LAST WILL AND TESTAMENT
of
DAVID R. WORKMAN

I, DAVID R. WORKMAN, being a resident of Pinal County, Arizona, declare this to be my Last Will and Testament and do hereby expressly revoke all other and former Wills and Codicils made by me. It is my intention by this Last Will and Testament to dispose of my share of the community property and of my separate property. With respect to property which my wife and I own in community at the time of my death, it is my intention by this Will to dispose of only my one-half (1/2) share therein. I confirm to my wife the other one-half (1/2) share therein, and I direct my Personal Representative to account to my wife for such share.

ARTICLE ONE. DECLARATIONS:

I declare that I am married to ELIZABETH A. WORKMAN and that I am the father of two (2) children born of this marriage, namely: STEPHEN R. WORKMAN, born June 18, 1963; and DONALD A. WORKMAN, born September 5, 1969.

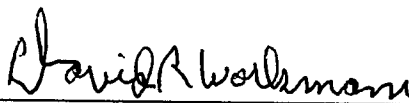

ARTICLE TWO. PAYMENT OF TAXES AND EXPENSES:

Except as otherwise expressly provided in this Article, I direct that all funeral expenses, expenses of my last illness, administration expenses and estate, inheritance and other taxes, including any interest and penalties thereon, payable in any jurisdiction by reason of my death shall be paid out of my residuary estate passing under this Will.

A. I waive any right of reimbursement for, recovery of, or contribution toward the payment of those taxes and administration expenses, except my personal representative shall, to the maximum extent permitted by law, seek reimbursement for, recovery of, or contribution toward the payment of federal or state estate taxes attributable to property in which I have a qualifying income interest for life, over which I have a power of appointment, or which is included in my gross estate by reason of Section 2036 of the Internal Revenue Code of 1986, as from time to time amended (the "Code"), and which tax is not otherwise paid or payable.

B. Any generation-skipping tax resulting from a transfer occurring under this Will shall be charged to the property constituting the transfer in the manner provided by applicable law.

C. If cash and readily marketable assets in my residuary estate are insufficient to make the foregoing payments in full, my Personal Representative shall certify the amount of the insufficiency to the then acting trustee of the trust named herein to receive my residuary estate for payment.

DAVID R. WORKMAN

D. I recommend that assets sold by my Personal Representative to make the foregoing payments be selected, to the extent practicable, so as to minimize the recognition by my estate of gain for federal income tax purposes. My Personal Representative shall make such elections under the tax laws as my Personal Representative deems advisable, without regard to the relative interests of the beneficiaries. Such authority specifically includes the power to select any alternative valuation date for death tax purposes and the power to determine whether any or all of the administration expenses of my estate are to be used as estate tax deductions or income tax deductions. No adjustment shall be made between the principal and income or in the relative interests of the beneficiaries to compensate for the effect of elections under the tax laws made by my Personal Representative or my trustee under the trust receiving my residuary estate passing under this Will. My Personal Representative shall not be liable to any beneficiary for tax consequences occasioned by reason of the allocation and distribution of property in kind, in full or in partial satisfaction of any beneficiary's interest in my estate.

ARTICLE THREE. SPECIFIC BEQUESTS OR DEVISES:

I reserve the right to make lists of my personal effects, household goods and other tangible personal property and designate in my handwriting or, if typewritten, by my signature, the person to whom I bequest each item of property on my death; and if I make such lists, I direct my Personal Representative to dispose of that tangible personal property in accordance with such lists, as provided in A.R.S. § 14-2513 (or any similar successor section or sections). My Personal Representative may assume that no written statement exists if none is found within ninety (90) days of the date of my death.

ARTICLE FOUR. DISPOSITION OF PERSONAL EFFECTS, ETC.:

Except as provided under ARTICLE THREE of this Will, I give and bequeath to my wife, ELIZABETH A. WORKMAN, if she is living on the thirtieth (30th) day after the date of my death, all articles, goods and effects of personal or household use and ornament including, but not limited to, clothing, jewelry, furniture, furnishings, works of art, bric-a-brac, musical instruments, silverware, chinaware, glassware, linens, stores, family automobiles, boats, sporting goods, transferable club memberships, and all policies of fire, burglary, property damage and other insurance on or in connection with the uses of any of the above-mentioned objects, together with any prepaid premiums thereof.

A. In the event my wife is not living on the thirtieth (30th) day after the date of my death, then I give and bequeath this property to my children who are living on the thirtieth (30th) day after the date of my death, to be divided equally between them by agreement. If my children do not agree between themselves about the division thereof within one hundred twenty (120) days after my death, I give my Personal Representative full power and authority to divide this property between my children in shares as nearly equal in value as may be, and such determination with respect thereto

DAVID R. WORKMAN

shall be binding and conclusive on my children.

B. If neither my wife nor any child of mine is living on the thirtieth (30th) day after the date of my death, this property shall be sold and the proceeds therefrom included in my residuary estate.

C. All costs of safeguarding, insuring, packing, and storing my tangible personal property before its distribution and of delivering each item to the beneficiary of that item, whether distributed pursuant to this Article or the foregoing Article, shall be deemed to be expenses of administration of my estate.

ARTICLE FIVE. DISPOSITION OF RESIDUE:

I give, devise and bequeath all of the rest, residue, and remainder of my estate, whether real, personal or mixed and wheresoever situated, which I shall own or otherwise have the right to dispose of by Will at the time of my death (my "residuary estate"), but expressly excluding any property over which I may have a power of appointment, to the Trustee of that certain trust known as THE DAVID R. AND ELIZABETH A. WORKMAN FAMILY TRUST, dated October 10th, 2009 (the "Trust"), which Trust was created pursuant to a trust agreement which my wife and I executed as the Trustors, which residuary estate shall be added to and become part of the corpus thereof, to be held and administered as part of said Trust, including any amendments made thereto prior to the date of my death.

A. Any devise under this Will which is conditioned upon the survival of the named devisee shall, in the event of failure of such survival (and in the absence of provision for an alternative disposition), lapse and become a part of my residuary estate as herein defined. If any tangible personal property forming the subject matter of any legacy provided for under this Will is not in my possession or cannot be located at the time of my death, such legacy shall be treated as an ademption.

B. The property passing under this Article shall be held, administered and distributed in accordance with all the provisions of the trust agreement by which the Trust was established, including any amendments thereto in effect at my death. In the event the Trust shall, for any reason, not be in effect at the time of my death, then I give, devise and bequeath all of the rest, residue, and remainder of my estate in accordance with the provisions contained in said trust agreement, to be held, administered and distributed as provided therein, including any amendments thereto, which provisions are incorporated by reference herein as a testamentary trust.

C. In the event that assets of my estate are by the terms of this Will to become a part of any trust and if such assets will immediately be distributed upon receipt thereof by the trustee of such trust, such assets may be distributed by my Personal Representative in exactly the same manner

as provided in such trust, in order to avoid the needless transfer of property to the trustee as a preliminary step to the distribution to the ultimate beneficiaries.

ARTICLE SIX. NOMINATION OF PERSONAL REPRESENTATIVE:

I designate, nominate and request the appointment of my wife, ELIZABETH A. WORKMAN, and my sons, STEPHEN R. WORKMAN and DONALD A. WORKMAN, as Co-Personal Representatives of this, my Last Will and Testament, to serve without bond. If any of the foregoing-named persons is unable, fails or ceases to serve, then the others (or the one) of said persons who are then willing to serve are appointed to serve as Co-Personal Representatives, or sole Personal Representative, as the case may be, of this, my Last Will and Testament, to serve without bond. Any reference to my Personal Representative in this Will shall include any Successor Personal Representative acting hereunder.

ARTICLE SEVEN. POWERS OF PERSONAL REPRESENTATIVE:

My Personal Representative shall have all the powers conferred upon fiduciaries under the laws of the State of Arizona, including, but not limited to, the power to renounce and disclaim, in whole or in part, and in accordance with applicable Federal and state law, any property or the succession to any property, or part thereof, or interest herein, of every kind, character, and description, wherever located, expressly including any property over which I may have a power of appointment or any power (or part thereof) with respect to any property, in the same capacity and manner in which I could have effectively renounced and disclaimed said property, interests, and powers.

A. My Personal Representative shall have all the powers to (i) make such elections under the tax laws as my Personal Representative deems advisable, including an election to create qualified terminable interest property for both estate and generation-skipping tax purposes or for estate tax purposes alone, and (ii) allocate the unused portion, if any, of my GST exemption (as defined herein) to any property with respect to which I am the transferor for generation-skipping tax purposes (irrespective of whether such property passes under this Will) in such manner as my Personal Representative deems advisable, in each case without regard to the relative interests of the beneficiaries; however, my Personal Representative shall not make adjustments between principal and income, or in the interests of the beneficiaries, to compensate for the effects of such elections and allocation. Any decision made by my Personal Representative with respect to the exercise of any tax election or the allocation of my GST exemption shall be binding and conclusive on all persons. As used in this paragraph, the "GST exemption" means the exemption from generation-skipping tax allowed under Section 2631 of the Code.

B. Should it be necessary for a Personal Representative of my estate to qualify in any jurisdiction wherein my Personal Representative named herein cannot or may not desire to qualify as such, then I appoint as Personal Representative therein such person or corporation as may be

designated by my Personal Representative named herein. Such substituted Personal Representative shall, without giving bond or other security, have in such jurisdiction all the rights, privileges, powers, discretions and duties conferred or imposed upon my Personal Representative by the provisions hereunder.

ARTICLE EIGHT. SPENDTHRIFT:

It is my will, and I so direct, that neither the principal nor income of any portion of my estate distributable to a beneficiary under this Will shall, in any way, be liable for the debts of any beneficiary thereto, nor shall same be subject to seizure by any creditor of any beneficiary thereof in any proceedings whatsoever; and the beneficiaries of my Will shall not have the power or right to sell, assign, transfer, encumber, hypothecate, dispose of, or anticipate any portion of my estate distributable to such beneficiary pursuant to this Will, whether principal or income thereof.

ARTICLE NINE. CONSTRUCTION AND DEFINITIONS:

In the construction and interpretation of this Will, the following shall apply:

A. Wife: The term "wife" when used herein refers to my present spouse, ELIZABETH A. WORKMAN; provided, however, if on the date of my death (i) she is not married to me, (ii) my wife and I are legally separated, or (iii) my wife is a party to a proceeding for dissolution of our marriage, then for all purposes under this Will my wife shall be deemed to have predeceased me.

B. Child: The terms "child" and "children" as used herein shall specifically refer to STEPHEN R. WORKMAN and DONALD A. WORKMAN.

C. Pronouns: All pronouns shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons referred to may require.

D. Severability: If one or more of the provisions of this Will, or any application thereof, shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions, and any application thereof, shall in no way be affected or impaired.

E. Law Applicable: This Will, the application and interpretation hereof, and the rights of the beneficiaries hereunder shall be governed and controlled exclusively by its terms and by the laws of the State of Arizona.

I, the undersigned testator, sign my name to this instrument this 10th day of October, 2009, and being first duly sworn, do hereby declare to the undersigned authority that I sign and execute this

DAVID R. WORKMAN

instrument as my last Will and that I sign it willingly, that I execute it as my free and voluntary act for the purposes therein expressed, and that I am eighteen (18) years of age or older, of sound mind, and under no constraint or undue influence.

LAST WILL AND TESTAMENT
of
DAVID R. WORKMAN

I, DAVID R. WORKMAN, being a resident of Pinal County, Arizona, declare this to be my Last Will and Testament and do hereby expressly revoke all other and former Wills and Codicils made by me. It is my intention by this Last Will and Testament to dispose of my share of the community property and of my separate property. With respect to property which my wife and I own in community at the time of my death, it is my intention by this Will to dispose of only my one-half (1/2) share therein. I confirm to my wife the other one-half (1/2) share therein, and I direct my Personal Representative to account to my wife for such share.

ARTICLE ONE. DECLARATIONS:

I declare that I am married to ELIZABETH A. WORKMAN and that I am the father of two (2) children born of this marriage, namely: STEPHEN R. WORKMAN, born June 18, 1963; and DONALD A. WORKMAN, born September 5, 1969.

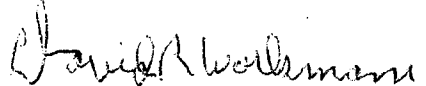

ARTICLE TWO. PAYMENT OF TAXES AND EXPENSES:

Except as otherwise expressly provided in this Article, I direct that all funeral expenses, expenses of my last illness, administration expenses and estate, inheritance and other taxes, including any interest and penalties thereon, payable in any jurisdiction by reason of my death shall be paid out of my residuary estate passing under this Will.

A. I waive any right of reimbursement for, recovery of, or contribution toward the payment of those taxes and administration expenses, except my personal representative shall, to the maximum extent permitted by law, seek reimbursement for, recovery of, or contribution toward the payment of federal or state estate taxes attributable to property in which I have a qualifying income interest for life, over which I have a power of appointment, or which is included in my gross estate by reason of Section 2036 of the Internal Revenue Code of 1986, as from time to time amended (the "Code"), and which tax is not otherwise paid or payable.

B. Any generation-skipping tax resulting from a transfer occurring under this Will shall be charged to the property constituting the transfer in the manner provided by applicable law.

C. If cash and readily marketable assets in my residuary estate are insufficient to make the foregoing payments in full, my Personal Representative shall certify the amount of the insufficiency to the then acting trustee of the trust named herein to receive my residuary estate for payment.

DAVID R. WORKMAN

D. I recommend that assets sold by my Personal Representative to make the foregoing payments be selected, to the extent practicable, so as to minimize the recognition by my estate of gain for federal income tax purposes. My Personal Representative shall make such elections under the tax laws as my Personal Representative deems advisable, without regard to the relative interests of the beneficiaries. Such authority specifically includes the power to select any alternative valuation date for death tax purposes and the power to determine whether any or all of the administration expenses of my estate are to be used as estate tax deductions or income tax deductions. No adjustment shall be made between the principal and income or in the relative interests of the beneficiaries to compensate for the effect of elections under the tax laws made by my Personal Representative or my trustee under the trust receiving my residuary estate passing under this Will. My Personal Representative shall not be liable to any beneficiary for tax consequences occasioned by reason of the allocation and distribution of property in kind, in full or in partial satisfaction of any beneficiary's interest in my estate.

ARTICLE THREE. SPECIFIC BEQUESTS OR DEVISES:

I reserve the right to make lists of my personal effects, household goods and other tangible personal property and designate in my handwriting or, if typewritten, by my signature, the person to whom I bequest each item of property on my death; and if I make such lists, I direct my Personal Representative to dispose of that tangible personal property in accordance with such lists, as provided in A.R.S. § 14-2513 (or any similar successor section or sections). My Personal Representative may assume that no written statement exists if none is found within ninety (90) days of the date of my death.

ARTICLE FOUR. DISPOSITION OF PERSONAL EFFECTS, ETC.:

Except as provided under ARTICLE THREE of this Will, I give and bequeath to my wife, ELIZABETH A. WORKMAN, if she is living on the thirtieth (30th) day after the date of my death, all articles, goods and effects of personal or household use and ornament including, but not limited to, clothing, jewelry, furniture, furnishings, works of art, bric-a-brac, musical instruments, silverware, chinaware, glassware, linens, stores, family automobiles, boats, sporting goods, transferable club memberships, and all policies of fire, burglary, property damage and other insurance on or in connection with the uses of any of the above-mentioned objects, together with any prepaid premiums thereof.

A. In the event my wife is not living on the thirtieth (30th) day after the date of my death, then I give and bequeath this property to my children who are living on the thirtieth (30th) day after the date of my death, to be divided equally between them by agreement. If my children do not agree between themselves about the division thereof within one hundred twenty (120) days after my death, I give my Personal Representative full power and authority to divide this property between my children in shares as nearly equal in value as may be, and such determination with respect thereto

shall be binding and conclusive on my children.

B. If neither my wife nor any child of mine is living on the thirtieth (30th) day after the date of my death, this property shall be sold and the proceeds therefrom included in my residuary estate.

C. All costs of safeguarding, insuring, packing, and storing my tangible personal property before its distribution and of delivering each item to the beneficiary of that item, whether distributed pursuant to this Article or the foregoing Article, shall be deemed to be expenses of administration of my estate.

ARTICLE FIVE. DISPOSITION OF RESIDUE:

I give, devise and bequeath all of the rest, residue, and remainder of my estate, whether real, personal or mixed and wheresoever situated, which I shall own or otherwise have the right to dispose of by Will at the time of my death (my "residuary estate"), but expressly excluding any property over which I may have a power of appointment, to the Trustee of that certain trust known as THE DAVID R. AND ELIZABETH A. WORKMAN FAMILY TRUST, dated October 10th, 2009 (the "Trust"), which Trust was created pursuant to a trust agreement which my wife and I executed as the Trustors, which residuary estate shall be added to and become part of the corpus thereof, to be held and administered as part of said Trust, including any amendments made thereto prior to the date of my death.

A. Any devise under this Will which is conditioned upon the survival of the named devisee shall, in the event of failure of such survival (and in the absence of provision for an alternative disposition), lapse and become a part of my residuary estate as herein defined. If any tangible personal property forming the subject matter of any legacy provided for under this Will is not in my possession or cannot be located at the time of my death, such legacy shall be treated as an ademption.

B. The property passing under this Article shall be held, administered and distributed in accordance with all the provisions of the trust agreement by which the Trust was established, including any amendments thereto in effect at my death. In the event the Trust shall, for any reason, not be in effect at the time of my death, then I give, devise and bequeath all of the rest, residue, and remainder of my estate in accordance with the provisions contained in said trust agreement, to be held, administered and distributed as provided therein, including any amendments thereto, which provisions are incorporated by reference herein as a testamentary trust.

C. In the event that assets of my estate are by the terms of this Will to become a part of any trust and if such assets will immediately be distributed upon receipt thereof by the trustee of such trust, such assets may be distributed by my Personal Representative in exactly the same manner

as provided in such trust, in order to avoid the needless transfer of property to the trustee as a preliminary step to the distribution to the ultimate beneficiaries.

ARTICLE SIX. NOMINATION OF PERSONAL REPRESENTATIVE:

I designate, nominate and request the appointment of my wife, ELIZABETH A. WORKMAN, and my sons, STEPHEN R. WORKMAN and DONALD A. WORKMAN, as Co-Personal Representatives of this, my Last Will and Testament, to serve without bond. If any of the foregoing-named persons is unable, fails or ceases to serve, then the others (or the one) of said persons who are then willing to serve are appointed to serve as Co-Personal Representatives, or sole Personal Representative, as the case may be, of this, my Last Will and Testament, to serve without bond. Any reference to my Personal Representative in this Will shall include any Successor Personal Representative acting hereunder.

ARTICLE SEVEN. POWERS OF PERSONAL REPRESENTATIVE:

My Personal Representative shall have all the powers conferred upon fiduciaries under the laws of the State of Arizona, including, but not limited to, the power to renounce and disclaim, in whole or in part, and in accordance with applicable Federal and state law, any property or the succession to any property, or part thereof, or interest herein, of every kind, character, and description, wherever located, expressly including any property over which I may have a power of appointment or any power (or part thereof) with respect to any property, in the same capacity and manner in which I could have effectively renounced and disclaimed said property, interests, and powers.

A. My Personal Representative shall have all the powers to (i) make such elections under the tax laws as my Personal Representative deems advisable, including an election to create qualified terminable interest property for both estate and generation-skipping tax purposes or for estate tax purposes alone, and (ii) allocate the unused portion, if any, of my GST exemption (as defined herein) to any property with respect to which I am the transferor for generation-skipping tax purposes (irrespective of whether such property passes under this Will) in such manner as my Personal Representative deems advisable, in each case without regard to the relative interests of the beneficiaries; however, my Personal Representative shall not make adjustments between principal and income, or in the interests of the beneficiaries, to compensate for the effects of such elections and allocation. Any decision made by my Personal Representative with respect to the exercise of any tax election or the allocation of my GST exemption shall be binding and conclusive on all persons. As used in this paragraph, the "GST exemption" means the exemption from generation-skipping tax allowed under Section 2631 of the Code.

B. Should it be necessary for a Personal Representative of my estate to qualify in any jurisdiction wherein my Personal Representative named herein cannot or may not desire to qualify as such, then I appoint as Personal Representative therein such person or corporation as may be

designated by my Personal Representative named herein. Such substituted Personal Representative shall, without giving bond or other security, have in such jurisdiction all the rights, privileges, powers, discretions and duties conferred or imposed upon my Personal Representative by the provisions hereunder.

ARTICLE EIGHT. SPENDTHRIFT:

It is my will, and I so direct, that neither the principal nor income of any portion of my estate distributable to a beneficiary under this Will shall, in any way, be liable for the debts of any beneficiary thereto, nor shall same be subject to seizure by any creditor of any beneficiary thereof in any proceedings whatsoever; and the beneficiaries of my Will shall not have the power or right to sell, assign, transfer, encumber, hypothecate, dispose of, or anticipate any portion of my estate distributable to such beneficiary pursuant to this Will, whether principal or income thereof.

ARTICLE NINE. CONSTRUCTION AND DEFINITIONS:

In the construction and interpretation of this Will, the following shall apply:

A. Wife: The term "wife" when used herein refers to my present spouse, ELIZABETH A. WORKMAN; provided, however, if on the date of my death (i) she is not married to me, (ii) my wife and I are legally separated, or (iii) my wife is a party to a proceeding for dissolution of our marriage, then for all purposes under this Will my wife shall be deemed to have predeceased me.

B. Child: The terms "child" and "children" as used herein shall specifically refer to STEPHEN R. WORKMAN and DONALD A. WORKMAN.

C. Pronouns: All pronouns shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons referred to may require.

D. Severability: If one or more of the provisions of this Will, or any application thereof, shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions, and any application thereof, shall in no way be affected or impaired.

E. Law Applicable: This Will, the application and interpretation hereof, and the rights of the beneficiaries hereunder shall be governed and controlled exclusively by its terms and by the laws of the State of Arizona.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that: This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:
This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.
