MINING CLAIM DECLARED FORFEIT

The mining claim listed above has been declared forfeit as of September 1, 2013, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$140 per 20 acres, or submit a waiver, on or before September 1 of each year. (In accordance with 43 CFR 1822.14, because September 1, 2013, fell on a Sunday and Monday was a holiday, the payment was due the next business day, September 3, 2013.) These requirements were established by 30 U.S.C. 28f-l, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

The Bureau of Land Management (BLM) received a maintenance fee payment in the amount of \$5880, to be applied to a total of 42 claims; however the payment was insufficient to cover all the claims listed. Our records show AMC398263 LILIANA is 32.5 acres, therefore, the maintenance fee due for that claim was \$280 and the total due for all 42 claims listed was \$6020. The payment we received was applied to the claims in the order listed and became deficient for the last claim on the list, AMC371932 WHITE MARBLE 12, which is therefore declared forfeit.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management, if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Mining Claim(s) Declared Null and Void Ab Initio Subject to Compliance

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recording mining claims. In accordance with 43 CFR 3832.12, the claim(s) listed above cannot be accepted as filed and is/are declared null and void ab initio unless they are amended as noted below.

X	Excess Acreage Lode claim dimensions cannot exceed 1500 feet x 600 feet (20 acres). Placer claims cannot exceed 20 acres per individual locator, up to a maximum of 160 acres (with 8 locators). If a claim includes lots the lots must be included in the claim description. Complete lots must be included (they cannot be split) and if they cause the claim to encompass more than 160 acres, they must be excluded.
	Inadequate legal description – we cannot tell from the location notice or the map where the claim is located. You must describe the claim by state, meridian, township, range, section, complete lots, and by aliquot part to the quarter section. The map should clearly show the boundaries of both the section and quarter section, and should depict where within the quarter section the claim lies.

No map provided – you must show on a map or sketch the boundaries and position of the individual claim or site by aliquot part within the quarter section accurately enough for BLM to identify the mining claims or sites on the ground.

No amendment filed. Claims closed. aB
