Dear Pauline

I think that the amendments I tried to make are proper, I have done this many times.

According to my copy of 43 CFR 3833.0-5, I can amend a claim in any way so long as I do not encroach onto anyone elses claim.

I am enclosing a copy of MS 4599. You can see that if a claim has the form of a parallelogram and the WIDTH is 600 feet, the END LINES can be longer.

Apparantly, the laws have changed drastically and I did not know it.

In case you do not approve of this, I am send you a new amendment and I hope this will meet with your approval.

Sincerely

James A. Yanez
