MINING CLAIMS, MILL SITES, AND TUNNEL SITES DECLARED ABANDONED

Public Laws 102-381, 106 Stat. 1374, dated October 5, 1992, and 103-66, 107 Stat. 405, dated August 10, 1993, and the regulations implemented August 30, 1994, at 43 CFR §3833.1-5, "Maintenance fees" prescribe, unless otherwise exempted, that a \$100 maintenance fee for assessment year 1994-1995, must be paid to the Bureau of Land Management (BLM) for each mining claim, mill site, and tunnel site on or before August 31, 1994. If a qualifying Certification of Exemption From Payment of Rental Fee Form had been timely filed by August 31, 1993 for 1994, or a Maintenance Fee Payment Waiver Certification Form by August 31, 1994 for 1995, an affidavit of assessment work performed covering the mining claims and a notice of intention to hold for any mill or tunnel site (annual filing) was required to be filed, accompanied by \$5 for each claim or site on or before December 30, 1994. Failure to pay the maintenance fee by August 31, 1994, or if qualified, to file the annual filing by December 30, 1994, shall conclusively constitute an abandonment of the mining claim, mill site, or tunnel site, which shall be void.

The BLM records do not show receipt of the maintenance fee payment for the mining claim(s), mill site(s), and tunnel site(s) listed on the enclosed sheet(s) on or before August 31, 1994, or if qualified, an annual filing on or before December 30, 1994. If the maintenance fee was timely paid to the BLM, Arizona State Office for 1995, by August 31, 1994, or if qualified, an affidavit of assessment work performed for mining claims or a notice of intention to hold for mill or tunnel sites for 1994, was filed by December 30, 1994, please furnish a copy of the BLM receipt for payment and the BLM timely stamped document listing the mining claims or sites and the BLM serial numbers. The evidence must be received in this office no later than 30 days from receipt of this Decision. If the proof is not furnished during the 30-day period, the mining claim(s), mill site(s), and tunnel site(s) will be removed from the BLM records as abandoned and void.

If additional information is required, please call (602) 650-0518.

Mr. Robert H. Jones

Dear Mr. Jones:

This is in reply to your letter of November 4, 1994, requesting a refund of \$400. You state that the Ganado Extension #7 and #8 were determined to be located on land owned by the State of Arizona.

The Bureau of Land Management's (BLM) public records show that the Extension Claims Ganado #7 (A MC 322366) and #8 (A MC 322367) were located on April 2, 1992, and filed with the BLM on June 25, 1992. Each of the mining claims are located in the SE $\frac{1}{4}$ of sec. 34, T. 10 N., R. 19 W., Gila and Salt River Meridian, Arizona.

The BLM status records indicated that a portion of the Extension Claim Ganado #8 is partially located on State land; however, the BLM does not void claims that are only void in part.

No decision has been issued by the Arizona State Office voiding either of the subject mining claims ab initio and, therefore, no refund will be authorized.

Please note, the record does not show that a 1995 maintenance fee payment was made for either of the mining claims and a decision declaring the mining claims abandoned will be issued in the near future.

Sincerely,

MARY JO YOAS

Attention: Officer in Charge

Gentlemen:

The attached letter was included with out payment of 1995 mining claim fees. Your office informed us that no refund would be authorized.

Mr. Dave Taylor of the Lake Havasu BLM Office informed us that after talking with the Phoenix BLM Officer in Charge, the \$400.00 fee erroneously collected for Ganado Extension #7 and Ganado Extension #8 would be refunded.

Therefor, please accept this letter as our request to refund subject fees.

Sincerely,

Robert H. Jones

Gentlemen:

Enclosed find check in the amount of \$1,800.00 to cover the 1995 maintenance fee payment for the attached list of claims.

Last year we paid \$200.00 apiece for the following claims:

<u>AMC Nos.</u>	<u>Claim Description</u>	<u>Amount</u>
322366	Ganado Extension #7	\$ 200.00
322367	Ganado Extension #8	200.00
Total		<u>400.00</u>

Due to a BLM official survey in 1994 these two claims were determined to be on Arizona State lands. Therefore, the fees collected by BLM for 1993 and 1994 were collected by mistake.

Please refund these fees collected in error.

Sincerely,

Robert H. Jones

DECISION VACATED IN PART

The decision of June 29, 1992 by the Chief, Branch of Mining Law Administration, declaring the Extension Claim Ganado #9 null and void ab initio is hereby vacated.

On June 28, 1992, the above-cited mining claim was amended to correct the legal description. The amendment places said mining claim in an area open to location. The BLM records have been updated accordingly.

The decision, however, must stand as it affects the Extension Claim Ganado #6.

Sir:

You do not need to return these original copies; I made a copy of them for our file.

Extension Claim Ganado #9, A MC 322368, is the one you need to amend as the location notice has the SW $\frac{1}{4}$, sec. 34, for the location (Indian Reserv. land) and the map side shows the NE $\frac{1}{4}$ sec. 34 (State Land).

The fee required for amendments is \$5 per claim.

You do need to submit your amendment as soon as possible. When we receive the amendment and assuming the claim is placed in the open part of the SE $\frac{1}{4}$, sec. 34, we will vacate our decision as it pertains to the #9 claim.

The land has been patented to the State of Arizona without a reservation of minerals to the United States. Therefore, the land was not subject to location under the General Mining Laws.

"Land which has been conveyed to a State without a reservation of minerals to the United States is not available for the location of mining claims, and a mining claim located on such land after it is so patented is null and void ab initio." Don P. Smith, 51 IBLA 71 (1983).

"Mining claims located on lands closed to mineral entry are null and void ab initio as a matter of law, and no property rights are created. Therefore, no contest proceeding or hearing is required prior to a decision holding a claim null and void ab initio." Fletcher De Fisher, Fisher International, Inc., 93 IBLA 68 (1986).

An appeal from this decision may be taken to the Interior Board of Land Appeal, Office of Hearings Appeal, in accordance with the regulations in Title 43 CFR, Parts 1 and 4.400, and the enclosed Form 1842-1. If an appeal is taken, the notice of appeal must be filed in the Arizona State Office of the Bureau of Land Management, mailing address, P.O. Box 16563, Phoenix, Arizona 85011, street address 3707 North 7th Street, Phoenix, Arizona 85014, within 30 days from receipt of this decision. Do not send the appeal directly to the Board. The appeal and case history file will be sent to the Board from this office. Within 30 days after filing the notice of appeal, file a complete statement of the reasons why you are appealing. This must be filed with the U.S. Department of the Interior, Office of the Secretary, Board of Land Appeals, 4015 Wilson Boulevard, Arlington, Virginia 22203. If you fully stated your reasons for appealing when filing the notice of appeal, no additional statement is necessary. Additionally, within 15 days after each document is filed, the regulations require the appellant to serve copies on the Field Solicitor, U.S. Department of the Interior, Two North Central Avenue, Suite 500, Phoenix, Arizona 85004. To avoid summary dismissal of the appeal, there must be strict compliance with the regulations.

If no appeal is taken, this decision constitutes final administrative action of this Department as it affects the mining claims. No appeal, protest or petition for reconsideration will be entertained from this decision after the appeal period has expired.

Dear Mr. Jones:

Extention Claim Ganado #6 was closed on June 29, 1992, because it was determined to be on State land. However, no one from this office has declared Extension Claims Ganado #7 and #8 invalid. Your location notices for these claims state that the claims are contiguous to State land. It appears that Extension Claim Ganado #8 is partially on State land. BLM does not void claims that are only void in part.

In any event rental/maintenance fees are nonrefundable and no refund will be authorized.

Gentlemen:

Enclosed find check in the amount of \$1,800.00 to cover the 1995 maintenance fee payment for the attached list of claims.

Last year we paid \$200.00 apiece for the following claims:

<u>AMC Nos.</u>	<u>Claim Description</u>	<u>Amount</u>
322366	Ganado Extension #7	\$ 200.00
322367	Ganado Extension #8	200.00
Total		<u>400.00</u>

Due to a BLM official survey in 1994 these two claims were determined to be on Arizona State lands. Therefore, the fees collected by BLM for 1993 and 1994 were collected by mistake.

Please refund these fees collected in error.

Sincerely,

Robert H. Jones

Therefore, find attached photocopies of the above listed claims that we wish to retain. Please place your AMC number on each of the photocopies and return to us so that we will use the correct AMC number for these claims in future reference with your office.

Thank you for your past courtesies and assistance whenever requested.

Sir:

You do not need to return these original copies; I made a copy of them for our file.

Extension Claim Ganado #9, A MC 322368, is the one you need to amend as the location notice has the SW $\frac{1}{4}$, sec. 34, for the location (Indian Reserv. land) and the map side shows the NE $\frac{1}{4}$ sec. 34 (State Land).

The fee required for amendments is \$5 per claim.

You do need to submit your amendment as soon as possible. When we receive the amendment and assuming the claim is placed in the open part of the SE $\frac{1}{4}$, sec. 34, we will vacate our decision as it pertains to the #9 claim.
