Mining Claims Declared Forfeited

The mining claims listed above are hereby declared forfeited for failure to file the required Affidavit of Performance of Annual Work on or before December 30, 2003.

Pursuant to regulations found at 43 CFR 3835.31, an Affidavit of Performance of Annual Work must have been filed on or before December 30, 2003, along with a \$5.00 service charge per claim or the claim is forfeited (43 CFR 3835.91). Your Affidavit of Performance of Annual Work was received in this office on January 5, 2004, with the postmark of December 31, 2003. The postmark was required to be on or before December 30, 2003.

You are required to reclaim all areas disturbed by your activities on lands encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For lands administered by the BLM, if you fail to reclaim the lands to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

2. The claimant(s) must fill in the dates in paragraph 1 for the beginning and ending of the assessment year for which this waiver is sought.
3. The claimant(s) must fill in the date in paragraph 2 for the beginning of the assessment year for which this waiver is sought.

5. All owners of the mining claims, mill sites, and tunnel sites and their addresses must be given.
6. This waiver form must be signed by all the claimants or their designated agent, in original form. If an agent is designated, a notarized designation of agent, signed by all of the claimants with proper address given, must be submitted with this waiver.
7. This form must be filed no later than September 1st for the upcoming assessment year in the BLM State Office where the mining claims or sites are recorded, or the waiver cannot be granted by the BLM. (Example: To obtain a waiver for the assessment year 2012, which begins on September 1, 2011, you must qualify for and file for a waiver no later than September 1, 2011, in the proper BLM State Office.)
8. For all mining claims which require assessment work, you must record an affidavit of labor on or before the December 30th immediately following the filing of this waiver. SMALL MINER WAIVER INFORMATION

1. **CURRENT FORMS.** Please use the most current waiver form for future filings. You can check on our website, blm.gov/az for the most current form. You should also use a current form for your Affidavit of Labor.
2. **FILING REQUIREMENTS.** Please keep in mind the requirements to qualify for a small miner waiver.
 - a) You are certifying when you sign the waiver that you and all related parties hold no more than a total of 10 mining claims or sites nationwide. "Related Parties" means a) the spouse and dependent children of the claimant or; b) a person who controls, is controlled by, or is under common control with the claimant.
 - b) **NEW - If you file a waiver, you must continue to own or control 10 or less claims during the entire assessment year. If at any time during the year you locate or acquire additional claims that put you over the 10 claim limit, your waiver is immediately canceled and you must pay the maintenance fees for the claims on the waiver.**
 - c) It is fraud against the Government to file a waiver you do not qualify for. As stated on the waiver you sign, the filing or recording of a false, fictitious, or fraudulent document with the Bureau of Land Management may result in a fine of up to \$250,000, a prison term not to exceed five years, or both.
3. **FILLING OUT THE WAIVER FORM CORRECTLY.** All waiver requests must include:
 - a) The names and **current** addresses of all claimants.
 - b) The original signatures of all claimants or original signature of the authorized agent.
 - c) The names and BLM serial numbers of the mining claims for which you are requesting a waiver.
 - d) The assessment year for which you are seeking a waiver.
 - e) If you are signing as an agent you **must** still include all names and addresses of all claim owners on the form; sign next to each name and indicate that you are signing on their behalf as an agent; provide a Power of Attorney for each claimant you sign on behalf of.
 - f) If you are signing on behalf of a company, enter the company name and address; sign your name and indicate in what capacity you are signing, i.e. President, Vice President, etc.
4. **SWITCHING BETWEEN WAIVER AND MAINTENANCE FEE/TRANSFERRING CLAIMS UNDER A WAIVER.**

Be very careful if switching between a waiver and maintenance fee, and when transferring a claim that is under a waiver.

 - a) If it is the first time you file a waiver, you must file a Notice of Intent to Hold, on or before December 30 immediately following the filing of the waiver. **AND**, you must also file an Affidavit of Labor on or before the following December 30.
 - b) If you filed a waiver for the current assessment year and then choose to file a maintenance fee the next year, you **MUST STILL** file the Affidavit of Labor by December 30. **Example:** On or before September 1, 2011, you filed a waiver for the 2012 assessment year. Then on or before September 1, 2012, you pay the maintenance fee for the 2013 assessment year. You **MUST STILL** file the Affidavit on or before December 30, 2012, for the 2012 assessment year to fulfill the waiver you filed. Paying your maintenance fee on or before September 1, 2012, for the 2013 assessment year does not alleviate this requirement.
 - c) If you transfer ownership of a mining claim that is under a waiver for the current assessment year be sure to inform the new owner of the requirement to file the Affidavit of Labor for that assessment year. This requirement does not go away because you transferred the claim.
 - d) If you transfer ownership of a mining claim that is under a waiver for the current assessment year and the new owner does not qualify for a small miner waiver, the waiver is immediately cancelled and the new owner must pay the maintenance fee for that year prior to the upcoming September 1. They must also pay the maintenance fee for the new assessment year that begins on September 1.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

(2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

Failure to supply the information required in this form to support the owner(s) certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims declared null and void by the Bureau of Land Management (BLM).

The Paperwork Reduction Act of 1980 (44 U.S.C. 3501, et seq.) requires us to tell you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim maintenance fee established by the Act of August 10, 1993 (107 Stat. 312) and the implementing regulations at 43 CFR 3833 and 3850. A response to this request is required in accordance with the statute (107 Stat. 312) to retain your benefit.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974 and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of exemption from rental fees form.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1740, and 1744; 43 CFR 3833 and 3850.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) of a mining claim has complied with the Act of August 10, 1993 (107 Stat. 312), and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by the Act of August 10, 1993 (107 Stat. 312). (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by the Act of August 10, 1993 (107 Stat. 312) and 43 CFR 3833 for those owner(s) wishing to take the small miners waiver allowed under 43 CFR 3833 and 3850. Failure to supply the information required in this form to support the owner(s) certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims declared null and void by the Bureau of Land Management (BLM).

The Paperwork Reduction Act of 1980 (44 U.S.C. 3501, et seq.) requires us to tell you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim maintenance fee established by the Act of August 10, 1993 (107 Stat. 312) and the implementing regulations at 43 CFR 3833 and 3850. A response to this request is required in accordance with the statute (107 Stat. 312) to retain your benefit.

Public reporting burden for this form is estimated to average 8 minutes per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the Department of the Interior, Bureau of Land Management, Information Collection Clearance Officer (DW-101) Denver Federal Center, Building 40, P.O. Box 25047, Denver, CO 80225-0047 and the Office of Management and Budget, Paperwork Reduction Project (1004-0114), Washington, D.C. 20503.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Dear Ms. Yoas,

Enclosed please find an Affidavit of Assessment Work. Please file it and return it to the above address. In reference to your letter dated September 30, 1997 (see copy enclosed), it appears that the filing fees were prematurely paid (see copy of receipt enclosed) when the maintenance fee payment waiver certification was filed and further payment is not required. The address as it appears above is the correct address.

INSTRUCTIONS

1. This certification of waiver from payment of maintenance fees is made under the provisions of the Act of August 10, 1993 (107 Stat. 312 [1993]), and §1744 of Title 43 and §28-28k of Title 30 of the United States Code; and the regulations thereunder (43 CFR 3833 and 3850).
2. This waiver must be filed in advance of the assessment year for which a waiver is sought, but in no event be filed later than the August 31st preceding the assessment year for which the waiver is sought.
3. You must still record your affidavit of assessment work for claims listed and/or Notices of Intention to Hold for any sites listed with the BLM by each December 30th, and the local recording office under State law, as in the past.
4. This waiver must be filed in the BLM State Office where the mining claims are recorded.
5. If the claims and sites are located in more than one State, a separate waiver form must be filed in each State in which they are held. The total number of claims and sites listed on separate waiver forms cannot exceed ten.
6. All claim names and Bureau of Land Management (BLM) serial numbers must be listed for all mining claims and sites for which a waiver is sought.

7. All owners and their addresses must be listed.
8. This waiver form must be signed by all of the owners or their designated agent. If an agent is designated, a statement appointing the agent, must be submitted with this certification, if a designation of agent is not currently on file with the BLM State office where your claims and sites are recorded.
9. Mining claims and sites held by a husband and wife, either jointly or individually, or their children under the age of discretion, shall be counted towards the 10 claim limit. Mining claims and sites held in co-ownership, or by an association of locators, by a partnership, or by a corporation shall be counted towards the 10 claim limit for claimants that have an interest in these entities.
10. Failure to pay the maintenance fee or meet the requirements for waiver from payment of the maintenance fee by any August 31st deadline for the following assessment year shall cause the mining claims and sites to be declared null and void.

NOTICE

The Privacy Act of 1974 and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of exemption from rental fees form.

AUTHORITY: 30 U.S.C. 28-28e; 43 U.S.C. 1201, 1740, and 1744; and the Act of August 10, 1993 (107 Stat. 312); 43 CFR 3833 and 3850.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) of a mining claim has complied with the Act of August 10, 1993 (107 Stat. 312), and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by the Act of August 10, 1993 (107 Stat. 312). (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the

Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by the Act of August 10, 1993 (107 Stat. 312) and 43 CFR 3833 for those owner(s) wishing to take the small miners waiver allowed under 43 CFR 3833 and 3850. Failure to supply the information required in this form to support the owner(s) certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims declared null and void by the Bureau of Land Management (BLM).

The Paperwork Reduction Act of 1980 (44 U.S.C. 3501, et seq.) requires us to tell you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim maintenance fee established by the Act of August 10, 1993 (107 Stat. 312) and the implementing regulations at 43 CFR 3833 and 3850. A response to this request is required in accordance with the statute (107 Stat. 312) to retain your benefit.

BURDEN HOURS STATEMENT

Public reporting burden for this form is estimated to average 5 minutes per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the Department of the Interior, Bureau of Land Management, Information Collection Clearance Officer (871), 1849 C Street, N.W., Washington, D.C. 20240; and the Office of Management and Budget, Paperwork Reduction Project (1004-0114), Washington, D.C. 20503.

INSTRUCTIONS

1. This certification of waiver from payment of maintenance fees is made under the provisions of the Act of August 10, 1993 (107 Stat. 312 [1993]), and §1744 of Title 43 and §28-28k of Title 30 of the United States Code; and the regulations thereunder (43 CFR 3833 and 3850).
2. This waiver must be filed in advance of the assessment year for which a waiver is sought, but in no event be filed later than the August 31st preceding the assessment year for which the waiver is sought.
3. You must still record your affidavit of assessment work for claims listed and/or Notices of Intention to Hold for any sites listed with the BLM by each December 30th, and the local recording office under State law, as in the past.
4. This waiver must be filed in the BLM State Office where the mining claims are recorded.
5. If the claims and sites are located in more than one State, a separate waiver form must be filed in each State in which they are held. The total number of claims and sites listed on separate waiver forms cannot exceed ten.
6. All claim names and Bureau of Land Management (BLM) serial numbers must be listed for all mining claims and sites for which a waiver is sought.
7. All owners and their addresses must be listed.
8. This waiver form must be signed by all of the owners or their designated agent. If an agent is designated, a statement appointing the agent, must be submitted with this certification, if a designation of agent is not currently on file with the BLM State office where your claims and sites are recorded.
9. Mining claims and sites held by a husband and wife, either jointly or individually, or their children under the age of discretion, shall be counted towards the 10 claim limit. Mining claims and sites held in co-ownership, or by an association of locators, by a partnership, or by a corporation shall be counted towards the 10 claim limit for claimants that have an interest in these entities.
10. Failure to pay the maintenance fee or meet the requirements for waiver from payment of the maintenance fee by any August 31st deadline for the following assessment year shall cause the mining claims and sites to be declared null and void.

NOTICE

The Privacy Act of 1974 and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of exemption from rental fees form.

AUTHORITY: 30 U.S.C. 28-28e; 43 U.S.C. 1201, 1740, and 1744; and the Act of August 10, 1993 (107 Stat. 312); 43 CFR 3833 and 3850.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) of a mining claim has complied with the Act of August 10, 1993 (107 Stat. 312), and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by the Act of August 10, 1993 (107 Stat. 312). (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the

Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by the Act of August 10, 1993 (107 Stat. 312) and 43 CFR 3833 for those owner(s) wishing to take the small miners waiver allowed under 43 CFR 3833 and 3850. Failure to supply the information required in this form to support the owner(s) certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims declared null and void by the Bureau of Land Management (BLM).

The Paperwork Reduction Act of 1980 (44 U.S.C. 3501, et seq.) requires us to tell you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim maintenance fee established by the Act of August 10, 1993 (107 Stat. 312) and the implementing regulations at 43 CFR 3833 and 3850. A response to this request is required in accordance with the statute (107 Stat. 312) to retain your benefit.
