Mr. Gordon Howcroft
P.O. Box 384
Quartzsite, Arizona 85346

Dear Mr. Howcroft:

The enclosed list identifies the serial numbers that have been assigned to each of your mining claim location notices received by this office on January 23, 1996.

The regulations require you to identify the claim name and A MC serial number of each claim, and the claimant's name and address on all future documents and correspondence filed with the Bureau of Land Management (BLM).

The acknowledgment does not verify that your claims have been located on lands open to mineral entry or are encumbered by rights of other mining claimants. Only those mining claims that are entirely located on private or Federal lands that are not open to mineral entry will be officially declared void by a BLM Decision.

Please advise this office of all changes of address, authorized agents, and transfers of ownership.

Transfers of ownership are governed by 43 CFR 3833.3(a) which states that, "Whenever the owner of an unpatented mining claim, mill site or tunnel site, which has been recorded in accordance with 43 CFR 3833.1, sells, assigns, or otherwise conveys all or any part of his interest in the claim, his transferee shall file in the proper BLM office within 60 days after the completion of the transfer..." A service charge of \$5 per claim is required for all transfers.

PLEASE NOTE: Unless you have already paid in advance or will otherwise qualify to be waived from payment, the next annual maintenance fee payment of \$100 for each claim or site, in lieu of assessment, is due on or before August 31, 1996.

By keeping our records current, we will be able to provide better public service. **All future correspondence from this office will be sent only to the above name and address unless otherwise instructed.**

If any of the information listed on the enclosure is not correct, please notify this office in writing.

Sincerely,

MARY JO YOAS
