: This decision affects those claims shown

AMC248845 - 248846, 322907
WHITE GOLD 38, 39, WG 108

MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited for failure to file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$125, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 (United States Code) 28-f-k, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records do not show receipt of a maintenance fee payment, or waiver received on or before September 1, 2006, for the 2007 assessment year, for the claims listed above. Therefore, the claims are forfeited.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Dominic Sarracino at 602-417-9346.

MINING CLAIMS, MILL SITES AND TUNNEL SITES DECLARED ABANDONED

Public Law 102-381, 106 Stat 1374, dated October 5, 1992, and the regulations implemented July 15, 1993, 43 CFR §3833.1-5, "Rental Fees" prescribe, unless otherwise exempted, that \$100 rental for assessment year 1992-1993, and \$100 rental for assessment year 1993-1994, must be paid to the Bureau of Land Management (BLM) for each mining claim, mill site, and tunnel site on or before August 31, 1993. Failure to pay the rental fee by that date shall conclusively constitute an abandonment of the mining claim, mill site, or tunnel site, which shall be void.

The BLM records do not show receipt of payment for the mining claim(s), mill site(s), and tunnel site(s) listed on the enclosed sheet(s) on or before August 31, 1993.

If the rental fee was timely paid to the BLM for 1993 and 1994, please furnish a copy of the BLM receipt for payment and the document listing the claims and serial numbers for which payment was made to the BLM, Arizona State Office. The receipt and proof must be dated and/or time stamped by the BLM on or before August 31, 1993.

The proof of payment must show that the required amount was remitted and was received by the BLM on or before August 31, 1993, or it will not be accepted. The evidence must be received in this office no later than 30 days from receipt of this decision. If the proof is not furnished during the 30-day period, the mining claim(s), mill site(s), and tunnel site(s) will be removed from the BLM records as abandoned and void.

If additional information is required, please call (602) 650-0518.

Re: Oro Blanco/OB Claims, Santa Cruz County, Arizona

Dear Sir or Madam:

I enclose a copy of the "2011-2012 Affidavit and Notice of Intent to Hold Mining Claims" for the Oro Blanco/OB claim groups. The Affidavit was previously recorded in Santa Cruz County on July 17, 2012 as Document No. 2012-05649. I also enclose our Check No. 11760 in the amount of \$240.00 for your filing fee (24 claims at \$10.00 per claim).

Minefinders (USA) Inc. is making this filing under protest in order to address the "scrivener's error" in the 2011 budget enactment relating to lode and placer claims. In the event that the Congressional problem is later corrected, I request that this payment be refunded.

Thank you for your attention.

Very truly yours,

Richard W. Harris

Re: 1996-97 Federal Rental Fees (Oro Blanco Project)

Dear Sir or Madam:

On August 20, 1996 our office delivered a letter to the Arizona State Office of the Bureau of Land Management conveying federal claim maintenance fees of \$10,800.00 for the "Oro Blanco Project" situated in Santa Cruz County, Arizona.

The letter did not correctly identify all of the claim owners. I am advised by Mr. Mark Bailey, President of Minefinders (USA) Inc., that the claim owners are as follows:

1. The White Gold, WG, Oro Fino, El Gato, LP, TWO, West, Mary, Johnny, and Willy/Willie claims are owned by Hecla Mining Company, 6500 Mineral Drive, Box C-8000, Coeur d'Alene, Idaho 83814-8788.

2. The BP 1-46 claims are owned by Minefinders (USA) Inc., whose address is 5301 Longley Lane, Suite D-148, Reno, Nevada 89511.

In addition, please note that Exhibit A to my letter of August 19 describes the BP claims as having federal serial numbers "NMC" 338752-338797. The correct prefix is "AMC".

The federal claim maintenance fees were paid by Minefinders (USA) Inc. on behalf of the foregoing claim owners. The rental fees were paid in lieu of federal assessment work pursuant to federal law.
