CERTIFIED MAIL – RETURN RECEIPT REQUESTED No. 7007 3020 0000 8492 8495

Mr. Mike Ramer
400 East First Street, #127
Douglas, Arizona 85607

Dear Mr. Ramer:

This letter is in response to your letter of August 28, 2007, regarding Quit Claim Deeds for eight mining claims, AMC361966 through AMC361973. You stated that in signing the QCDs, you were acting on behalf of all owners of the claims. However, after reviewing the QCDs, there is no indication that you were acting on their behalf. The QCDs say "executed this 8th day of September 2006, by the First Party, North West Services Organization LLC, Mike Ramer."

North West Services Organization, LLC is one of eight locators on each of the claims, which are each 160 acres in size. A total of eight locators is required to locate a claim of this size. A corporation is considered to be one entity capable of locating a total of 20 acres. Therefore, we do not consider the other locators to be part of North West Services Organization, LLC but rather to be individual locators. If they are all part of North West Services Organization, LLC, your claims must be reduced to 20 acres in size.

You can act on behalf of the other individual locators if you have a proper Power of Attorney (POA) from each of them; however, you must indicate on the QCD that you are doing so by listing all of their names as the grantors.

If the other seven locators want to transfer their interest in the claims, please provide a QCD to that effect for each claim. The fee is $10 per claim per transferee.

Affidavit and Notice

Re: Notice of Withdrawal of Quit Claim Deed due to Fraud Regarding Coyote #20, AMC #361973, Fee #2006-024357

Dear County Recorder,

Effective as of the above date I am writing to you regarding the Quit Claim Deed signed February 20th 2006 and recorded February 21st 2006 for the Coyote #20 Claim, AMC# 361973, Pinal County Fee# 2006-024357, from **North West Services Organization LLC** AKA **N.W.S.O. LLC** USA to **Dorje LTD** in Canada. The BLM stamp shows February 21st 2006 at 3:25PM. A copy is attached to this Affidavit and Notice. We were promised significant funding and funding contracts, which never materialized. This Quit Claim Deed was signed under fraudulent conditions and misleading circumstances, and there has been no good faith efforts made by Dorje LTD or it principles to make happen any of the funding, a funding contract or any exchange of good and valuable consideration in relation to this Coyote property. The party also promised to return the Quit Claim **copy** and all other related materials as well but as of this date has not. We have retained the original.

Please consider this my formal request and demand not to process or record any transfers of interest in the Coyote #20, AMC# 361973 via this Fraudulently Induced Quit Claim Deed of February 20th 2006 Fee# 2006-[redacted]57 to Dorje LTD of Canada whose alleged address is c/o Penthouse Suite #9, Pinedale Estates, Edson [redacted]rta, Canada, T7E 1V9 and/or one Richard D. Jackson of Canada the alleged CEO of Dorje LTD or any [redacted]r Agent of said same. Please find attached copies of the BLM and County records. All forgoing statements are made under the penalties of perjury.

Sincerely,

Mike Ramer

RE: Notice of Withdrawal of Quit Claim for Coyote #20, AMC #361973, due to Fraud.

Dear County Recorder;

I am writing to you regarding the Quit Claim Deed signed on February 20th 2006 for the Coyote #20 Claim, AMC# 361973 from **N.W.S.O. LLC** USA, to **Dorje LTD** in Canada. The BLM Stamp shows February 21st 2006 at 3:25PM. We were promised significant funding and funding contracts, which never materialized. This Quit Claim Deed was signed under fraudulent conditions and misleading circumstances, and there has been no good faith efforts made to make happen any of the funding or even a funding contract in relation to this Coyote property. The party also promised to return the Quit Claim copy as well but as of this date has not. We have retained the original.

Please consider this my formal request and demand not to process or record any transfers of interest in the Coyote#20, AMC# 361973 via this Fraudulently induced Quit Claim Deed of February 20th 2006 to Dorje LTD of Canada or one Richard D. Jackson of Canada or any other Agent of said same. Please find attached copies of the BLM and County records.

Sincerely,

Michael Lloyd Ramer

RE: Notice of Withdrawal of Quit Claim for Coyote #20, AMC #361973, due to Fraud.

Dear Mary Hyde;

I am writing to you regarding the Quit Claim Deed signed on February 20th 2006 for the Coyote #20 Claim, AMC# 361973 from **N.W.S.O. LLC** to **Dorje LTD** in Canada. The BLM Stamp shows February 21st 2006 at 3:25PM. We were promised significant funding and funding contracts, which never materialized. This Quit Claim Deed was signed under fraudulent conditions and misleading circumstances, and there has been no good faith efforts made to make happen any of the funding or even a funding contract in relation to this Coyote property. The party also promised to return the Quit Claim copy as well but as of this date has not. We have retained the original.

Please consider this my formal request and demand not to process or record any transfers of interest in the Coyote#20, AMC# 361973 via this Fraudulently induced Quit Claim Deed of February 20th 2006 to Dorje LTD or one Richard D. Jackson or any other Agent of said same. Please find attached copies of the BLM and County records.

Sincerely,

Michael Lloyd Ramer

Managing Member

Dear Rod,

I am writing this notice after having a conversation with you and in that conversation I was advises to write this Notice for correction and update of the record, and that you would stamp and file it in the record. Please mail to the above address the final and stamped recording of these documents along with the Corrected Serial Register Pages.

Please take notice that I am the managing member for seven (7) LLC's and the President and CEO of one (1) corporation. These companies each own along with myself one of the Coyote mines listed above. These companies' names are listed herein above along with the name of the mine they hold. In addition I have and hold the Power of Attorney and Assignment of Rights (POA & AOR) from the other parties involved with these properties filed with the BLM December 17 2004. I used this POA/AOR to Quit Claim all rights and interests to these properties to the eight (8) companies listed herein above and myself on behalf of all the listed parties on the live Serial Register Page for each mine as well as on the location notices filed in 2004. We provided BLM and Pinal County the eight (8) Quit Claims on the dates listed above for each property. Please reflect these changes on each of the Serial Registers for these properties as well as any other records that may be affected. The Serial register should reflect the name of the company holding that particular mine with my name under the name and address heading on the appropriate Serial Register Page, and a code 396 indicating a transfer of interests on behalf of the other parties listed under the headings, Account, Date, Code, Action, Action Remarks, and Receipt Number.

I am inclosing a copy of the letter written to the BLM on November 14th 2005 regarding Coyote 17 AMC 361970, and a copy of the resulting Serial Register Page which I believe is correct and I think the other Serial Register pages for the other mines should be the same.

I am providing the waivers for this year reflecting the ownership as it is reflected on the current Serial Register Pages for each mine. In addition I am requesting that the above information is properly reflected on the appropriate Serial Register.

Rod, please note that there is an error on the Serial Register page for Coyote 20 AMC 361973. It lists as one of the owners Minera Estrella Dela Costa, LLC; this is wrong it should be Investors Benchmark, LLC as noted above and on the Quit Claim. Please make this correction as well.

Rod, please note that these errors are clerical in nature however these corrections are important to help us maintain a correct and accurate record. Please find attached copies of the original documents described herein along with copies of the County filing as we discussed.

I hereby attest by my signature that I am the originating entity of all these documents, and that I am the Managing Authority or Managing Member in all cases. I further state that I have and control all Powers of Attorney, Assignment of rights, and have full legal and lawful control for and of the properties described herein.

Sincerely,

Mike Ramer Managing Member or Managing Authority for;

RE:

REQUEST FOR CORRECTION OF ERROR MADE BY BLM

To Whom It May Concern:

I am the Managing Member and sole signatory of Investors Benchmark LLC who owns the Coyote #20 mining claim BLM - AMC 361973, BLM - Book or Fee Number 2004 - 051462, and the QCD was filed with BLM on December 29th 2006 and with Pinal County December 27th 2006 with the Fee Number 2006-176495. The QCD clearly states that the owners are Mike Ramer and Investors Benchmark LLC. The SERIAL NUMBER INDEX CLAIMS, AMC361973, PLACER CLAIM, COYOTE #20, shows Investors Benchmark Corporation. This is wrong and needs to be corrected to show Investors Benchmark LLC which is on the QCD and a copy is attached to this Request.

Sincerely,

Mike Ramer

RE:

REQUEST FOR CORRECTION OF ERROR MADE BY BLM

To Whom It May Concern:

I am the Managing Member and sole signatory of Investors Benchmark LLC who owns the Coyote #20 mining claim BLM - AMC 361973, BLM - Book or Fee Number 2004 - 051462, and the QCD was filed with BLM on December 29th 2006 and with Pinal County December 27th 2006 with the Fee Number 2006-176495. The QCD clearly states that the owners are Mike Ramer and Investors Benchmark LLC. The SERIAL NUMBER INDEX CLAIMS, AMC361973, PLACER CLAIM, COYOTE #20, shows Investors Benchmark Corporation. This is wrong and needs to be corrected to show Investors Benchmark LLC which is on the QCD and a copy is attached to this Request.

Sincerely,

Mike Ramer
Managing Member

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended,* and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of $100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

6. This waiver form **must** be signed by all the claimants or their designated agent, in original form. If an agent is designated, a notarized designation of agent, signed by all of the claimants with proper address given, **must** be submitted with this waiver.
7. This form **must** be filed no later than September 1st for the upcoming assessment year in the BLM State Office where the mining claims or sites are recorded, or the waiver cannot be granted by the BLM. (Example: to obtain a waiver for the assessment year 2000, which begins at noon on September 1, 1999, you **must** qualify for and file for a waiver no later than September 1, 1999, in the proper BLM State Office).
8. For all mining claims which require assessment work, you **must** record an affidavit of labor on or before the December 30th immediately following the filing of this waiver. For all other mining claims or sites waived, you must record a notice of intent to hold on or before the December 30th immediately following the filing of this waiver.
9. Mill and tunnel sites may also be listed upon this waiver and be waived from payment of the maintenance fee. A notice of intent to hold for these sites is required to be filed by the December 30th following the filing of this waiver.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended,* and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of $100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

INSTRUCTIONS

1. This certification is made under the provisions of § 1744 of Title 43 and § 28-28k of Title 30 of the United States Code; and the regulations thereunder (43 CFR Part 3830).
2. The claimant(s) **must** fill in the dates in paragraph 1 for the beginning and ending of the assessment year for which this waiver is sought.
3. The claimant(s) **must** fill in the date in paragraph 2 for the beginning of the assessment year for which this waiver is sought.
4. All claim and site names and Bureau of Land Management (BLM) serial numbers **must** be listed for the mining claims, mill sites, and tunnel sites for which the waiver is sought.
5. All owners of the mining claims, mill sites, and tunnel sites and their addresses **must** be given.
6. This waiver form **must** be signed by all the claimants or their designated agent, in original form. If an agent is designated, a notarized designation of agent, signed by all of the claimants with proper address given, **must** be submitted with this waiver.
7. This form **must** be filed no later than September 1st for the upcoming assessment year in the BLM State Office where the mining claims or sites are recorded, or the waiver cannot be granted by the BLM. (Example: to obtain a waiver for the assessment year 2000, which begins at noon on September 1, 1999, you **must** qualify for and file for a waiver no later than September 1, 1999, in the proper BLM State Office).
8. For all mining claims which require assessment work, you **must** record an affidavit of labor on or before the December 30th immediately following the filing of this waiver. For all other mining claims or sites waived, you must record a notice of intent to hold on or before the December 30th immediately following the filing of this waiver.
9. Mill and tunnel sites may also be listed upon this waiver and be waived from payment of the maintenance fee. A notice of intent to hold for these sites is required to be filed by the December 30th following the filing of this waiver.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended,* and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of $100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1)Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended,* and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1)Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of $100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.
