Association Placer Mining Claims Documentation or Amendments Required

The mining claims listed above are association placer mining claims that are over 20 acres in size. The claims were originally located with the required number of locators to meet the 20-acre per locator requirement. However, the claims are now held by a smaller group of claimants than originally located them and are therefore not in compliance with the legal requirements.

By law, each individual claimant is allowed to hold a maximum of 20 acres per claim. A corporation is considered to be a single entity that is allowed to hold a maximum of 20 acres per claim. In accordance with 43 CFR 3833.33 you may transfer, sell, or otherwise convey an association placer mining claim at any time to an equal or greater number of mining claimants. If you want to transfer an association placer claim to an individual or an association that is smaller in number than the association that located the claim you (a) must have discovered a valuable mineral deposit before the transfer; or (b) upon notice from the Bureau of Land Management (BLM), you must reduce the acreage of the claim, if necessary, so that you meet the 20-acre per locator limit.

In reviewing the case file for these claims it was noted that at the time of transfer to an individual or smaller number of locators than originally located the claims, BLM did not receive documentation supporting that a discovery of a valuable mineral deposit was made. Without this documentation we cannot determine if the claims are being properly held by the correct number

of claimants. Therefore, we are requiring that the appropriate documentation be submitted to BLM. We are enclosing a list to clarify what documentation must be provided to BLM to support the discovery of a valuable mineral deposit.

If you have the required documentation, dated **prior** to the date of transfer, you may file it with this office for review by a mineral examiner. If you do not have the proper documentation, you must amend the claims listed above, reducing the acreage to 20 acres per claimant, as is allowed by law.

We must receive either documentation supporting a discovery of a valuable mineral deposit, or amendments within 30 days of your receipt of this notice. If the required documentation or the amendments are not received within the 30-day timeframe the mining claims will be declared forfeited and void. If amendments are filed, there is a \$10 BLM processing fee for each amendment. The amendments must also be filed with the county.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.

2013 Maintenance Fees - Additional Fees Required

Your maintenance fee payment for the 2013 assessment year, in the amount of \$140.00 per claim, for the placer claims listed above, has been received and is insufficient. **The total due on your claim(s) is: \$140.**

In accordance with the Consolidated Appropriations Act of 2012, Public Law 112-74 (125 Stat 1047), and FR44155-44158 (2012) Congress changed the way maintenance fees for placer mining claims are assessed. Instead of charging the maintenance fee on a per-claim basis, Congress stated that the fee, which is currently \$140.00, will be assessed on each 20 acre parcel of a placer claim or portion thereof.

Insufficient payment of the annual maintenance fee for the 2013 assessment year is a curable defect. **Therefore you are required to do one of the following within 30 days of receipt of this notice or your claim(s) will be declared forfeited:** 1) submit additional fees of \$140 per 20-acres or portion thereof based on the full acreage of the claim, or 2) amend the claim(s) to reduce the acres so a lesser fee is due and submit any additional fees due; or 3) relinquish the claim(s) in their entirety, in which case BLM will refund the maintenance fees you have already paid for the 2013 assessment year.

If you choose to amend the claims to reduce the acres, you must submit an amended location notice for each claim, with an accurate description and dimensions of the reduced claim, along with a map depicting the reduced claim, and a \$10 processing fee per amendment. An amendment must also be

pd 11/5/12 AT
Dakota SVE

recorded at the county. If the amended claim contains more than 20 acres, calculate the additional fees due and submit those fees with the amendment(s).

Please include your Arizona Mining Claim (AMC) serial number(s) and claim name(s) when submitting the additional fees, and note that you are paying additional fees due. If additional information is required, please contact Amy Thrower at 602-417-9334.

Mr. Clarence W. Wiitala
P. O. Box 790
Congress, Arizona 85332

Dear Mr. Wiitala:

The enclosed list identifies the serial numbers that have been assigned to each of your mining claim location notices received by this office on January 16, 1996.

The regulations require you to identify the claim name and A MC serial number of each claim, and the claimant's name and address on all future documents and correspondence filed with the Bureau of Land Management (BLM).

The acknowledgment does not verify that your claims have been located on lands open to mineral entry or are encumbered by rights of other mining claimants. Only those mining claims that are entirely located on private or Federal lands that are not open to mineral entry will be officially declared void by a BLM Decision.

Please advise this office of all changes of address, authorized agents, and transfers of ownership.

Transfers of ownership are governed by 43 CFR 3833.3(a) which states that, "Whenever the owner of an unpatented mining claim, mill site or tunnel site, which has been recorded in accordance with 43 CFR 3833.1, sells, assigns, or otherwise conveys all or any part of his interest in the claim, his transferee shall file in the proper BLM office within 60 days after the completion of the transfer..." A service charge of \$5 per claim is required for all transfers.

PLEASE NOTE: Unless you have already paid in advance or will otherwise qualify to be waived from payment, the next annual maintenance fee payment of \$100 for each claim or site, in lieu of assessment, is due on or before August 31, 1996.

By keeping our records current, we will be able to provide better public service. **All future correspondence from this office will be sent only to the above name and address unless otherwise instructed.**

If any of the information listed on the enclosure is not correct, please notify this office in writing.

Sincerely,

MARY JO YOAS
