RE: Correction of Owner's Name for Certain Mining Claims

To Whom It May Concern:

On October 25, 2016, we sent a letter requesting the Bureau of Land Management correct the claimant information for 117 unpatented mining claims located in Cochise County, Arizona. Those claims, listed on Exhibit A to this letter, had been erroneously listed in the name of Excelsior Mining Arizona, Inc. in the Bureau's records. We requested that the Bureau correct its records by listing the correct entity, Excelsior Mining JCM, Inc., as the claimant on those 117 claims.

Excelsior Mining Arizona, Inc. holds 128 separate unpatented mining claims in Cochise County, Arizona. Those 128 claims are listed on Exhibit B to this letter. Our recent review of a geographic index report for the area revealed that the Bureau, apparently in response to our October letter, has now listed Excelsior Mining JCM, Inc. as the claimant on the 128 claims that should be in the name of Excelsior Mining Arizona, Inc.

We respectfully request that the Bureau correct its records to reflect that the 128 claims listed on Exhibit B to this letter are held by Excelsior Mining Arizona, Inc. The 117 claims listed on Exhibit A to this letter should remain in the name of Excelsior Mining JCM, Inc. The address information for both sets of claims remains the same.

If you have any questions, or need further clarification, please feel free to call me at 602-262-5704. Thank you for your assistance in this matter.

Sincerely,

Stanley B. Lutz
