Transfers Not Processed

On June 1, 2009, 16 Quit Claim Deeds (QCD) were received by the Arizona State Office, Bureau of Land Management (BLM), transferring 22 claims from Nature's Beauty Unlimited, LTD, ZPower Technologies LTD, Natural Stone and Minerals LLC, James Varney, Roy Arthur, and Nature's Beauty Unlimited LLC to Duell and Company, Inc.

The QCD's were erroneously processed as severed claims and given new claim numbers. Those numbers have been voided. All of these claims will retain their original AMC numbers.

The QCD's cannot be processed because the signature on the QCD's is not acceptable. The claims being transferred are owned by 4 different companies and 2 individuals, however there is only one signature on each QCD, that of Kathleen Richardson. It is unclear which company Kathleen Richardson represents. BLM requires a notarized signature for each owner of the mining claim who is transferring their interest in the claim. Because there are several companies involved in these transfers it is important to clearly show who is signing on behalf of each company. Also, the claim names listed on the QCD's are incorrect, based on the original location notices. The claim names on the QCD should match what was submitted on the original location notice.

Please obtain the correct signatures on each QCD, correct the claim names, and provide the corrected documents to this office within 30 days of your receipt of this notice. If we do not receive the corrected documents within 30 days of your receipt of this notice, no further action will be taken on these transfers and the non-refundable processing fee will be retained by BLM.

If additional information is required, please contact Amy Bunda at 602-417-9334. Please include your AMC serial number(s) on all correspondence.

Transfers Not Processed

On June 1, 2009, 16 Quit Claim Deeds (QCD) were received by the Arizona State Office, Bureau of Land Management (BLM), transferring 22 claims from Nature's Beauty Unlimited, LTD, ZPower Technologies LTD, Natural Stone and Minerals LLC, James Varney, Roy Arthur, and Nature's Beauty Unlimited LLC to Duell and Company, Inc.

The QCD's were erroneously processed as severed claims and given new claim numbers. Those numbers have been voided. All of these claims will retain their original AMC numbers.

The QCD's cannot be processed because the signature on the QCD's is not acceptable. The claims being transferred are owned by 4 different companies and 2 individuals, however there is only one signature on each QCD, that of Kathleen Richardson. It is unclear which company Kathleen Richardson represents. BLM requires a notarized signature for each owner of the mining claim who is transferring their interest in the claim. Because there are several companies involved in these transfers it is important to clearly show who is signing on behalf of each company. Also, the claim names listed on the QCD's are incorrect, based on the original location notices. The claim names on the QCD should match what was submitted on the original location notice.

Please obtain the correct signatures on each QCD, correct the claim names, and provide the corrected documents to this office within 30 days of your receipt of this notice. If we do not receive the corrected documents within 30 days of your receipt of this notice, no further action will be taken on these transfers and the non-refundable processing fee will be retained by BLM.

If additional information is required, please contact Amy Bunda at 602-417-9334. Please include your AMC serial number(s) on all correspondence.

TRANSFER HELD FOR CORRECTION

On January 17, 2006, a grant deed was filed with this office, dated November 3, 2005, that transferred the interest of the Kevin Gleaton in AMC367062 (Nature's Beauty No. 15) to Nature's Beauty Unlimited. This quitclaim deed cannot be processed because the referenced AMC number is incorrect. The deed contains the following description, "Part of AMC367062 the N½ of the NE¼ of Nature's Beauty Unlimited No.15". This parcel description is incorrect because on November 8, 2005, this office received a grant deed, dated November 2, 2005, with the same parcel description. The grant deed of November 2, 2005 was used to create the segregated claim AMC367840. Therefore, the correctly referenced AMC number should be AMC367840.

We are sending you a copy of the grant deed. Please make the necessary correction and return it to this office within 30 days of receipt. No additional funds are necessary if the corrections are received within 30 days of receipt of this notice. After that time, you will have to submit a new transfer document with a \$10 processing fee.

If you have any questions, please contact Rod Ebert at (602) 417-9397.

TRANSFER HELD FOR CORRECTION

On January 17, 2006, a grant deed was filed with this office, dated November 3, 2005, that transferred the interest of the Kevin Gleaton in AMC367062 (Nature's Beauty No. 15) to Nature's Beauty Unlimited. This quitclaim deed cannot be processed because the referenced AMC number is incorrect. The deed contains the following description, "Part of AMC367062 the N½ of the NE¼ of Nature's Beauty Unlimited No.15". This parcel description is incorrect because on November 8, 2005, this office received a grant deed, dated November 2, 2005, with the same parcel description. The grant deed of November 2, 2005 was used to create the segregated claim AMC367840. Therefore, the correctly referenced AMC number should be AMC367840.

We are sending you a copy of the grant deed. Please make the necessary correction and return it to this office within 30 days of receipt. No additional funds are necessary if the corrections are received within 30 days of receipt of this notice. After that time, you will have to submit a new transfer document with a \$10 processing fee.

If you have any questions, please contact Rod Ebert at (602) 417-9397.
