Public Laws 102-381, 106 Stat. 1374, dated October 5, 1992, and 103-66, 107 Stat. 405, dated August 10, 1993, and the regulations implemented August 30, 1994, at 43 CFR §3833.1-5, "Maintenance fees" prescribe, unless otherwise exempted, that a \$100 maintenance fee for assessment year 1994-1995, must be paid to the Bureau of Land Management (BLM) for each mining claim, mill site, and tunnel site on or before August 31, 1994. If a qualifying Certification of Exemption From Payment of Rental Fee Form had been timely filed by August 31, 1993 for 1994, or a Maintenance Fee Payment Waiver Certification Form by August 31, 1994 for 1995, an affidavit of assessment work performed covering the mining claims and a notice of intention to hold for any mill or tunnel site (annual filing) was required to be filed, accompanied by \$5 for each claim or site on or before December 30, 1994. DECISION

MINING CLAIMS DECLARED ABANDONED

The Federal Land Policy and Management Act (FLPMA) of 1976, 43 U.S.C. 1744, and the implementing regulations in 43 CFR 3833.2, require an annual filing for all mining claims recorded with the Bureau of Land Management. The Act provides that failure to file evidence of annual assessment work or a notice of intention to hold by December 30 each year shall be deemed conclusively to constitute an abandonment of the claim and it is void by operation of law. The constitutionality of Section 314 of FLPMA was upheld on April 1, 1985 by the United States Supreme Court in U.S. et al. v. Lock et al., No. 83-1394.

The Bureau of Land Management records do not show receipt of either an affidavit of annual assessment work performed or a notice of intention to hold for the claim(s) listed on the attached sheet(s) for the 1985-1986 assessment year.

If you did timely file an affidavit or notice of intention to hold with the Bureau of Land Management during 1986, notify this office. Please furnish a copy of the affidavit <u>showing the Bureau of Land Management</u> date and time stamp or other evidence of receipt by our office.

Your proof must show the required document was timely filed with the Bureau of Land Management during 1986, otherwise, it will not be accepted. The evidence must be received in this office no later than 30 days from receipt of this decision. If the proof is not furnished during this 30 day period, the claim(s) will be removed from our records as abandoned and void.

Dear Sir:

Enclosed you will find the Affidavit of Labor Performed and Improvements made on the above referred mining claims. Regretably my secretary picked up the old numbers instead of the new ones assigned after the claims were re-located.

We have typed in the correct numbers above the old AMC numbers. Please accept this as an amendment to the original filing of September 24, 1986.

Very truly yours, Leonard N. Sower

RETAIN THE ATTACHED PHOTOCOPY AS IT IS YOUR OFFICIAL ACKNOW

In an effort to expedite the acknowledgement procedure, we have time-stamped and photocopied what was submitted to this office. This <u>DOES NOT</u> mean it has been reviewed or processed, only that it was received.

As a reminder, if you have elected to file a notice of intention to hold, do not forget to record such notices of intention to hold for lode and placer claims (not mill or tunnel sites) and all affidavits of labor, amendments and transfers of ownership with the proper county recorder.

In the future, always include the A MC serial numbers assigned to each of your claims when filing affidavits and other documents. For large groups of mining claims, it would help us a great deal to process them into the computer terminal if you would list them in serial number order consecutively. Also, please keep us advised as to your current mailing address.

CERTIFIED MAIL--RETURN RECEIPT REQUESTED

March 11, 1987

Mining Claimant(s) as Shown on the Attached Sheet Mining Claim(s) as Shown on the Attached Sheet

DECISION MINING CLAIMS DECLARED ABANDONED

The Federal Land Policy and Management Act (FLPMA) of 1976, 43 U.S.C. 1744, and the implementing regulations in 43 CFR 3833.2, require an annual filing for all mining claims recorded with the Bureau of Land Management. The Act provides that failure to file evidence of annual assessment work or a notice of intention to hold by December 30 each year shall be deemed conclusively to constitute an abandonment of the claim and it is void by operation of law. The constitutionality of Section 314 of FLPMA was upheld on April 1, 1985 by the United States Supreme Court in U.S. et al. v. Lock et al., No. 83-1394.

The Bureau of Land Management records do not show receipt of either an affidavit of annual assessment work performed or a notice of intention to hold for the claim(s) listed on the attached sheet(s) for the 1985-1986 assessment year.

If you did timely file an affidavit or notice of intention to hold with the Bureau of Land Management during 1986, notify this office. Please furnish a copy of the affidavit <u>showing the Bureau of Land Management</u> date and time stamp or other evidence of receipt by our office.

Your proof must show the required document was timely filed with the Bureau of Land Management during 1986, otherwise, it will not be accepted. The evidence must be received in this office no later than 30 days from receipt of this decision. If the proof is not furnished during this 30 day period, the claim(s) will be removed from our records as abandoned and void.

Since local and State laws may vary, you should contact your local and State agencies where the claims are located to ensure all applicable laws and requirements are satisfied.
- 2. This form should be used to pay the maintenance fee for lode mining claims, mill sites, and tunnel sites only. To pay the maintenance fee for placer mining claims, use Form 3830-5a.

NOTICES

THE PRIVACY ACT and 43 CFR 2.48(d) require that you be furnished with the following information in connection with the information requested by this form.

AUTHORITY: 30 U.S.C. 28f and 43 CFR part 3834 permit collection of the information requested by this form. **PRINCIPAL PURPOSE:** The BLM will use the information you provide to record the annual maintenance fee payment for the claims and sites listed and to verify that payment has been made in accordance with 30 U.S.C. 28f and 43 CFR part 3834.

ROUTINE USES: The BLM will only disclose this information in accordance with the provisions at 43 CFR 2,56(b) and (c).

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of the requested information is required by 30 U.S.C. 28f and 43 CFR part 3834 for claimants paying the annual maintenance fee. The use of this specific form when paying the maintenance fee is optional. However, when paying the maintenance fee, it is the requested information on this form that is required to be submitted along with the fee. Failure to submit all the required information will delay the BLM's processing of the information and may preclude the BLM's acceptance of the maintenance fee payment, which may result in forfeiture of the mining claim(s) or site(s) by the claimant.

U.S. Dept. of Interior Bureau of Land Management Arizona State Office 222 N. Central Ave. Phoenix, Az 85004-2203 ATTN. AZ952.3 Yoas

Dear Ms. Yoas:

As per our phone conversation on Wednesday morning (9/2/98) you suggested that I put my problem in writing and send to you.

Since the initiation of the maintenance fee requirement for mining claims I have faithfully sent in the payment in check form on behalf of my father, Antonio M. Cisneros, Sr. Aqain August I sent in an \$800.00 check to the address this listed on the letter I included with the check. Tuesday evening when I got my mail, I received the letter back marked "return to sender - box closed". I was unaware of an address change until I talked to you this morning. You also mentioned I should send in a copy of the returned envelope. The postmark (not legible on the copy but can present the original envelope in person if needed) on the envelope verifies that the payment would have arrived on time if the address had been correct.

I ask that you consider accepting the check for the mining claims maintenance fee payment.

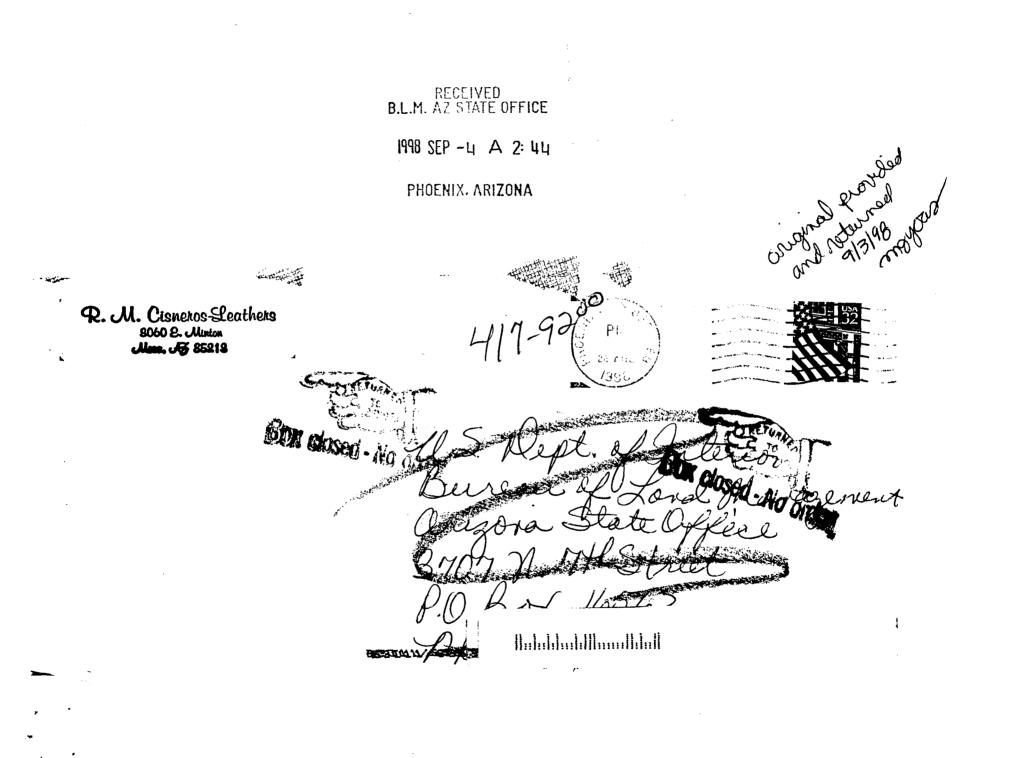

Thank you, eathers esv
