JUSTICE #1

MINING CLAIM(S) DECLARED FORFEIT

The mining claim(s) listed above has/have been declared forfeit for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver) on or before September 1, 2020.

Claimants are required to pay an annual non-refundable maintenance fee of \$165 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. There is no grace period and late filings cannot be accepted. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records show that we did receive a maintenance fee payment for the above listed mining claim(s); however your document was postmarked and/or received after September 1, 2020. Therefore, the claim(s) are forfeit. The maintenance fee that was received late will be refunded at the conclusion of the 30 days appeal period.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an

order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call RéAnn Myers at 602-417-9413.

JIMANI NO 1

MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited for failure to file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$125, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28-f-k, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records do not show receipt of a maintenance fee payment, or waiver received on or before September 1, 2005, for the 2006 assessment year, for the claims listed above. Therefore, the claims are forfeited.

You are required to reclaim all areas disturbed by your activities on lands encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Public Laws 102-381, 106 Stat. 1374, dated October 5, 1992, and 103-66, 107 Stat. 405, dated August 10, 1993, and the regulations implemented August 30, 1994, at 43 CFR §3833.1-5, "Maintenance fees" prescribe, unless otherwise exempted, that a \$100 maintenance fee for assessment year 1994-1995, must be paid to the Bureau of Land Management (BLM) for each mining claim, mill site, and tunnel site on or before August 31, 1994. If a qualifying Certification of Exemption From Payment of Rental Fee Form had been timely filed by August 31, 1993 for 1994, or a Maintenance Fee Payment Waiver Certification Form by August 31, 1994 for 1995, an affidavit of assessment work performed covering the mining claims and a notice of intention to hold for any mill or tunnel site (annual filing) was required to be filed, accompanied by \$5 for each claim or site on or before December 30, 1994.
