RE: James Hardie Gypsum, Inc., Placer Mining Claims, Mohave County, Arizona

I have reviewed my copies of the four mining claims and believe that errors were made in the legal description of the four claims in question. These errors resulted in the discrepancies questioned in your letter of May 22, 2001. Please note the following:

AMC-354542, (#77), should read N1/2 SE1/4 NE1/4 Map appears correct.

The next three claims were located as 20 acre parcels measuring 1320 feet in width (E-W) by 660 feet (N-S) with the N-S centerline of the claim aligned with the N-S centerline of Section 2, T40N, R13W, and all three claims were located in the Southern half of Section 2. Subsequently, these three claims are located in both the SE1/4 and the SW1/4 of Section 2. Also, note that Section 2 happens to be a "correction" Section of app. 4420 feet measured N-S by 5280 feet measured E-W. This results in less than perfect correspondence of common subdivision to mining claim acreage, but would suffice for location within the Section given accurate legal description:

AMC-354788, (#327), should read SE1/4 SE1/4 SW1/4 and SW1/4 SW1/4 SE1/4

AMC-354789, (#328), should read NE1/4 SE1/4 SW1/4 and NW1/4 SW1/4 SE1/4

AMC-354790, (#329), corresponds the least to common subdivision description and might best be described as parts of the E1/2 NE1/4 SW1/4 and parts of the W1/2 NW1/4 SE1/4, Section 2. Maps appear correct.

I believe that formal amendments will be necessary. Please advise.

Dear Ken:

This confirms our telephone conversation yesterday afternoon wherein I reported to you the discussion I had with Mary Hyde of the Bureau of Land Management, Arizona State Office. Ms. Hyde is a land law examiner who is reviewing the location and transfer of the mining claims to Western Mining & Minerals, Inc.

She raised two questions regarding the documentation that we need to address. Specifically, she requested an affidavit from you establishing that James Hardie Gypsum, Inc. was the true party in interest of the locations made by you of the James Hardie Gypsum, Inc. claims, and that Kenneth S. Klco, agent and locator, functioned as the agent for James Hardie Gypsum, Inc. I have prepared an affidavit for execution by you that clarifies the relationships under the notices of location and that documents your intention that residual interest, if any, resulting from the locations vested in Western Mining and Minerals, Inc.

Second, Ms. Hyde identified four mining claims for which she believes there is a discrepancy between the description in the location notices and the attached maps. Those mining claims are the James Hardie Gypsum, Inc. No. 77 (AMC-354542) and the James Hardie Gypsum, Inc. Nos. 327 through 329 (AMC-354788 through 354790). Her comments are as follows:

Kenneth S. Klco
May 22, 2001
Page 2

<u>AMC No.</u>	<u>Remarks</u>
AMC-354542	Location Notice describes SE¼ while map shows NE¼.
AMC-354788	Location Notice shows SE¼ while map shows SE¼ and SW¼.
AMC-354789	Location Notice shows SE¼ while map shows SE¼ and SW¼.
AMC-354790	Location Notice shows SE¼ while map shows SE¼ and SW¼.

Please check your documents to see if we need to amend the Location Notices themselves. If the discrepancies result from the Location Notices, we will need formal amendments. However, if the discrepancies appear solely in the maps, we can simply substitute the maps for the four claims.

I look forward to your comments. Your earliest attention to this would be most helpful. You have advised me that my e-mail transmission to you of May 8, 2001, was never received by you because your e-mail was malfunctioning at the time. I am going to transmit the letter and affidavit to you by e-mail today in hopes that you will receive the e-mail and commence your review process before receipt of this mailing.

Very truly yours,

Phillip Wm. Lear

Dear Ms. Hyde:

I am transmitting to you a photocopy of the original Affidavit of Kenneth S. Kico recorded in the records of the Mohave County Recorder on June 7, 2001, in Book 3771, Page 381. This filing should complete the file on the James Hardie Gypsum, Inc. 1 through 347 unpatented placer mining claims and will enable you to show record title in Western Mining and Minerals, Inc. I am also enclosing a self-addressed stamped envelope so that you might return to us a time-stamped copy of the document.

Should you have any questions, please contact me.

Dear Ms. Hyde:

This responds to our recent telephone conversation wherein you inquired regarding the agency of Kenneth S. Klco (and Azurite, Inc.) in the location of the James Hardie Gypsum, Inc. Placer Mining Claims in Mohave County.

You requested an Affidavit confirming that Azurite, Inc. by and through its President, Kenneth S. Klco, located the James Hardie Gypsum, Inc. Placer Mining Claims on behalf of James Hardie Gypsum, Inc. I am enclosing a copy of the Affidavit dated May 31, 2001. The recitations under oath should clarify the questions you had. I have submitted the original to Mohave County for recording.

In addition, you identified for me four James Hardie Gypsum, Inc. mining claims in which the descriptions contained in the Location Notice and those depicted on the attached maps did not agree. I am enclosing for your files a copy of the May 30, 2001, letter I received from Azurite, Inc. addressing those discrepancies. Azurite, Inc. will record and file with the Arizona State Office Amended Location Notices for AMC's-354542, 354788, 354789, and 354790. I imagine that it will require several weeks for the Amended Location Notices to be impressed upon the records of the Mohave County Recorder in time to file certified documents with you.

Thank you for your consideration in bringing this matter to our attention. I am enclosing a stamped, self-addressed envelope in which I request you to return to me a time-stamped copy of the Affidavit and the enclosed letter as my evidence of filing.

AFFIDAVIT OF CORRECTION

BLM. AZ STATE OFFICE
2005 JUN 19 A 8:58
PHOENIX, ARIZONA

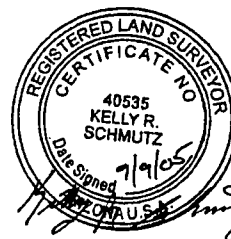

I, Kelly, R. Schmutz, a registered Land Surveyor in the State of Arizona, R.L.S. No. 40535, hereby state that the Record of Survey entitled "Record of Survey" "A Dependent Survey and Aliquot Breakdown of the Northwest ¼ and the Southwest ¼ of Section 29, Township 41 North, Range 12 West, Gila & Salt River Meridian, Located in Mohave County, Arizona" that was recorded in Book 29, at Page 40, at Fee No. 2005098987, Records of Mohave County, was prepared under my direction. Said Record of Survey incorrectly reflects the Section in which the survey was performed in the Legal Description. "Legal Description" as appears on said Record of Survey as recorded reads incorrectly as shown being: "The N1/2 NE1/4 NW1/4, S1/2 NE1/4 NW1/4, N1/2 NW1/4 SW1/4, S1/2 NW1/4 SW1/4, All of Section 20, Township 41 North, Range 12 West, Gila & Salt River Meridian, Mohave County, Arizona."

The correct reading of said "Legal Description" is: "The N1/2 NE1/4 NW1/4, S1/2 NE1/4 NW1/4, N1/2 NW1/4 SW1/4, S1/2 NW1/4 SW1/4, All of Section 29, Township 41 North, Range 12 West, Gila & Salt River Meridian, Mohave County, Arizona."

This affidavit of correction serves to correct the inadvertent scrivener's error and to be attached to and become a part of the recorded Record of Survey.

KENNETH S. KLCO, being duly sworn, deposes and says that:

1. I am a resident of Fremont County, Colorado, and am over the age of 21 years.
2. I am a professional geologist. I hold a degree in geology from Bowling Green University, which I earned in 1974, and I have 27 years of experience in the field of mining geology, with extensive experience in exploration and reserve analysis of industrial minerals, especially gypsum. My experience includes work as a mining consultant and manager of mining operations for numerous clients throughout the Western United States and in Mexico and Canada.
3. I am, and at all times relevant to the events described in this affidavit was, the President of Azurite, Inc., in Cotopaxi, Colorado.
4. During September 2 through 5, 2000, Azurite, Inc. located the James Hardie Gypsum, Inc. Nos. 1 through 345 unpatented placer claims in Mohave County, Arizona, by placing corner posts and monuments and posting the Location Notices as required by Arizona law. The claims are described in Exhibit "A".
5. On November 14, 2000, I filed true and correct copies of the Location Notices Location with the Bureau of Land Management, Arizona State Office, in Phoenix, Arizona.

6. On November 15, 2000, I recorded true and correct copies of the Location Notices with the Mohave County Recorder in Kingman, Arizona.

7. At all times relevant to the location and filing, James Hardie Gypsum, Inc. was the real party in interest.

8. At all times relevant to the location and perfection, including execution of the Location Notices, I functioned as an officer and employee of Azurite, Inc.

9. When James Hardie Gypsum, Inc. conveyed its interest in the claims to Western Mining and Minerals, Inc. in February 2001, Azurite, Inc. executed a separate Quitclaim Mining Deed dated February 1, 2001, in favor of Western Mining and Minerals, Inc. with the intention of passing residual interest, if any, that might have resulted from the lack of clearer reference to the agency in the Location Notices.

Dated this 31 day of May, 2001.

Kenneth S. Klco

KENNETH S. KLCO, being duly sworn, deposes and says that:

1. I am a resident of Fremont County, Colorado, and am over the age of 21 years.
2. I am a professional geologist. I hold a degree in geology from Bowling Green University, which I earned in 1974, and I have 27 years of experience in the field of mining geology, with extensive experience in exploration and reserve analysis of industrial minerals, especially gypsum. My experience includes work as a mining consultant and manager of mining operations for numerous clients throughout the Western United States and in Mexico and Canada.
3. I am, and at all times relevant to the events described in this affidavit was, the President of Azurite, Inc., in Cotopaxi, Colorado.
4. During September 2 through 5, 2000, Azurite, Inc. located the James Hardie Gypsum, Inc. Nos. 1 through 345 unpatented placer claims in Mohave County, Arizona, by placing corner posts and monuments and posting the Location Notices as required by Arizona law. The claims are described in Exhibit "A".
5. On November 14, 2000, I filed true and correct copies of the Location Notices Location with the Bureau of Land Management, Arizona State Office, in Phoenix, Arizona.

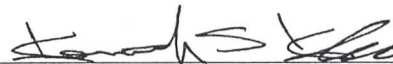

6. On November 15, 2000, I recorded true and correct copies of the Location Notices with the Mohave County Recorder in Kingman, Arizona.

7. At all times relevant to the location and filing, James Hardie Gypsum, Inc. was the real party in interest.

8. At all times relevant to the location and perfection, including execution of the Location Notices, I functioned as an officer and employee of Azurite, Inc.

9. When James Hardie Gypsum, Inc. conveyed its interest in the claims to Western Mining and Minerals, Inc. in February 2001, Azurite, Inc. executed a separate Quitclaim Mining Deed dated February 1, 2001, in favor of Western Mining and Minerals, Inc. with the intention of passing residual interest, if any, that might have resulted from the lack of clearer reference to the agency in the Location Notices.

Dated this 31 day of May, 2001.

Kenneth S. Klco

SUBSCRIBED AND SWORN to before me this 31 day of May, 2001.
