MINING CLAIMS  
DECLARED FORFEITED

The mining claims listed above have been declared forfeited for failure to file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$140, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 (United States Code) 28-f-k, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records do not show receipt of a maintenance fee payment, or waiver received on or before September 1, 2010, for the 2011 assessment year, for the claims listed above. Therefore, the claims are forfeited.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability.

ENTERED INTO COMPUTER  
3/10/2011 TS

If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

#### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Tony Smith at 602-417-9355.

MINING CLAIMS  
DECLARED FORFEITED

The mining claims listed above have been declared forfeited for failure to file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$140, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 (United States Code) 28-f-k, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records do not show receipt of a maintenance fee payment, or waiver received on or before September 1, 2010, for the 2011 assessment year, for the claims listed above. Therefore, the claims are forfeited.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability.

If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

#### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Tony Smith at 602-417-9355.

### Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

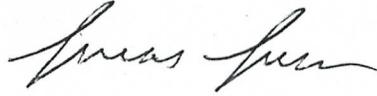

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below:

The waiver is signed by an agent; however no Power of Attorney was provided giving the agent authority to sign on behalf of the claim owners. A Power of Attorney must accompany the waiver document. The execution date on the Power of Attorney must be current within 3 years.

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$155 per claim (\$155 per 20 acres for placer claims larger than 20 acres). If we do not receive the requested corrections or the maintenance fees within the 60 day time frame, the claim(s) will be declared forfeited and closed.

If additional information is required, please contact Brent Squires at 602-417-9397. Please include your AMC serial number(s) on all correspondence.

**The Privacy Act** and 43 CFR 2.48(d) require that you be furnished the following information in connection with the information requested by this form.

**AUTHORITY:** 30 U.S.C. 28f and 43 CFR part 3835 permit collection of the information requested by this form.

**PRINCIPAL PURPOSE:** The BLM will use the information you provide to verify that the owner(s) (claimants(s)) of a mining claim has/have complied with 30 U.S.C. 28f and 43 CFR part 3835 and is/are entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

**ROUTINE USES:** The BLM will only disclose this information in accordance with the provisions at 43 CFR 2.56(b) and (c).

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of the requested information is required by 30 U.S.C. 28f and 43 CFR part 3835 for those claimants qualified to request the small miner waiver allowed. Failure to submit all the requested information or to complete this form will delay the BLM's processing of the form and may preclude the BLM's acceptance of the maintenance fee waiver request, which may result in forfeiture of the mining claim or site by the claimant.

**The Paperwork Reduction Act** requires us to inform you that:

The BLM collects this information to determine whether or not you are qualified for waiver of maintenance fees.

Submission of the requested information is necessary to obtain or retain a benefit.

You do not have to respond to this or any other Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

**BURDEN HOURS STATEMENT:** Public reporting burden for this form is estimated to average 20 minutes per response, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. You may submit comments regarding the burden estimate or any other aspect of this form to: U.S. Department of the Interior, Bureau of Land Management (1004-0114), Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

**AUTHORITY:** 30 U.S.C. 28f and 43 CFR part 3835 permit collection of the information requested by this form.

**PRINCIPAL PURPOSE:** The BLM will use the information you provide to verify that the owner(s) (claimants(s)) of a mining claim has/have complied with 30 U.S.C. 28f and 43 CFR part 3835 and is/are entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

The BLM collects this information to determine whether or not you are qualified for waiver of maintenance fees.

Submission of the requested information is necessary to obtain or retain a benefit.

**ROUTINE USE:** (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St. N.W.
