Maintenance Fee Waiver Certifications Denied
Mining Claims Declared Forfeited

The Maintenance Fee Waiver Certifications (small miner waivers) filed on August 27, 2014, for the 2015 assessment year for the 18 mining claims listed above are denied. Because the small miner waivers are denied and because the required maintenance fee payments due on or before September 1, 2014, were not paid, these claims are declared forfeited and void.

The Bureau of Land Management (BLM) regulations at 43 CFR 3830.21, and 3834.11(a)(2) state that by September 1 of each year, holders of placer mining claims must pay an annual maintenance fee of $155 per each 20 acres of the claim or portion thereof. In lieu of paying the required maintenance fee, claimants may submit a valid small miner waiver, in accordance with 43 CFR 3835.1, 3835.10, and 3835.11(a).

In accordance with 43 CFR 3835.1(b), to qualify for a small miner waiver, you and all related parties must hold no more than a total of 10 mining claims or sites nationwide. As defined at 43 CFR 3830.5, "related party means: a) the spouse and dependent children of the claimant as defined in section 152 of the Internal Revenue Code of 1986 [26 U.S.C. section 152]; or, b) A person who controls, is controlled by, or is under common control with the claimant." Under 43 CFR 3830.5, "Control means actual control, legal control, or the power to exercise control, through or by common directors, officers, stockholders, a voting trust, or a holding company or Investment Company, or any other means."

Small miner waivers were filed for the 18 mining claims listed above. The BLM has reviewed the case files for each of the mining claims listed above to verify that the owners qualify for a small miner waiver. The BLM has made the following findings:

1. Arizona Corporate Commission documents show that Arizona Association of Gold Prospectors, Inc., is a corporation registered in Arizona, dating back to 2006. The current officers of Arizona Association of Gold Prospectors, Inc., according to Arizona Corporate Commission documents, are: Harold Allen, President/CEO and Director; Susan M. O'Connor, Secretary.

2. Ownership of the mining claims is as follows:

3. Harold Allen and Arizona Association of Gold Prospectors, Inc. use the same mailing address P.O. Box 35281, Phoenix, AZ 85069. This is the address used by Arizona Association of Gold Prospectors since its inception in 2006.

4. Arizona Corporate Commission documents show that Harold Allen has been the president of Arizona Association of Gold Prospectors, Inc. since its inception in 2006.

5. The small miner waivers for these mining claims were filed together for the 2015 assessment year.

6. The Affidavits of Performance of Annual Work for 2003 through 2014 were submitted together with the payment for the processing fees paid by Harold Allen.

Based on the foregoing, the BLM has determined that all of the mining claims listed above are owned by related parties within the meaning of the BLM's regulations. Because the owners of these mining claims are related parties and held more than 10 mining claims on the date the maintenance fee was due for the assessment year for which a waiver was submitted, none of the owners qualified for the small miner waiver.

In accordance with 43 CFR 3835.92(d), because the co-claimants own more than 10 mining claims or sites and submitted a small miner waiver request and failed to pay the required maintenance fee on or before the due date for the 2015 assessment year, the mining claims listed above are declared forfeited and void as of September 1, 2014. Additionally, the co-claimants may be subject to criminal penalties under 18 U.S.C. 1001.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the BLM, if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. (See 43 CFR 3809.605(h) and 43 CFR 3809.700)

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within

30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

(1) The relative harm to the parties if the stay is granted or denied,

(2) The likelihood of the appellant's success on the merits,

(3) The likelihood of immediate and irreparable harm if the stay is not granted, and

(4) Whether the public interest favors granting the stay.

The applicable AMC serial number(s) for all claims should be included on all correspondence. If additional information is required, RéAnn Myers at 602-417-9413 should be contacted.

Sincerely,

Rebecca Heick

CERTIFIED MAIL - RETURN RECEIPT REQUESTED

DECISION

Mining Claimant(s) as Shown on the Enclosed Sheet(s)	:	Mining Claim(s) Mill and Tunnel Site(s)

Mining Claims, Mill and Tunnel Sites
Declared Forfeited

Claimants are required to pay an annual non-refundable maintenance fee of $100 or submit a small miner's maintenance fee waiver for each claim/site. These requirements were established by Public Laws 102-381 (106 Stat. 1374), dated October 5, 1992, and 103-66 (107 Stat. 405) dated August 10, 1993, and the regulations implemented August 30, 1994, found at 43 CFR 3833.1-5, 6, and 7.

The Bureau of Land Management (BLM) records do not show receipt of a maintenance fee payment or small miner's maintenance fee waiver on or before August 31, 1998 for the year of 1999, for the mining claim(s), mill and tunnel site(s) listed on the enclosed sheet(s), and therefore the claims are declared forfeited.

This decision does not relieve you of the requirement for reclamation of all areas disturbed by your activities on lands covered by your mining claim(s) and/or site(s). Failure to reclaim the land to the satisfaction of the authorized officer of the agency upon whose lands you have located may cause the agency to hold the claimant in a status of non-compliance under their surface management regulations. If reclamation is required, you must notify the proper authorized officer upon completion so that final site inspection and clearance may be obtained and your liability released. On BLM administered lands failure to reclaim the land to the satisfaction of the authorized officer as prescribed by 43 CFR 3809.1-1 and 3809.3-2 may cause BLM to hold you in a status of non-compliance under 43 CFR 3809.3-2 and invoke the penalty provisions of 43 CFR 3809.3.2(f).

During the same 30-day compliance period, this decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal

must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) or 43 CFR 2804.1 for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

(1) The relative harm to the parties if the stay is granted or denied,

(2) The likelihood of the appellant's success on the merits,

(3) The likelihood of immediate and irreparable harm if the stay is not granted, and

(4) Whether the public interest favors granting the stay.

If no appeal, or noncompliance, with the above occurs, this decision constitutes final administrative action of this Department as it affects the mining claims. No appeal, protest or petition for reconsideration will be entertained from this decision after the appeal period has expired.

Please include your A MC serial number(s) on all correspondence. If the maintenance fee payment was filed or additional information is required, please call Dorie Morrison at (602) 417-9518.

(2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. 5. All owners of the mining claims, mill sites, and tunnel sites and their addresses **must** be given.

8. NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended,* and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of $100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St, N.W, Washington, D.C. 20240.
