SRHA Notice of Intent  
to Locate Mining Claims  
AZA33860

### ADDITIONAL INFORMATION REQUIRED

On February 1, 2007, you submitted a Notice of Intent to Locate (NOITL) mining claims under the Stock Raising Homestead Act of 1916, (43 U.S.C. 29, as amended by Public Law 103-23, April 16, 1993) (the Act).

The NOITL was assigned serial number, AZA33860. Please reference this serial number when corresponding with us, and when filing your new mining claim location notices.

Both statutory and regulatory requirements must be met when filing a NOITL. You have not met all of the statutory requirements at 43 CFR 3838.10; therefore, the 90-day segregation period has not yet begun. You must submit a map of the area described on the NOITL. When we receive the map, the 90-day segregation period will begin.

You have not yet met all of the regulatory requirements at 43 CFR 3838.10; however, these are curable defects. During the 90-day segregation period you must submit the following:

- (1) Evidence of surface ownership of all parcels covered by the NOITL obtained from the tax records of the local government. The evidence must show the name of the persons paying the taxes, and must contain a legal description of the taxed parcel.
- (2) A copy of the certified card as proof that you served a copy of the NOITL on the surface owner.
- (3) Telephone number of the surface owner.

If the regulatory information is not received within the 90-day segregation period, the NOITL will be rejected, and any mining claims filed in connection with the NOITL will be rejected.

If additional information is required, please contact Amy Bunda at 602-417-9334.

A handwritten signature in black ink, appearing to read "Alvin L. Burch". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
