908	Silver Bell #11	117957
Gold Bell #17	117923	Silver Bell #12	117958
Gold Bell #18	117924	Tiger Bell #1	116255
Gold Bell #9	117955	Tiger Bell #8	116262

I have no idea why Gold Bell #10 and Silver Bell #11 were omitted from the Bureau's letter of January 15, 2009. The above are the only claims affiant has any interest in and affiant owns these claims individually with no one having any actual or legal control over same except affiant. Affiant states that she holds no other claims nationwide other than those listed above.

The Bureau of Land Management letter of January 15, 2009, indicates claims will be forfeited if no response to their letter is received within 60 days; however, I do not believe I should have my claims forfeited when I never received a notification until March 30, 2009.

Further affiant sayeth not.

(2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

#### NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

**AUTHORITY:** 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1)Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. ### NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

- Mill and tunnel sites may also be listed upon this waiver and be waived from payment of the maintenance fee. A notice of intent to hold for these sites is required to be filed by the December 30th following the filing of this waiver.

#### NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Burcau Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.
