~~2012~~²⁰¹³ Maintenance Fees Due on Claims under a Waiver

A Maintenance Fee Waiver Certification (small miner waiver) was filed for the 2013 assessment year for the mining claims listed above. In accordance with 43 CFR 3835.1, to qualify for a small miner waiver you and all related parties must hold no more than a total of 10 mining claims or sites nationwide. Since the commencement of the 2013 assessment year, the owner(s) of these mining claims has acquired and now owns in excess of 10 mining claims nationwide, which means they no longer qualify for the small miner waiver.

Therefore, in accordance with 43 CFR 3835.20, and *Randi Rovetto, Et Al.*, 177 IBLA 257, the waiver is immediately cancelled and the 2013 Maintenance Fees of \$140 per claim per 20 acres

are due on the claims listed above. BLM must receive the maintenance fee for these mining claims on or before September 1, 2013. If we do not receive the fee, the claims will be forfeited and closed. At that same time (on or before September 1, 2013) the maintenance fees for 2014 assessment year are also due.

When paying the fees please specify which assessment year is being paid so we can apply the fees accurately to the claims. Please also include an explanation as to why the fees for the assessment year that has already begun are being paid. (i.e. The claim owner no longer qualified for a small miner waiver.)

If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC serial numbers on all correspondence.

Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below.

The law requires that each individual owner sign on the waiver. Since the signature of the deceased is not possible then a waiver can't be accepted. If you wish to continue this claim you will need to pay the claim maintenance fee of \$140 for each claim. Next year if you wish to file a waiver, the deceased will have to be relinquished from the claim or transferred to another claimant who has less than ten claims. Otherwise you will need to pay the claim maintenance fee each year. If paying the maintenance fee please include the mining claim serial number (AMC---) and the claim name.

ENTERED INTO COMPUTER

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$140.00 per claim. If neither is received within the 60 day time frame, the claim(s) will be declared forfeited and closed.

Please include your AMC serial number on all correspondence. If additional information is required, please contact .

Dear Ms. Velasco:

The enclosed list identifies the serial numbers that have been assigned to each of your mining claim location notices received by this office on October 19, 1994.

The regulations require you to identify the claim name and A MC serial number of each claim, and the claimant's name and address on all future documents and correspondence filed with the Bureau of Land Management (BLM).

This acknowledgment does not verify that your claims have been located on lands open to mineral entry. If you have not made this determination, we encourage you to visit the nearest BLM office to check the official land status records. Only those mining claims that are entirely located on private or Federal lands that are not open to mineral entry will be officially declared void by the BLM.

Please advise this office of all changes of address, any authorized agents, and transfers of ownership.

Transfers of ownership are governed by 43 CFR 3833.3(a) which states that, "Whenever the owner of an unpatented mining claim, mill site or tunnel site, which has been recorded in accordance with 43 CFR 3833.1, sells, assigns, or otherwise conveys all or any part of his interest in the claim, his transferee shall file in the proper BLM office within 60 days after the completion of the transfer. . ." A service charge of \$5 per claim is required for all transfers.

By keeping our records current, we will be able to provide better public service. All future correspondence from this office will be sent only to the above name and address unless otherwise instructed.

If any of the information listed on the enclosed is not correct, please notify this office in writing.

Sincerely,
