## MANNER OF LOCATING MINING CLAIMS, TUNNEL RIGHTS AND MILL SITES

#### § 2303. Location of placer claims; manner of location; location by legal subdivision

The location of a placer claim shall be made in the following manner:

(a) By erecting at the point of discovery thereon a conspicuous and substantial monument, and by posting in or on the monument, a notice of location containing the name of the

claim, the name, current mailing address or current residence address of the locator or locators, the date of location, which shall be the date of posting such notice, the number of feet or acreage claimed, and such a description of the claim by reference to some natural object or permanent monument as will identify the claim located.

(b) By marking the boundaries so that they may be readily traced and by erecting at each corner of the claim, or at the nearest accessible points thereto, a conspicuous and substantial monument. Each corner monument shall bear or contain markings sufficient to appropriately designate the corner of the mining claim to which it pertains and the name of the claim.

Where the United States survey has been extended over the land embraced in the location, however, the claim may be taken by legal subdivisions and no other reference than those of such survey shall be required, and the boundaries of a claim so located and described need not be staked or monumented. The description by legal subdivisions shall be deemed the equivalent of marking.

(Stats. 1939, c. 93, p. 1080, § 2302. Amended by Stats. 1970, c. 90, p. 109, § 3.)

#### § 2312. Location of nonmineral land as millsite; manner of location

The proprietor of a vein or lode claim or mine, the proprietor of a placer claim, or the owner of a quartz mill or reduction works, or any person qualified by the laws of the United States may locate not more than five acres of nonmineral land as a millsite. The location shall be made and the claim boundaries marked in the same manner as required by Section 2303 for locating placer claims, except that the monument in or on which the notice of location is posted may be erected anywhere within the claim, and location work is not required.

(Stats. 1939, c. 93, p. 1083, § 2312. Amended by Stats. 1970, c. 90, p. 111, § 9.)
