### Decision Vacated

The decision of February 21, 2006, declaring mining claim AMC362639 Null & Void Ab Initio is hereby vacated.

The claim was declared Null & Void Ab Initio because it is located on land that was patented under the Stockraising Homestead Act of December 16, 1916, and the proper procedures, as required by Public Law 103-23; 107 Stat. 60, effective October 13, 1993, were not followed when locating the mining claim.

Sufficient documentation has been provided by the owners of mining claim AMC362639, showing that they are the surface owners of the land in question and therefore are not subject to the requirement of Public Law 103-23. An amendment was filed to exclude 4 tax parcels from the mining claim, which are not owned by the claimants.

Our records have been updated to show that the mining claim is in good standing. If additional information is required, please contact Amy Bunda at (602) 417-9334. Please include your AMC serial number(s) on all correspondence.

### Mining Claims Declared Null and Void Ab Initio

On September 16, 2004, this office received a notice of location for recording the above listed mining claim.

The location notice and map show the claim is located in T. 10 S., R. 14 E., sec. 13, NE1/4 and SE1/4, Gila and Salt River Meridian, Arizona. According to the BLM records, this is private land that was patented under the Stock Raising Homestead Act of December 29, 1916 (43 U.S.C. 299), in patent number 1044785, dated March 12, 1931.

Prior to locating mining claims on lands patented under the Stock Raising Homestead Act, you must comply with Public Law 103-23; 107 Stat. 60, effective October 13, 1993, and the Code of Federal Regulations (CFR) 43 part 3838, which includes notifying the surface owner of your intent, as well as filing a Notice of Intent to Locate on Stock Raising Homestead Lands (NOITL) with BLM.

Our records do not show that you filed a NOITL prior to locating your mining claim. Therefore, the claim you located on these lands is declared null and void ab initio. A copy of the Master Title Plat is enclosed for reference.

You are required to reclaim all areas disturbed by your activities on lands encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability.

*Claim of mining claimants are the land owners as shown on tax records from the court. AB*

If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For lands administered by the BLM, if you fail to reclaim the lands to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs BLM incurs in removing and disposing of the property.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

#### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If no appeal is filed within 30 days, a refund of \$280 will be authorized, which includes \$155 for the initial location and maintenance fees and the 2006 maintenance fee paid on August 12, 2005.

BLM will retain the non-refundable \$10 processing fee paid. If additional information is required, please contact Amy Bunda at (602) 417-9334. Please include your AMC serial number(s) on all correspondence.

● **Comments:** Per our conversation regarding AMC362639 attached is the ownership map.

We had maintained Rancho Solano Association Claim AMC328590 from 1993-2004, then had a family crisis and overlooked paying the annual maintenance fee. There is no grace period so I had to re-establish them. As I explained we are in an unusual situation and greatly appreciate your reconsideration in this matter.

Thank you,

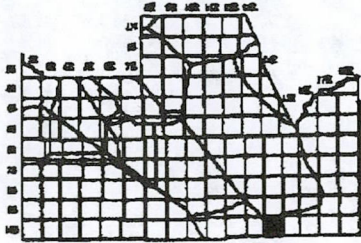

Dawn Doubek
