Mr. Carl Rice  
P.O. Box 12339  
Tucson, AZ 85732

Dear Mr. Rice:

On January 4, 2005, you filed with the Arizona State Office, Bureau of Land Management, two Notices of Intent to Locate Mining Claims (NOITL) under the Stock Raising Homestead Act of 1916, (43 U.S.C. 29, as amended by Public Law 103-23, April 16, 1993).

The Notices were assigned serial numbers AZA 32997 and AZA 32998. Enclosed are serial register pages identifying the serial numbers that were assigned to your NOITL's. Please refer to these serial numbers when corresponding with us and when filing your new claim location notices.

After reviewing your case file, all statutory and regulatory requirements have been met, therefore the 90-day segregation period began on January 4, 2005 and ends on April 4, 2005.

The authorized exploration period under the NOITL will begin 30 days from the date the surface owner has been served a copy of the NOITL by certified mail. You are then allowed the remainder of the 90-day segregation period to explore for a valuable mineral deposit and locate mining claims in accordance with 43 U.S.C. 3838(b). The certified card was signed or served on January 6, 2005; therefore you may begin your exploration and locate mining claims as of February 5, 2005 and continue through April 4, 2005.

Claimants are allowed to exercise their federal right of location of claims and to entry upon land where the surface is private and the minerals are reserved under the Stock Raising Homestead Act of 1916, as amended by Public Law 103-23, April 16, 1993. The amendment to the Act

provides that you may explore for minerals using casual use methods only. No mechanized equipment may be used to explore for minerals or to locate the claims.

If you locate mining claims during the time period mentioned above, you must submit a notice or plan of operation and obtain BLM's approval prior to conducting any operations as defined in 43 CFR 3809. The BLM Phoenix Field Office should be contacted for information concerning surface disturbance or plan of operations. The telephone number of the Phoenix Field Office is (623) 580-5500. Their address is 21605 North 7th Avenue, Phoenix, AZ 85027.

In addition to our request to transfer these unpatented mining claims, we also request that the Bureau of Land Management update the LR2000 Public Records database in order to correct certain errors and/or address the following issues:

1. Error in township designation – we believe that the townships designated for seven (7) of the claims (i.e., AMC serial numbers 352227, 352228, 352229, 352230, 352231, 352237, and 352238) are in error. These claims are currently coded as being located in Township 4 North in La Paz County. These claims are in fact located in Township 40 North in Mohave County, along with all the other claims that are the subject of this transfer request. We request that you correct these database errors at the time of the processing of this transfer request. ✓
2. Consolidate three separate customer identification numbers under one customer identification number assigned to Georgia-Pacific Gypsum LLC – we note that the 158 claims were located during three distinct and separate time periods, and that as a result, the database records reflect three distinct and separate business entities and customer identification numbers (i.e., “Georgia-Pacific Gypsum Corp” & 2099764; “G P Gypsum Corp” & 2120601; and “G-P Gypsum Corp” & 2102530). Despite the subtle differences in the business entity names currently coded in the database, all 158 claims were in fact located, maintained, and owned by the same business entities (i.e., either Georgia-Pacific Corporation or G-P Gypsum Corporation), which are the predecessor’s of the reorganized limited liability entities making the grant in the quitclaim deed. We request that you consolidate all 158 claims under one customer identification number assigned to Georgia-Pacific Gypsum LLC at the time of the processing of this transfer request.

**Re: Notice of Transfer of Unpatented Claims to Georgia-Pacific Gypsum LLC**

Dear Amy:

As you know, we represent Georgia-Pacific Gypsum LLC in certain legal matters. On July 10, 2007, we sent your office a letter, including an attached quitclaim deed, noticing the transfer of 158 unpatented mining claims (letter attached herein for reference, without original attachments).

Through email and personal communications with you, we understand that before the transfer can be effected, BLM requires documents relating to the change of name of the Grantor in the quitclaim deed. In addition, we understand that BLM requires a single fee of \$10.00 in order to properly effect the change of name for all the unpatented mining claims.

Therefore, attached please find the following:

1. Certificates of Conversion and Certificates of Formation evidencing that G-P Gypsum Corporation simultaneously converted to a limited liability company and changed its name to GP Gypsum Equity LLC, effective as of December 31, 2006 (the "Certificates"). The Certificates were recorded in the official records of Mohave County, Arizona on June 8, 2007 at Book 6831, Page 926, as Fee # 2007052535.
2. A check in the amount of \$10.00 to cover the fee associated with the change of name.

We understand that the Certificates will provide BLM with evidence of chain of title, and that once the change of name is properly processed by BLM, that BLM will be able to proceed with the transfer we originally requested in our July 10, 2007 letter.

**Re: Notice of Transfer of Unpatented Claims to Georgia-Pacific Gypsum LLC**

To Whom It May Concern:

We represent Georgia-Pacific Gypsum LLC in certain legal matters. Georgia-Pacific Gypsum LLC recently acquired a 100% interest in 158 unpatented mining claims as a result of the reorganization of the Georgia-Pacific Corporation and subsidiary entities into limited liability companies. On behalf of Georgia-Pacific Gypsum LLC, and in accordance with 43 CFR Pt. 3833, Subpt. C, as amended by 70 Fed. Reg. 58854 (Oct. 7, 2005), please accept the following as a notice of transfer of these 158 unpatented mining claims.

Attached hereto at Tab A is a copy of a quitclaim deed recorded in the official records of Mohave County, Arizona on June 8, 2007 at Book 6831, Page 933 as Fee # 2007052536. Attached to the deed at Exhibit "A" is a list of the relevant unpatented mining claims that have been transferred to Georgia-Pacific Gypsum LLC.

The appropriate contact and address for Georgia-Pacific Gypsum LLC relative to any actions taken on these unpatented mining claims is as follows:

Mr. Bob Shajary  
Chief Mining Engineer  
Georgia-Pacific Gypsum LLC  
1401 Pier D Street  
Long Beach, CA 90802

Also attached hereto is a check for the required nonrefundable transfer fee in the amount of \$1,580.00 (i.e., \$10.00 x 158 claims).

In addition to our request to transfer these unpatented mining claims, we also request that the Bureau of Land Management update the LR2000 Public Records database in order to correct certain errors and/or address the following issues:

1. Error in township designation – we believe that the townships designated for seven (7) of the claims (i.e., AMC serial numbers 352227, 352228, 352229, 352230, 352231, 352237, and 352238) are in error. These claims are currently coded as being located in Township 4 North in La Paz County. These claims are in fact located in Township 40 North in Mohave County, along with all the other claims that are the subject of this transfer request. We request that you correct these database errors at the time of the processing of this transfer request.
2. Consolidate three separate customer identification numbers under one customer identification number assigned to Georgia-Pacific Gypsum LLC – we note that the 158 claims were located during three distinct and separate time periods, and that as a result, the database records reflect three distinct and separate business entities and customer identification numbers (i.e., “Georgia-Pacific Gypsum Corp” & 2099764; “G P Gypsum Corp” & 2120601; and “G-P Gypsum Corp” & 2102530). Despite the subtle differences in the business entity names currently coded in the database, all 158 claims were in fact located, maintained, and owned by the same business entities (i.e., either Georgia-Pacific Corporation or G-P Gypsum Corporation), which are the predecessor’s of the reorganized limited liability entities making the grant in the quitclaim deed. We request that you consolidate all 158 claims under one customer identification number assigned to Georgia-Pacific Gypsum LLC at the time of the processing of this transfer request.

Please do not hesitate to contact me directly by telephone at 602-916-5450 or by email at [mmarra@fclaw.com](mailto:mmarra@fclaw.com) if you have any questions.

Sincerely,

FENNEMORE CRAIG
