DECISION

Linda Shaw	:	Lode Mining Claims
7812 E. Green Ash Place	:	AMC369468 - 369471
Tulson, Arizona 85730	:	LIB 5 thru LIB 8

Mining Claims Declared Null and Void Ab Initio Transfers Not Processed

The mining claims listed above are hereby declared null and void ab initio because they were not filed within 90 days of the date of location. Pursuant to the requirements of the Federal Land Policy and Management Act of 1976 U.S.C. 1744, and the implementing regulations in 43 Code of Federal Regulations (CFR) 3833.11(a), location notices must be filed with the proper Bureau of Land Management (BLM) Office within 90 days from the date of location. In accordance with 43 CFR 3833.91, failing to record a mining claim or site within 90 days after it is located is a defect that cannot be cured and therefore results in forfeiture of the mining claim. The claims were located on October 23 and 24, 2005, and filed with BLM on January 23, 2006.

On March 23, 2006, a Quit Claim Deed, to transfer ownership of these four mining claims, was received by the Arizona State Office, Bureau of Land Management. Because the claims are null and void, we cannot process the transfers of interest.

You are required to reclaim all areas disturbed by your activities on lands encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For lands administered by the BLM, if you fail to reclaim the lands to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take

further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs BLM incurs in removing and disposing of the property.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If no appeal is filed within 30 days, you will receive a refund of \$1120 within 4 to 6 weeks. This includes \$30 per claim location fee, \$125 per claim 2006 maintenance fee, and \$125 per claim 2007 maintenance fee. The non-refundable \$15 per claim processing fee will be retained by BLM. If additional information is required, please contact Amy Bunda at 602-417-9334. Please include your AMC serial number(s) on all correspondence.

Hi Pauline, Thank you so much for your eagle eyes . The last years payment also had the wrong AMC number also but noone caught it.

YES you are correct. They were all filed at one time and our "A 42" mining claim should be: AMC 371075 as you said...Thank you again for correcting this matter... Please call anytime if I can be of further service...g
