MINING CLAIMS
DECLARED FORFEITED

The mining claims listed above have been declared forfeited for failure to file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$140, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 (United States Code) 28-f-k, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records do not show receipt of a maintenance fee payment, or waiver received on or before September 1, 2010, for the 2011 assessment year, for the claims listed above. Therefore, the claims are forfeited.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability.

If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Tony Smith at 602-417-9355.

INSTRUCTIONS

1. This is an optional form that may be used to satisfy the requirements for the Bureau of Land Management (BLM) under the provisions of 43 U.S.C. §1744 and 30 U.S.C. §28f and the regulations thereunder (43 CFR part 3834). Since local and State laws may vary, you should contact your local and State agencies where the claims are located to ensure all applicable laws and requirements are satisfied.
2. This form should be used to pay the maintenance fee for lode mining claims, mill sites, and tunnel sites only. To pay the maintenance fee for placer mining claims, use Form 3830-5a.
3. Complete the section for the number of claims and the amount being remitted to the BLM.
4. Enter the year in paragraph 2 for the applicable assessment year.
5. List all mining claim or site names and the BLM serial number associated to the claim or site, if the BLM has notified you what the serial number is. Every attempt should be made to include the current BLM serial number for each claim or site listed.
6. The name and current mailing addresses of the person paying the maintenance fee(s) should be listed at the top of the form. If this is a change of address for a claimant, that should also be noted.
7. If needed, an additional sheet can be used to continue listing claim and site names and BLM serial numbers, or the name and current mailing address of additional claimants.
8. If paying by credit card, you must complete the following credit card information on page 3: (a) exact name on the face of the credit card; (b) amount paid; (c) type of card; (d) credit card number; (e) expiration date of the card; and (f) telephone number. NOTICES

THE PRIVACY ACT and 43 CFR 2.48(d) require that you be furnished with the following information in connection with the information requested by this form.

AUTHORITY: 30 U.S.C. 28f and 43 CFR part 3834 permit collection of the information requested by this form.

PRINCIPAL PURPOSE: The BLM will use the information you provide to record the annual maintenance fee payment for the claims and sites listed and to verify that payment has been made in accordance with 30 U.S.C. 28f and 43 CFR part 3834.

ROUTINE USES: The BLM will only disclose this information in accordance with the provisions at 43 CFR 2.56(b) and (c).

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of the requested information is required by 30 U.S.C. 28f and 43 CFR part 3834 for claimants paying the annual maintenance fee. The use of this specific form when paying the maintenance fee is optional. However, when paying the maintenance fee, it is the requested information on this form that is required to be submitted along with the fee. Failure to submit all the required information will delay the BLM's processing of the information and may preclude the BLM's acceptance of the maintenance fee payment, which may result in forfeiture of the mining claim(s) or site(s) by the claimant.
