You must provide the requested information for each claim listed above to correct the defects. Please do this by providing a copy of your location notice with the appropriate corrections, and note at the top of the form that it is a "Corrected Copy of Location Notice." If the information is not received within the 30-day timeframe, no further notice will be issued, and the mining claims will be considered null and void ab initio.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on land encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the BLM, if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, the BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs the BLM incurs in removing and disposing of the property.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

#### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,

- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

### Discrepancies Noted on Location Notice(s)

Pursuant to Title 43 Code of Federal Regulations 3832.1, this office received your notice(s) of location for recordation of mining claims.

However, the following discrepancies were noted:

- The legal description on the location notice does not match the depiction of the claim on the map. We have described the claim in our system according to the map. If this is not correct, you may want to either amend your location notice or provide a corrected map.
- The quarter section in which the claim lies is not included on the location notice, as required. We were able to determine this information from the map; however, you may want to amend your location notice to include the proper legal description. A proper legal description must include the state, meridian, township, range, section and by aliquot part to the quarter section.
- The legal description on the location notice contains only one quarter section; however, the map shows that the claim lies in more than one quarter section. We have entered all the quarter sections depicted on the map in our system. You may want to either amend your location notice or provide a corrected map.

Received 1/7/09 AB

X The map provided is not adequate. The map should clearly depict boundaries of the section and quarter section and where the claim lies within the quarter section. You may want to provide a corrected map that correctly depicts your claim.

If additional information is required, please contact Amy Bunda at 602-417-9334. Please include your AMC number(s) on all correspondence.

**NOTICE/BURDEN HOURS STATEMENT**

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

**AUTHORITY:** 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

**PRINCIPLE PURPOSE:** This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

**ROUTINE USE:** (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body: or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

**NOTICE/BURDEN HOURS STATEMENT**

The Privacy Act of 1974 and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of exemption from rental fees form.

The Paperwork Reduction Act of 1980 (44 U.S.C. 3501, et seq.) requires us to tell you that:

**AUTHORITY:** 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1740, and 1744; 43 CFR 3833 and 3850.

**PRINCIPLE PURPOSE:** This information is to be used to verify that the owner(s) of a mining claim has complied with the Act of August 10, 1993 (107 Stat. 312), and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

**ROUTINE USE:** (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by the Act of August 10, 1993 (107 Stat. 312). (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by the Act of August 10, 1993 (107 Stat. 312) and 43 CFR 3833 for those owner(s) wishing to take the small miners waiver allowed under 43 CFR 3833 and 3850. Failure to supply the information required in this form to support the owner(s) certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims declared null and void by the Bureau of Land Management (BLM).

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim maintenance fee established by the Act of August 10, 1993 (107 Stat. 312) and the implementing regulations at 43 CFR 3833 and 3850. A response to this request is required in accordance with the statute (107 Stat. 312) to retain your benefit.

Public reporting burden for this form is estimated to average 8 minutes per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the Department of the Interior, Bureau of Land Management, Information Collection Clearance Officer (DW-101) Denver Federal Center, Building 40, P.O. Box 25047, Denver, CO 80225-0047 and the Office of Management and Budget, Paperwork Reduction Project (1004-0114), Washington, D.C. 20503.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.
