Transfer Not Processed  
Maintenance Fee Waiver Held for Rejection

On September 2, 2008, this office received a death certificate for Neil R. Reed, two Quit Claim Deeds (QCD) for nine mining claims, and a maintenance fee waiver certification (waiver) for the same nine claims.

The QCD's cannot be processed as filed. In addition to the death certificate, we require proof that Joy Reed has authority to sign on behalf of Neil Reed. This can be a document from probate court declaring the executor of the will. If there are no probate documents, you may furnish a notarized statement as to who has signing authority for Neil Reed. In addition to that document, if the executor is Joy Reed, the QCD's should reflect that Joy Reed is signing on behalf of Neil Reed as executor of his estate. If we do not receive the corrected QCD's within 30 days, the QCD's will not be processed, and we will keep the filing fee.

If the QCD's are corrected, the waiver can be processed as filed, then your annual filing would be complete. If the QCD's are not corrected, then the waiver submitted does not contain the correct signatures and does not meet the annual filing requirements. In accordance with Title 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form.

If the waiver needs to be corrected and you are unable to provide the required information, you have the option of paying the annual maintenance fee for \$125.00 per claim. Per 43 CFR 3835.93, the corrected waiver or the maintenance fee payment must be submitted within 60 days of your receipt of this notice. If neither is received within the 60 day timeframe, the claims will be declared forfeited and closed.

Please include your AMC serial number on all correspondence. If additional information is required, please call Tony Smith at 602-417-9355.

Transfer Not Processed  
Maintenance Fee Waiver Held for Rejection

On September 2, 2008, this office received a death certificate for Neil R. Reed, two Quit Claim Deeds (QCD) for nine mining claims, and a maintenance fee waiver certification (waiver) for the same nine claims.

The QCD's cannot be processed as filed. In addition to the death certificate, we require proof that Joy Reed has authority to sign on behalf of Neil Reed. This can be a document from probate court declaring the executor of the will. If there are no probate documents, you may furnish a notarized statement as to who has signing authority for Neil Reed. In addition to that document, if the executor is Joy Reed, the QCD's should reflect that Joy Reed is signing on behalf of Neil Reed as executor of his estate. If we do not receive the corrected QCD's within 30 days, the QCD's will not be processed, and we will keep the filing fee.

If the QCD's are corrected, the waiver can be processed as filed, then your annual filing would be complete. If the QCD's are not corrected, then the waiver submitted does not contain the correct signatures and does not meet the annual filing requirements. In accordance with Title 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form.

If the waiver needs to be corrected and you are unable to provide the required information, you have the option of paying the annual maintenance fee for \$125.00 per claim. Per 43 CFR 3835.93, the corrected waiver or the maintenance fee payment must be submitted within 60 days of your receipt of this notice. If neither is received within the 60 day timeframe, the claims will be declared forfeited and closed.

Please include your AMC serial number on all correspondence. If additional information is required, please call Tony Smith at 602-417-9355.

"DURABLE" GENERAL POWER OF ATTORNEY  
Instructions and Form

**GENERAL INSTRUCTIONS:** Use this Durable General Power of Attorney form if you want to authorize someone to handle your financial affairs if you become unable to do so in the future, or if you simply want someone to handle these things for you. A "Durable" General Power of Attorney allows you to name a representative to make legally binding decisions regarding your money, property, and other assets. Read the "General Information" to learn more about this important document. Also, you should check with your bank and other financial institutions to determine if they will accept this form of Durable General Power of Attorney or if they require you to sign their own form.

Be sure you understand the importance of this document before you sign it. Talk to your family members, friends, and others you trust about your choices. Also, it is a good idea to talk with a lawyer before you sign any important legal document, including this form. If you decide this is the form you want to use, complete the form. **Do not sign this form until your witness and a Notary Public are present to witness the signing.** There are further instructions for you about signing this form on page 2.

**NOTICE:** Before you sign a Durable General Power of Attorney, you should consult a lawyer. It is important for you to be aware of not only the benefits but also the possible disadvantages of signing this document. Be sure you understand the extent of the power you are giving your representative over your business and financial affairs and the harm your representative could cause you if he/she uses bad judgment or is unscrupulous about protecting your property.

3. When I want this Durable General Power of Attorney to become effective:

**NOTE:** Initial or mark A or B below. You can make a Durable General Power of Attorney effective immediately, or only if and when you are disabled or incapacitated and can no longer make your own financial decisions. "Incapacitated" means mentally or physically impaired so that you lack sufficient understanding or capacity to make or communicate responsible decisions about yourself. This decision might be made by a physician, psychologist, or another health care professional who can evaluate if you are incapacitated. Talk to a lawyer who can advise you how and by whom your incapacity or disability can be determined.

- A. I DO NOT WANT This Power to be Effective Unless and Until I Become Unable or Lack Capacity to Make My Own Financial and Business Decisions: I want to allow my representative to act for me only if and when I become disabled or lack capacity to handle my own decisions.
- B. I DO WANT This Power to be Effective Immediately and to Last Even if I Become Disabled. I expressly want to allow my representative to act for me from this point on regardless of how much time passes. NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies, when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that: This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Clearance Officer (WO-620), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

PHOENIX, ARIZONA

**GENERAL INSTRUCTIONS:** Use this Durable General Power of Attorney form if you want to authorize someone to handle your financial affairs if you become unable to do so in the future, or if you simply want someone to handle these things for you. A "Durable" General Power of Attorney allows you to name a representative to make legally binding decisions regarding your money, property, and other assets. Read the "General Information" to learn more about this important document. Also, you should check with your bank and other financial institutions to determine if they will accept this form of Durable General Power of Attorney or if they require you to sign their own form.

Be sure you understand the importance of this document before you sign it. Talk to your family members, friends, and others you trust about your choices. Also, it is a good idea to talk with a lawyer before you sign any important legal document, including this form. If you decide this is the form you want to use, complete the form. **Do not sign this form until your witness and a Notary Public are present to witness the signing.** There are further instructions for you about signing this form on page 2.

**NOTICE:** Before you sign a Durable General Power of Attorney, you should consult a lawyer. It is important for you to be aware of not only the benefits but also the possible disadvantages of signing this document. Be sure you understand the extent of the power you are giving your representative over your business and financial affairs and the harm your representative could cause you if he/she uses bad judgment or is unscrupulous about protecting your property.

Talk to a lawyer who can advise you how and by whom your incapacity or disability can be determined.

**NOTICE/BURDEN HOURS STATEMENT**

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

**AUTHORITY:** 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

**PRINCIPLE PURPOSE:** This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

**ROUTINE USE:** (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Clearance Officer (WO-630), Mail Stop 401 LS, 199 C St., N.W., Washington, D.C. 20240.

**NOTICE/BURDEN HOURS STATEMENT**

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

**AUTHORITY:** 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

**PRINCIPLE PURPOSE:** This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

**ROUTINE USE:** (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

3. You must still record your affidavit of assessment work for claims listed and/or Notices of Intention to Hold for any sites listed with the BLM by each December 30th, and the local recording office under State law, as in the past.
4. This waiver must be filed in the BLM State Office where the mining claims are recorded.
5. If the claims and sites are located in more than one State, a separate waiver form must be filed in each State in which they are held. The total number of claims and sites listed on separate waiver forms cannot exceed ten.
6. All claim names and Bureau of Land Management (BLM) serial numbers must be listed for all mining claims and sites for which a waiver is sought.

7. All owners and their addresses must be listed.

Mining claims and sites held in co-ownership, or by an association of locators, by a partnership, or by a corporation shall be counted towards the 10 claim limit for claimants that have an interest in those entities.
10. Failure to pay the maintenance fee or meet the requirements for waiver from payment of the maintenance fee by any August 31st deadline for the following assessment year shall cause the mining claims and sites to be declared null and void.

**NOTICE**

The Privacy Act of 1974 and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of exemption from rental fees form.

**AUTHORITY:** 30 U.S.C. 28-28c; 43 U.S.C. 1201, 1740, and 1744; and the Act of August 10, 1993 (107 Stat. 312); 43 CFR 3833 and 3850.

**PRINCIPLE PURPOSE:** This information is to be used to verify that the owner(s) of a mining claim has complied with the Act of August 10, 1993 (107 Stat. 312), and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

**ROUTINE USE:** (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by the Act of August 10, 1993 (107 Stat. 312). (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. Failure to supply the information required in this form to support the owner(s) certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims declared null and void by the Bureau of Land Management (BLM).

The Paperwork Reduction Act of 1980 (44 U.S.C. 3501, et seq.) requires us to tell you this:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining-claim maintenance fee established by the Act of August 10, 1993 (107 Stat. 312) and the implementing regulations at 43 CFR 3833 and 3850.
