Affidavits of Non-Contribution of Maintenance Fees Rejected

On March 14, 2000, Affidavits of non-contribution of maintenance fees were received by the Bureau of Land Management for the above listed mining claims. The Affidavits cannot be accepted as filed because a verbal notice is not sufficient proof that the delinquent co-owner received the notice.

According to the regulations as found in 43 CFR 3851.4 the notice must be given by one of the following methods. Publication in a **newspaper** published nearest the claim for at least once a week for 90 days (13 weekly publications). If, upon the expiration of 90 days, after such notice, or upon the expiration of 180 days after the first newspaper publication of notice, the delinquent co-owner shall have failed to contribute the proportionate share of such expenditures of improvements, such interest in the claim by law passes to the co-owners who have made the expenditures or improvements.

Notice may also be given to a delinquent co-owner by certified mail **restricted delivery**, or by personal service. If a written Notice is given to the delinquent co-owner by **personal service**, the co-owner should have a witness to the delivery and the witness and co-owner must sign and submit a notarized affidavit explaining how, and when, the delivery of the written notice was made.

The Notice should identify the claim names and the BLM assigned serial numbers. More than one claim may be included in the notice. However, if the claims are not held by the same persons, separate notices must be given for each group held in common ownership.

One Notice may be given covering expenditures incurred for more than one assessment year. The Notice should specify the year, or years, for which contributions are requested. The amount expended should equal or exceed \$100 per claim in the year the co-owner failed to contribute.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) or 43 CFR 2804.1 for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If no appeal, or noncompliance, with the above occurs, this decision constitutes final administrative action of this Department as it affects the mining claims. No appeal, protest or petition for reconsideration will be entertained from this decision after the appeal period has expired. A refund of the \$180.00 paid for the amendments will be authorized when the appeal become final. Please allow six to eight weeks to process.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Dorie Morrison at (602) 417-9355.

The BLM records show the subject mining claims located on private land patented under the Stock Raising Homestead Act of December 29, 1916, (43 U.S.C. 299) (SHRE). The minerals were reserved by the United States in Patent Numbers 799504, issued March 14, 1921; 814891, issued July 21, 1921; and 1021545, issued December 12, 1928.

No rights were obtained to any portion of the mining claims which overlap private land where no surface or minerals were reserved by the United States. Copies of the Master Title Plats showing the reservation of minerals in the SHRE patents, maps of the location of the mining claims, and Serial Register pages listing the claimants name and address are enclosed for reference.

Re: Photocopy enclosed

Ms. Mary Jo Yoas,

You will find enclosed, herewith, a photocopy of your letter dated December 17, 1998 as would regards mining claims AMC67975 through AMC 67983, AMC 103278, AMC 75620 through ACM 75637 and ACM 253698 through ACM 253703.

These claims are on lands owned in fee by myself and others.

I would like to ascertain who the rightful claim holder is based upon your notification to the individuals mentioned and also obtain a photocopy of the filings by the respective parties.

Are there any other claims know to you wherein the lands are owned by individuals and not that of Federal Lands or State Lands?

A prompt reply would be most appreciated. Thank you.

Very truly yours,

Commonwealth Silver & Gold Corp., authorized to do business in the State of Arizona has complied with the Final Rule as published in the Federal Register which implements provisions of the Interior Department and the related agencies' Consolidated Appropriations Act, 2012 (the FY 2012 Act), Pub. L. No. 112-74, 125 Stat. 786, enacted on December 23, 2011, amending the Omnibus Budget Reconciliation Act of 1993 (30 U.S.C 28f) which had established an initial and maintenance fee payment for all lode and placer mining claims and mill sites and tunnel sites on a per-claim basis.

In accordance with Sec. 430 of the FY 2012 Act, the maintenance fee payment for placer mining claims has been calculated based on the total acreage in the claim. The maintenance fee for lode claims, mill sites and tunnel sites continues to be \$155.00 per claim or site.

This will serve as notice that Commonwealth Silver & Gold Corp., whose address for purposes of this filing is 5210 E. Williams Circle, #730, Tucson, Arizona, 85711, intends to hold the mining claims and/or mill sites as described in Exhibit "A" hereto for the assessment years 2018/2019, by payment of the annual claim maintenance fee of \$155.00 per claim or mill site. Payment of \$23,715.00 is made herewith for such assessment year for each of the unpatented lode claims and mill sites. The name, serial number, book and page or index number of the recording of the location notices are in the official records of Cochise County, Arizona, which are set forth in Exhibit "A" attached hereto and by this reference incorporated herein.

NOTICE OF INTENT TO HOLD Commonwealth Silver & Gold Corporation

To Whom It May Concern:

Commonwealth Silver & Gold Corp., authorized to do business in the State of Arizona has complied with the Final Rule as published in the Federal Register which implements provisions of the Interior Department and the related agencies' Consolidated Appropriations Act, 2012 (the FY 2012 Act), Pub. L. No. 112-74, 125 Stat. 786, enacted on December 23, 2011, amending the Omnibus Budget Reconciliation Act of 1993 (30 U.S.C 28f) which had established an initial and maintenance fee payment for all lode and placer mining claims and mill sites and tunnel sites on a per-claim basis.

In accordance with Sec. 430 of the FY 2012 Act, the maintenance fee payment for placer mining claims has been calculated based on the total acreage in the claim. The maintenance fee for lode claims, mill sites and tunnel sites continues to be \$155.00 per claim or site.

Williams Circle, #730, Tucson, Arizona, 85711, intends to hold the mining claims and/or mill sites as described in Exhibit "A" hereto for the assessment years 2017/2018, by payment of the annual claim maintenance fee of \$155.00 per claim or mill site. Payment of \$23,715.00 is made herewith for such assessment year for each of the unpatented lode claims and mill sites. The name, serial number, book and page or index number of the recording of the location notices are in the official records of Cochise County, Arizona, which are set forth in Exhibit "A" attached hereto and by this reference incorporated herein.

Hi Leslie,

I processed the maintenance fee payment for 153 mining claims (Receipt #3964229) registered to Commonwealth Silver and Gold Corp. I would like for you to email me a scanned copy of the document dated Aug 29, 2017, that you submitted with the payment of \$24,025.00.

According to my report, I believe Commonwealth Silver and Gold Corp. (listed at two different addresses: 5210 E Williams Cir and 5357 E Timrod St) has a total of 153 active Lode claims. Therefore the total due for the 153 claims would have been \$23,715.00 (\$155X153). If you did not intend to pay for anything else, you will be refunded the overpaid amount of \$310.00.

I have been searching for the misplaced document but cannot seem to locate it at this time. I want to process a refund request asap, but without the copy of the submitted document, I cannot do so; Please help.

Thank you kindly,

Hello Pauline,

Attached is the receipt and NOITH for the 155 claims filed on 8/29/17.

The BLM agent and I both recounted the number of claims and came up with 155, that is why I paid the additional \$310.00. Please let me know what your count is as I am a little confused. The person who created the list and count only came up with 153 claims.

You may call at any time; but unless you have other claims listed under a different name or company, this is all I come up with when I run a customer report on Commonwealth. If you ever have a change of address, you will need to send in a change of address request. Other than that, we cannot update an address until we receive something in writing requesting us to do so.

NOTICE OF INTENT TO HOLD

By Ralph M. Cartmell, Vivian M. Cartmell, Martha E. Cartmell and David W. Cartmell

(Under Option to Commonwealth Silver & Gold Corporation)

To Whom It May Concern:

Ralph M. Cartmell et al, authorized to do business in the State of Arizona has complied with the Final Rule as published in the Federal Register which implements provisions of the Interior Department and the related agencies' Consolidated Appropriations Act, 2012 (the FY 2012 Act), Pub. L. No. 112-74, 125 Stat. 786, enacted on December 23, 2011, amending the Omnibus Budget Reconciliation Act of 1993 (30 U.S.C 28f) which had established an initial and maintenance fee payment for all lode and placer mining claims and mill sites and tunnel sites on a per-claim basis.

In accordance with Sec. 430 of the FY 2012 Act, the maintenance fee payment for placer mining claims has been calculated based on the total acreage in the claim. The maintenance fee for lode claims, mill sites and tunnel sites continues to be \$155.00 per claim or site.

This will serve as notice that Commonwealth Silver & Gold Corp, whose address for purposes of this filing is 5210 E. Williams Circle, #730, Tucson, Arizona, 85711, intends to hold the mining claims and/or mill sites as described in Exhibit "A" hereto for the assessment years 2016/2017, by payment of the annual claim maintenance fee of \$155.00 per claim or mill site. Payment of \$5,270.00 is made herewith for such assessment year for each of the unpatented lode claims and mill sites. The name, serial number, book and page or index number of the recording of the location notices are in the official records of Cochise County, Arizona, which are set forth in Exhibit "A" attached hereto and by this reference incorporated herein.

Sincerely,

Richard D. Darling

Agent for Commonwealth Silver & Gold Corp.
