Placer Mining Claims
AMC356632 - 356633
El Diablo 1 and 2

Mining Claims Declared Null and Void Ab Initio In Part

The notices of location for the above listed claims were filed for recording in the Arizona State Office of the Bureau of Land Management, on September 30, 2002.

The location notices and maps show the claims located in the NE1/4 NE1/4, section 5, T. 18 S., R. 25 E., Gila and Salt River Meridian, Arizona. According to the BLM records, portions of this land are included in Mineral Patent 35979, patented on November 17, 1902, and Mineral Patent 29026, patented on February 17, 1898, with no surface or minerals reserved by the United States. Therefore, those portions of the El Diablo 1 and 2 mining claims that lie within the patented areas are hereby declared null and void ab initio. A copy of the Master Title Plat is enclosed for reference.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) or 43 CFR 2804.1 for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office.

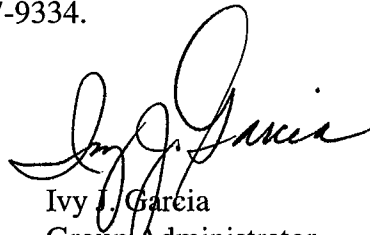

If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Amy Bunda at (602) 417-9334.

THE INTERIOR

- 1.1 Purpose.
- 1.2 Definitions.
- 1.3 Who may practice.
- 1.4 Disqualifications.
- 1.5 Signature to constitute certificate.
- 1.6 Disciplinary proceedings.

Authority: Sec. 5, 23 Stat. 101;
43 U.S.C. 1464.

Source: 29 FR 143, Jan. 7, 1964, unless
otherwise noted.

Sec. 1.1 Purpose.

This part governs the participation of individuals in proceedings, both formal and informal, in which rights are asserted before, or privileges sought from, the Department of the Interior.

Sec. 1.2 Definitions.

As used in this part the term:

(a) Department includes any bureau, office, or other unit of the Department of the Interior, whether in Washington, DC, or in the field, and any officer or employee thereof;

(b) Solicitor means the Solicitor of the Department of the Interior or his authorized representative;

(c) Practice includes any action taken to support or oppose the assertion of a right before the Department or to support or oppose a request that the Department grant a privilege; and the term "practice" includes any such action whether it relates to the substance of, or to the procedural aspects of handling, a particular matter. The term "practice" does not include the preparation or filing of an application, the filing without comment of documents prepared by one other than the individual making the filing, obtaining from the Department information that is available to the public generally, or the making of inquiries respecting the status of a matter pending before the Department. Also, the term "practice" does not include the representation of an employee who is the subject of disciplinary, loyalty, or other personnel administrative proceedings.

Sec. 1.3 Who may practice.

(a) Only those individuals who are eligible under the provisions of this section may practice before the Department, but this provision shall not be deemed to restrict the dealings of Indian tribes or members of Indian tribes with the Department.

(b) Unless disqualified under the provisions of Sec. 1.4 or by disciplinary action taken pursuant to Sec. 1.6:

(1) Any individual who has been formally

admitted to practice before the Department under any prior regulations and who is in good standing on December 31, 1963, shall be permitted to practice before the Department.

(2) Attorneys at law who are admitted to practice before the courts of any State, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, the Trust Territory of the Pacific Islands, or the District Court of the Virgin Islands will be permitted to practice without filing an application for such privilege.

(3) An individual who is not otherwise entitled to practice before the Department may practice in connection with a particular matter on his own behalf or on behalf of

(i) A member of his family;

(ii) A partnership of which he is a member;

(iii) A corporation, business trust, or an association, if such individual is an officer or full-time employee;

(iv) A receivership, decedent's estate, or a trust or estate of which he is the receiver, administrator, or other similar fiduciary;

(v) The lessee of a mineral lease that is subject to an operating agreement or sublease which has been approved by the Department and which grants to such individual a power of attorney;

(vi) A Federal, State, county, district, territorial, or local government or agency thereof, or a government corporation, or a district or advisory board established pursuant to statute; or

(vii) An association or class of individuals who have no specific interest that will be directly affected by the disposition of the particular matter.

Sec. 1.4 Disqualifications.

No individual may practice before the Department if such practice would violate the provisions of 18 U.S.C. 203, 205, or 207.

Sec. 1.5 Signature to constitute certificate.

When an individual who appears in a representative capacity signs a paper in practice before the Department, his signature shall constitute his certificate:

(a) That under the provisions of this part and the law, he is authorized and qualified to represent the particular party in the matter;

b) That, if he is the partner of a present or former officer or employee, including a special Government employee, the matter in respect of which he intends to practice is not a matter in which such officer or employee of the Government or special Government employee participates or

has participated personally and substantially as a Government employee through decision, approval, disapproval, recommendation, the rendering of advice, investigation or otherwise and that the matter is not the subject of such partner's official Government responsibility;

(c) That, if he is a former officer or employee, including a special Government employee, the matter in respect of which he intends to practice is not a matter in which he participated personally and substantially as a Government employee through decision, approval, disapproval, recommendation, the rendering of advice, investigation, or otherwise, while so employed and, if a period of one year has not passed since the termination of his employment with the Government, that the matter was not under his official responsibility as an officer or employee of the Government; and

(d) That he has read the paper; that to the best of his knowledge, information, and belief there is good ground to support its contents; that it contains no scandalous or indecent matter; and that it is not interposed for delay.

Sec. 1.6 Disciplinary proceedings.

(a) Disciplinary proceedings may be instituted against anyone who is practicing or has practiced before the Department on grounds that he is incompetent, unethical, or unprofessional, or that he is practicing without authority under the provisions of this part, or that he has violated any provisions of the laws and regulations governing practice before the Department, or that he has been disbarred or suspended by any court or administrative agency. Individuals practicing before the Department should observe the Canons of Professional Ethics of the American Bar Association and those of the Federal Bar Association, by which the Department will be guided in disciplinary matters.

(b) Whenever in the discretion of the Solicitor the circumstances warrant consideration of the question whether disciplinary action should be taken against an individual who is practicing or has practiced before the Department, the Solicitor shall appoint a hearing officer to consider and dispose of the case. The hearing officer shall give the individual adequate notice of, and an opportunity for a hearing on, the specific charges against him. The hearing shall afford the individual an opportunity to present evidence and cross-examine witnesses. The hearing officer shall render a decision either (1) dismissing the charges, or (2) reprimanding the individual or suspending or excluding him from practice before the Department.

(c) Within 30 days after receipt of the

decision of the hearing officer reprimanding, suspending, or excluding an individual from practice before the Department, an appeal may be filed with the Solicitor, whose decision shall be final.

Subpart B--General Rules Relating to Procedures and Practice

Sec. 4.20 Purpose.

In the interest of establishing and maintaining uniformity to the extent feasible, this subpart sets forth general rules applicable to all types of proceedings before the Hearings Division and the several Appeals Boards of the Office of Hearings and Appeals.

Sec. 4.21 General provisions.

(a) *Effect of decision pending appeal.* Except as otherwise provided by law or other pertinent regulation:

(1) A decision will not be effective during the time in which a person adversely affected may file a notice of appeal; when the public interest requires, however, the Director or an Appeals Board may provide that a decision, or any part of a decision, shall be in full force and effective immediately;

(2) A decision will become effective on the day after the expiration of the time during which a person adversely affected may file a notice of appeal unless a petition for a stay pending appeal is filed together with a timely notice of appeal; a petition for a stay may be filed only by a party who may properly maintain an appeal;

(3) A decision, or that portion of a decision, for which a stay is not granted will become effective immediately after the Director or an Appeals Board denies or partially denies the petition for a stay, or fails to act on the petition within the time specified in paragraph (b) (4) of this section.

(b) *Standards and procedures for obtaining a stay.* Except as otherwise provided by law or other pertinent regulation:

(1) A petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

(i) The relative harm to the parties if the stay is granted or denied,

(ii) The likelihood of the appellant's success on the merits,

(iii) The likelihood of immediate and irreparable harm if the stay is not granted, and

(iv) Whether the public interest favors granting the stay;

(2) The appellant requesting the stay bears the burden of proof to demonstrate that a stay should be granted;

APPEALS PROCEDURES
APPEALS PROCEDURES; GENERAL

Sec. 4.400 Definitions.

As used in this subpart:

(a) *Secretary* means the Secretary of the Interior or his authorized representatives.

(b) *Bureau* means Bureau of Land Management.

(c) *Board* means the Board of Land Appeals in the Office of Hearings and Appeals, Office of the Secretary. The terms *office* or *officer* as used in this subpart include Board where the context requires.

(d) *Administrative law judge* means an administrative law judge in the Office of Hearings and Appeals, Office of the Secretary, appointed under section 3105 of title 5 of the United States Code.

Sec. 4.401 Documents.

(a) *Grace period for filing.* Whenever a document is required under this subpart to be filed within a certain time and it is not received in the proper office during that time, the delay in filing will be waived if the document is filed not later than 10 days after it was required to be filed and it is determined that the document was transmitted or probably transmitted to the office in which the filing is required before the end of the period in which it was required to be filed. Determinations under this paragraph shall be made by the officer before whom is pending the appeal in connection with which the document is required to be filed.

(b) *Transferees and encumbrancers.* Transferees and encumbrancers of land the title to which is claimed or is in the process of acquisition under any public land law shall, upon filing notice of the transfer or encumbrance in the proper land office, become entitled to receive and be given the same notice of any appeal, or other proceeding thereafter initiated affecting such interest which is required to be given to a party to the proceeding. Every such notice of a transfer or encumbrance will be noted upon the records of the land office. Thereafter such transferee or encumbrancer must be made a party to any proceedings thereafter initiated adverse to the entry.

(c) *Service of documents.* (1) Wherever the regulations in this subpart require that a copy of a document be served upon a person, service may be made by delivering the copy personally to him or by sending the document by registered or certified mail, return receipt requested, to his address of record in the Bureau.

(2) In any case service may be proved by an acknowledgment of service signed by the person to be served. Personal service may be proved by a written statement of the

(3) The appellant shall serve a copy of its notice of appeal and petition for a stay on each party named in the decision from which the appeal is taken, and on the Director or the Appeals Board to which the appeal is taken, at the same time such documents are served on the appropriate officer of the Department; any party, including the officer who made the decision being appealed, may file a response to the stay petition within 10 days after service; failure to file a response shall not result in a default on the question of whether a stay should be granted; service shall be made by delivering copies personally or by sending them by registered or certified mail, return receipt requested;

(4) The Director or an Appeals Board shall grant or deny a petition for a stay pending appeal, either in whole or in part, on the basis of the factors listed in paragraph (b)(1) of this section, within 45 calendar days of the expiration of the time for filing a notice of appeal;

(c) *Exhaustion of administrative remedies.* No decision which at the time of its rendition is subject to appeal to the Director or an Appeals Board shall be considered final so as to be agency action subject to judicial review under 5 U.S.C. 704, unless a petition for a stay of decision has been timely filed and the decision being appealed has been made effective in the manner provided in paragraphs (a)(3) or (b)(4) of this section or a decision has been made effective pending appeal pursuant to paragraph (a)(1) of this section or pursuant to other pertinent regulation.

(d) *Finality of decision.* No further appeal will lie in the Department from a decision of the Director or an Appeals Board of the Office of Hearings and Appeals. Unless otherwise provided by regulation, reconsideration of a decision may be granted only in extraordinary circumstances where, in the judgment of the Director or an Appeals Board, sufficient reason appears therefor. Requests for reconsideration must be filed promptly, or within the time required by the regulations relating to the particular type of proceeding concerned, and must state with particularity the error claimed. The filing and pendency of a request for reconsideration shall not operate to stay the effectiveness of the decision involved unless so ordered by the Director or an Appeals Board. A request for reconsideration need not be filed to exhaust administrative remedies.

person who made such service. Service by registered or certified mail may be proved by a post-office return receipt showing that the document was delivered at the person's record address or showing that the document could not be delivered to such person at his record address because he had moved therefrom without leaving a forwarding address or because delivery was refused at that address or because no such address exists. Proof of service of a copy of a document should be filed in the same office in which the document is filed except that proof of service of a notice of appeal should be filed in the office of the officer to whom the appeal is made, if the proof of service is filed later than the notice of appeal.

(3) A document will be considered to have been served at the time of personal service, of delivery of a registered or certified letter, or of the return by post office of an undelivered registered or certified letter.

[36 FR 7186, Apr. 15, 1971, as amended at 36 FR 15117, Aug. 13, 1971]

Sec. 4.402 Summary dismissal.

An appeal to the Board will be subject to summary dismissal by the Board for any of the following causes:

(a) If a statement of the reasons for the appeal is not included in the notice of appeal and is not filed within the time required;

(b) If the notice of appeal is not served upon adverse parties within the time required; and

(c) If the statement of reasons, if not contained in the notice of appeal, is not served upon adverse parties within the time required.

(d) If the statement of standing required by Sec. 4.412(b) is not filed with the Board or is not served upon adverse parties within the time required.

[36 FR 7186, Apr. 15, 1971, as amended at 47 FR 26392, June 18, 1982]

Sec. 4.403 Finality of decision; reconsideration.

A decision of the Board shall constitute final agency action and be effective upon the date of issuance, unless the decision itself provides otherwise. The Board may reconsider a decision in extraordinary circumstances for sufficient reason. A petition for reconsideration shall be filed within 60 days after the date of a decision. The petition shall, at the time of filing, state with particularity the error claimed and include all arguments and supporting documents. The petition may include a request that the Board stay the effectiveness of the decision for which reconsideration is

sought. No answer to a petition for reconsideration is required unless so ordered by the Board. The filing, pendency, or denial of a petition for reconsideration shall not operate to stay the effectiveness or affect the finality of the decision involved unless so ordered by the Board. A petition for reconsideration need not be filed to exhaust administrative remedies.

[52 FR 21308, June 5, 1987]

APPEALS TO THE BOARD OF LAND APPEALS

Sec. 4.410 Who may appeal.

(a) Any party to a case who is adversely affected by a decision of an officer of the Bureau of Land Management or of an administrative law judge shall have a right to appeal to the Board, except--

(1) As otherwise provided in Group 2400 of chapter II of this title,

(2) To the extent that decisions of Bureau of Land Management officers must first be appealed to an administrative law judge under Sec. 4.470 and part 4100 of this title,

(3) Where a decision has been approved by the Secretary, and

(4) As provided in paragraph (b) of this section.

(b) For decisions rendered by Departmental officials relating to land selections under the Alaska Native Claims Settlement Act, as amended, any party who claims a property interest in land affected by the decision, an agency of the Federal Government or a regional corporation shall have a right to appeal to the Board.

[47 FR 26392, June 18, 1982]

Sec. 4.411 Appeal; how taken, mandatory time limit.

(a) A person who wishes to appeal to the Board must file in the office of the officer who made the decision (not the Board) a notice that he wishes to appeal. A person served with the decision being appealed must transmit the notice of appeal in time for it to be filed in the office where it is required to be filed within 30 days after the date of service. If a decision is published in the FEDERAL REGISTER, a person not served with the decision must transmit a notice of appeal in time for it to be filed within 30 days after the date of publication.

(b) The notice of appeal must give the serial number or other identification of the case and may include a statement of reasons for the appeal, a statement of standing if required by Sec. 4.412(b), and any arguments the appellant wishes to make.

(c) No extension of time will be granted for filing the notice of appeal. If a notice of appeal is filed after the grace

period provided in Sec. 4.401(a), the notice of appeal will not be considered and the case will be closed by the officer from whose decision the appeal is taken. If the notice of appeal is filed during the grace period provided in Sec. 4.401(a) and the delay in filing is not waived, as provided in that section, the notice of appeal will not be considered and the appeal will be dismissed by the Board.

(R.S. 2478, as amended, 43 U.S.C. 1201; sec. 25, Alaska Native Claims Settlement Act, as amended, 43 U.S.C. 1601-1628; and the Administrative Procedure Act, 5 U.S.C. 551, et seq.)
[36 FR 7186, Apr. 15, 1971, as amended at 36 FR 15117, Aug. 13, 1971; 49 FR 6373, Feb. 21, 1984]

(a) If the notice of appeal did not include a statement of the reasons for the appeal, the appellant shall file such a statement with the Board (address: Board of Land Appeals, Office of Hearings and Appeals, 4015 Wilson Boulevard, Arlington, VA 22203) within 30 days after the notice of appeal was filed. In any case, the Board will permit the appellant to file additional statements of reasons and written arguments or briefs within the 30-day period after the notice of appeal was filed.

(b) Where the decision being appealed relates to land selections under the Alaska Native Claims Settlement Act, as amended, the appellant also shall file with the Board a statement of facts upon which the appellant relies for standing under Sec. 4.410(b) within 30 days after filing of the notice of appeal. The statement may be included with the notice of appeal filed pursuant to Sec. 4.411 or the statement of reasons filed pursuant to paragraph (a) of this section or may be filed as a separate document.

(c) Failure to file the statement of reasons and statement of standing within the time required will subject the appeal to summary dismissal as provided in Sec. 4.402, unless the delay in filing is waived as provided in Sec. 4.401(a).

[47 FR 26392, June 18, 1982]

Sec. 4.413 Service of notice of appeal and of other documents.

(a) The appellant shall serve a copy of the notice of appeal and of any statement of reasons, written arguments, or briefs on each adverse party named in the decision from which the appeal is taken and on the Office of the Solicitor as identified in paragraph (c) of this section. Service must be accomplished in the manner prescribed in Sec. 4.401(c) of this title not later than 15 days after filing the document.

(b) Failure to serve within the time

required will subject the appeal to summary dismissal as provided in Sec. 4.402 of this title.

(c) (1) (i) If the appeal is taken from a decision of the Director, Minerals Management Service, the appellant will serve the Associate Solicitor, Division of Mineral Resources, Office of the Solicitor, U.S. Department of the Interior, Washington, D.C. 20240.

(c) (2) (ii) If the appeal is taken from a decision of other Bureau of Land Management (BLM) offices listed below (see Sec. 1821.2-1(d) of this title), the appellant shall serve the appropriate official of the Office of the Solicitor as identified:

ATTN: RICH GREENFIELD
U.S. DEPARTMENT OF THE INTERIOR
SANDRA DAY O'CONNOR US CT HOUSE, STE 404
401 W. WASHINGTON STREET, SPC 44
PHOENIX, AZ 85003-2151

(3) If the appeal is taken from the decision of an administrative law judge, the appellant shall serve the attorney from the Office of the Solicitor who represented the Bureau of Land Management or the Minerals Management Service at the hearing or, in the absence of a hearing, who was served with a copy of the decision by the administrative law judge. If the hearing involved a mining claim on national forest land, the appellant shall serve the attorney from the Office of General Counsel, U.S. Department of Agriculture, who represented the U.S. Forest Service at the hearing or, in the absence of a hearing, who was served with a copy of the decision by the administrative law judge.

(4) Parties shall serve the Office of the Solicitor as identified in this paragraph until such time that a particular attorney of the Office of the Solicitor files and serves a Notice of Appearance or Substitution of Counsel. Thereafter, parties shall serve the Office of the Solicitor as indicated by the Notice of Appearance or Substitution of Counsel.

(d) Proof of such service as required by Sec. 4.401(c) must be filed with the Board (address: Board of Land Appeals, Office of Hearings and Appeals, 4015 Wilson Boulevard, Arlington, VA 22203), within 15 days after service unless filed with the notice of appeal.

[53 FR 13267, Apr. 22, 1988, as amended at 60 FR 58242, Nov. 27, 1995;
61 FR 40348, Aug. 2, 1996]

Sec. 4.414 Answers.

If any party served with a notice of appeal wishes to participate in the proceedings on appeal, he must file an answer within 30 days after service on him of the notice of appeal or statement of reasons where such statement was not included in the notice of appeal. If additional reasons, written arguments, or briefs are filed by the appellant, the adverse party shall have 30 days after service thereof on him within which to answer them. The answer must state the reasons why the answerer thinks the appeal should not be sustained. Answers must be filed with the Board (address: Board of Land Appeals, Office of Hearings and Appeals, 4015 Wilson Boulevard, Arlington, VA 22203) and must be served on the appellant, in the manner prescribed in Sec. 4.401(c), not later than 15 days thereafter. Proof of such service as required by Sec. 4.401(c), must be filed with the Board (see address above) within 15 days after service. Failure to answer will not result in a default. If an answer is not filed and served within the time required, it may be disregarded in deciding the appeal, unless the delay in filing is waived as provided in Sec. 4.401(a).

ACTIONS BY BOARD OF LAND APPEALS

Sec. 4.415 Request for hearings on appeals involving questions of fact.

Either an appellant or an adverse party may, if he desires a hearing to present evidence on an issue of fact, request that the case be assigned to an administrative law judge for such a hearing. Such a request must be made in writing and filed with the Board within 30 days after answer is due and a copy of the request should be served on the opposing party in the case. The allowance of a request for hearing is within the discretion of the Board, and the Board may, on its own motion, refer any case to an administrative law judge for a hearing on an issue of fact. If a hearing is ordered, the Board will specify the issues upon which the hearing is to be held and the hearing will be held in accordance with Secs. 4.430 to 4.439, and the general rules in subpart B of this part.

DECISION

Joseph S. Thomas	:	Placer Mining Claims
443 Wright Street #210	:	AMC356632 - 356633
Lakewood, CO 80228	:	El Diablo 1 and 2

Mining Claims Declared Null and Void Ab Initio In Part

The notices of location for the above listed claims were filed for recording in the Arizona State Office of the Bureau of Land Management, on September 30, 2002.

The location notices and maps show the claims located in the NE1/4 NE1/4, section 5, T. 18 S., R. 25 E., Gila and Salt River Meridian, Arizona. According to the BLM records, portions of this land are included in Mineral Patent 35979, patented on November 17, 1902, and Mineral Patent 29026, patented on February 17, 1898, with no surface or minerals reserved by the United States. Therefore, those portions of the El Diablo 1 and 2 mining claims that lie within the patented areas are hereby declared null and void ab initio. A copy of the Master Title Plat is enclosed for reference.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) or 43 CFR 2804.1 for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office.

If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Amy Bunda at (602) 417-9334.

Receipt #2842630

To whom it may concern,

I was speaking with Susan at your office and she indicated that the preferred "Maintenance Fee Payment" form for Placer Mining Claims was form MCF112, however, on your website the only form available for download was form 3830-5a.

I took the liberty of filling out both forms to avoid any issues. Please use the desired form and discard the other.

Thank You
Joe Thomas

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St, N.W., Washington, D.C. 20240.
