Issuance of the first half of mineral entry final certificate confirms that the proof of posting and publication, statement of fees and charges, and purchase monies have been submitted and accepted. In accordance with the provisions of 43 CFR 3851.5 (59 FR 44863, August 30, 1994), annual maintenance fees are no longer required. Therefore, annual maintenance fees for 1996 and for every year thereafter are not required for the above-listed mining claims until either a mineral patent issues or the final certificate is canceled.

Patent may issue, signed by the Secretary of the Interior, if all is found regular and upon demonstration and verification of discovery. This will be verified by a mineral examiner in an on-the-ground examination.

Only an original mineral entry final certificate form is typed and that document remains in the official BLM case file.

Sincerely,

Mary Jo Yoas
