### Additional Fees Required

Your maintenance fee payment for the 2005 assessment year, in the amount of \$100.00 per claim, has been received.

In accordance with 30 U.S.C. 28j(c)(3), 43 CFR 3834, the maintenance fees for mining claims have increased from \$100.00 per claim to \$125.00 per claim. Insufficient payment of the annual maintenance fee for the 2005 assessment year is a curable defect. Therefore you are required to submit a supplemental payment in the amount of \$25.00 per claim within 30 days of receipt of this Decision or your claim(s) will be declared forfeited.

Please include your Arizona Mining Claim (AMC) serial number(s) and claim name(s) when submitting the additional fees.

Sincerely,

Ivy J. Garcia  
Group Administrator,  
Lands/Minerals Adjudication and Withdrawals

### 2013 Maintenance Fees - Additional Fees Required

Your maintenance fee payment for the 2013 assessment year, in the amount of \$140 per claim, for the placer claims listed above, has been received and is insufficient. **The total due on your claim(s) is: \$2100.**

In accordance with the Consolidated Appropriations Act of 2012, Public Law 112-74 (125 Stat 1047), and FR44155-44158 (2012) Congress changed the way maintenance fees for placer mining claims are assessed. Instead of charging the maintenance fee on a per-claim basis, Congress stated that the fee, which is currently \$140, will be assessed on each 20 acre parcel of a placer claim or portion thereof.

Insufficient payment of the annual maintenance fee for the 2013 assessment year is a curable defect. **Therefore you are required to do one of the following within 30 days of receipt of this notice or your claim(s) will be declared forfeited:** 1) submit additional fees of \$140 per 20-acres or portion thereof based on the full acreage of the claim, or 2) amend the claim(s) to reduce the acres so a lesser fee is due and submit any additional fees due; or 3) relinquish the claim(s) in their entirety, in which case BLM will refund the maintenance fees you have already paid for the 2013 assessment year.

If you choose to amend the claims to reduce the acres, you must submit an amended location notice for each claim, with an accurate description and dimensions of the reduced claim, along with a map depicting the reduced claim, and a \$10 processing fee per amendment. An amendment must also be recorded at the county. If the amended claim contains more than 20 acres, calculate the additional fees due and submit those fees with the amendment(s).

pd 11/14/12 AT

Please include your Arizona Mining Claim (AMC) serial number(s) and claim name(s) when submitting the additional fees, and note that you are paying additional fees due. If additional information is required, please contact Amy Thrower at 602-417-9334.

Subject Redstone No. 1 claim

Tony, Pursuant to our previous conversations, Cemex requests that our renewal request for Redstone No.1, AMC 351146, be withdrawn and our fees of \$140.00 be refunded. Our address is 4646 E. Van Buren, Suite 250, Phoenix, Az, 85008. Let me know if you need anything further.

The reason & history for the closer & refund:  
We (BLM) received the 2010 maintenance payment, which was then refunded in error. When processing the 2011 maintenance fee, we realized that refund error. I called CEMEX and talked to Mr. Bill Peck who said the company didn't need that claim. I had asked him to send in again the 2010 maint. payment to correct the error, but as stated in this e-mail he didn't want to go back & pay the 2010 maint fee. I told him since he didn't want to pay we would close the claim for not having the 2010 payment re-paid & therefore would refund the 2011 payment because that payment would have been made on a closed claim.  
I asked him to send me an e-mail refusing the 2009 payment & request the 2011 payment paid on the now closed claim be refunded.  
He complied with this e-mail.

Tony Smith LHF
