MINING CLAIM(S) DECLARED FORFEITED

The mining claim(s) listed above has/have been declared forfeited for failure to file the required maintenance fee payment or small miner's maintenance fee waiver (waiver) on or before September 1, 2009.

Claimants are required to pay an annual non-refundable maintenance fee of \$125, or submit a waiver, on or before September 1 of each year. There is no grace period and late filings cannot be accepted. These requirements were established by 30 (United States Code) 28-f-k, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records show that we did receive either a maintenance fee payment or a waiver for the above listed mining claim(s); however your document was received after September 1, 2009. Therefore, the claim(s) is/are forfeited. If you paid the maintenance fee, it will be refunded to you after the 30 day appeal period expires.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.
