MINERAL WASH GOLD, CAMP WASH GOLD #1

MINING CLAIMS DECLARED FORFEIT

The mining claims listed above have been declared forfeited for failure to file the required affidavit of labor for the 2016 assessment year.

A small miner's maintenance fee waiver certification was filed for these claims for the 2016 assessment year, which began on September 1, 2015, and ended September 1, 2016. Therefore, pursuant to regulations found at 43 CFR 3835.16 and 3835.31, an affidavit of labor for the 2016 assessment year must have been filed on or before December 30, 2016, along with a \$10 processing fee per claim. Failure to timely file this affidavit and fee constitutes a forfeiture of the claims (43 CFR 3835.91).

Our records do not show receipt of an affidavit of labor for the 2016 assessment year for the claims listed above. **We did receive a notice of intent to hold; however, that does not satisfy the requirement for an affidavit of labor.** In accordance with 43 CFR 3835.32, unless your claim was located during the current calendar year or the Bureau of Land Management (BLM) approved a deferment of the assessment work, you must perform at least \$100 of labor on your claim and file an Affidavit of Labor on or before December 30 for each year you filed a small miner waiver. Therefore, the claims are declared forfeit.

Reclamation Requirements

You are required to reclaim all areas disturbed by your activities on lands encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site

inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the BLM, if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- 1) The relative harm to the parties if the stay is granted or denied,
- 2) The likelihood of the appellant's success on the merits,
- 3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- 4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please contact RéAnn Myers at 602-417-9413.

MINING CLAIMS DECLARED FORFEIT

The mining claims listed above have been declared forfeit as of September 1, 2016, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeit.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if you fail to

reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

HAZELWOOD, MO 63042-1552

This decision affects those claims shown
in the block below.

AMC415922, AMC405037, AMC405335

MOLLY DAVENPORT, RED HAWK GOLD, GOLDEN SPUR

MINING CLAIMS DECLARED FORFEIT

The mining claims listed above have been declared forfeit as of September 1, 2016, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeit.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if you fail to

reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Rod Ebert at 602-417-9397.

Transfer(s) Not Processed

A conveyance document to transfer ownership of the mining claim(s) listed above was received by the Bureau of Land Management (BLM) Arizona State Office. The transfer(s) of ownership cannot be processed for the following reason(s):

We received your request to process Quitclaim Deeds. We are unable to do a transfer of interest on AMC405331 as it was closed in 2016. Please make sure that the AMC Number is correct. Also, in order to do a name change you will need to provide either corporate documents showing the name change or a Notarized Quitclaim Deed transferring interest from Almaglobe Group Inc to Jade Success Holdings Inc.

If appropriate, please submit a corrected conveyance document, required documents, or additional fees, within 30 days of your receipt of this notice. If the required information is not received within the 30-day timeframe, no further action will be taken, and the BLM will retain the non-refundable processing fees submitted.

If additional information is required, please contact Iran Ortega at 602-417-9355. Please include your AMC serial number(s) on all correspondence.

Mining Claims Declared Forfeited Excess Acres

In accordance with 43 CFR 3830.94, the mining claims listed above are hereby declared forfeited because a required amendment was not received.

You received a Notice requiring that the claims listed above be amended due to excess acres or that documentation be submitted supporting discovery of a valuable mineral deposit prior to the date of transfer. The amendments or documentation were required to be filed within 30 days of the date you received the Notice. The 30 day timeframe allowed has expired and no amendments or documentation have been received.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on land encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures,

material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, the BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs the BLM incurs in removing and disposing of the property.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your Arizona Mining Claim (AMC) serial number(s) and claim name(s) on all correspondence.

Association Placer Mining Claims Documentation or Amendments Required

The mining claims listed above are association placer mining claims that are over 20 acres in size. The claims were originally located with the required number of locators to meet the 20-acre per locator requirement. However, the claims are now held by a smaller group of claimants than originally located them and are therefore not in compliance with the legal requirements.

By law, each individual claimant is allowed to hold a maximum of 20 acres per claim. A corporation is considered to be a single entity that is allowed to hold a maximum of 20 acres per claim. In accordance with 43 CFR 3833.33 you may transfer, sell, or otherwise convey an association placer mining claim at any time to an equal or greater number of mining claimants. If you want to transfer an association placer claim to an individual or an association that is smaller in number than the association that located the claim you (a) must have discovered a valuable mineral deposit before the transfer; or (b) upon notice from the Bureau of Land Management (BLM), you must reduce the acreage of the claim, if necessary, so that you meet the 20-acre per locator limit.

In reviewing the case file for these claims it was noted that at the time of transfer to an individual or smaller number of locators than originally located the claims, BLM did not receive documentation supporting that a discovery of a valuable mineral deposit was made. Without this documentation we cannot determine if the claims are being properly held by the correct number

AMMOUNT RECEIVED
3/18/2016.

of claimants. Therefore, we are requiring that the appropriate documentation be submitted to BLM. We are enclosing a list to clarify what documentation must be provided to BLM to support the discovery of a valuable mineral deposit.

If you have the required documentation, dated **prior** to the date of transfer, you may file it with this office for review by a mineral examiner. If you do not have the proper documentation, you must amend the claims listed above, reducing the acreage to 20 acres per claimant, as is allowed by law.

We must receive either documentation supporting a discovery of a valuable mineral deposit, or amendments within 30 days of your receipt of this notice. If the required documentation or the amendments are not received within the 30-day timeframe the mining claims will be declared forfeited and void. If amendments are filed, there is a \$10 BLM processing fee for each amendment. The amendments must also be filed with the county.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.

AMC 405327 Boot Jack Gold

Dear ReAnn Myers,

You notified us that the way we hold the Boot Jack Gold mining claim with AMC number 405327 is not the correct way to do so. We are ready to comply with the law and hope to present you here with the correct documents/ modifications.

1./ Here I attach the 2 Location notices for placer mining claims, based on how you advised us: one plain form and one Amendment.

2./In the matter of name change: Originally this claim was under Almaglobe Group Inc. (that had to be closed (pls see attached) on Dec 21, 2015 and on the same day Jade Success Holdings Inc was opened (Pls see attached) (because of identity theft started by someone and we could catch it in time). Every asset this company had was automatically owned by the new, successor company as it was decided by the company and was recorded in the minutes (pls see attached) of the meeting related to it. Please records the name change.

At the same time we had to make changes on the Canadian side as well: Shiodema Inc (Which owned this company originally) was closed (pls see attached)and Almaglobe Group Inc (Canada) was opened at the same time(pls see attached)>

3./Check contains the following amounts in details:

-name change	\$10.00
-Location notice for placer mining claim	\$210.00
-Location notices for placer mining claim- amendment	<u>\$10.00</u>
Summary	\$230.00

4./We have one more case when we have to change the name, but that will be prepared through a different document and handed in somewhat later.
