TIGER EAST NO 2, NORTH TIGER NO 1

MINING CLAIMS DECLARED FORFEIT

The mining claims listed above have been declared forfeit as of September 1, 2015, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeit.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if you fail to

reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Pauline Brown at 602-417-9360.

Discrepancies Noted on Location Notice(s)

Pursuant to Title 43 Code of Federal Regulations 3832.1, this office received your notice(s) of location for recordation of mining claims.

However, the following discrepancies were noted:

- The legal description on the location notice does not match the depiction of the claim on the map. We have described the claim in our system according to the map. If this is not correct, you may want to either amend your location notice or provide a corrected map.
- The quarter section in which the claim lies is not included on the location notice, as required. We were able to determine this information from the map; however, you may want to amend your location notice to include the proper legal description. A proper legal description must include the state, meridian, township, range, section and by aliquot part to the quarter section.
- The legal description on the location notice contains only one quarter section; however, the map shows that the claim lies in more than one quarter section. We have entered all the quarter sections depicted on the map in our system. You may want to either amend your location notice or provide a corrected map.

_____ The map provided is not adequate. The map should clearly depict boundaries of the section and quarter section and where the claim lies within the quarter section. You may want to provide a corrected map that correctly depicts your claim.

If additional information is required, please contact Tony Smith at 602-417-9355. Please include your AMC number(s) on all correspondence.

No Rights Acquired on Portions of Lode Claim(s)

Pursuant to Title 43 Code of Federal Regulations 3832.1, this office received your notice(s) of location for recordation of mining claims.

However, portions of the lode mining claim(s) listed above appear to lie within lands that are not open to location for the following reason:

- Patented land – Federal Government does not administer the surface or subsurface estate.
- Surface was reconveyed to the U.S. but the subsurface estate was retained by the grantor.
- Stock Raising Homestead Land – private surface, Federal subsurface, but proper procedure must be followed prior to location.
- Land is withdrawn and not open to mining.
- Land is segregated.
- Acquired subsurface estate.

Therefore, although the claim(s) has/have been recorded, you have acquired no rights on any portion of the subject mining claim(s) that lie within these lands. Enclosed for reference is a copy of the Master Title Plat.

If additional information is required, please contact Tony Smith at 602-417-9355. Please include your AMC serial number(s) on all correspondence.
