### 2013 Maintenance Fees - Additional Fees Required

Your maintenance fee payment for the 2013 assessment year, in the amount of \$140 per claim, for the placer claims listed above, has been received and is insufficient. **The total due on your claim(s) is: \$140.**

In accordance with the Consolidated Appropriations Act of 2012, Public Law 112-74 (125 Stat 1047), and FR44155-44158 (2012) Congress changed the way maintenance fees for placer mining claims are assessed. Instead of charging the maintenance fee on a per-claim basis, Congress stated that the fee, which is currently \$140, will be assessed on each 20 acre parcel of a placer claim or portion thereof.

Insufficient payment of the annual maintenance fee for the 2013 assessment year is a curable defect. **Therefore you are required to do one of the following within 30 days of receipt of this notice or your claim(s) will be declared forfeited:** 1) submit additional fees of \$140 per 20-acres or portion thereof based on the full acreage of the claim, or 2) amend the claim(s) to reduce the acres so a lesser fee is due and submit any additional fees due; or 3) relinquish the claim(s) in their entirety, in which case BLM will refund the maintenance fees you have already paid for the 2013 assessment year.

If you choose to amend the claims to reduce the acres, you must submit an amended location notice for each claim, with an accurate description and dimensions of the reduced claim, along with a map depicting the reduced claim, and a \$10 processing fee per amendment. An amendment must also be recorded at the county. If the amended claim contains more than 20 acres, calculate the additional fees due and submit those fees with the amendment(s).

Please include your Arizona Mining Claim (AMC) serial number(s) and claim name(s) when submitting the additional fees, and note that you are paying additional fees due. If additional information is required, please contact Amy Thrower at 602-417-9334.

Mining Claim(s) Declared Null and Void In Part

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recordation of mining claims. The mining claim(s) listed above is/are hereby declared null and void in part.

Portions of the mining claim(s) listed above lie on land that is not open to location. The claim is partially located on land that is patented and therefore not open to location. The Federal Government does not administer the surface or subsurface estate.

Therefore, those portions of the claims listed above that lie within the lands not open to location are hereby declared null and void. A copy of the Master Title Plat is enclosed for reference.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) or 43 CFR 2804.1 for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

#### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC serial number(s) on all correspondence.
