RE: *Maintenance of Pre-1993 Lode Claims and Millsites; 2012 Appropriations Act*

Ladies and Gentlemen:

During the last couple days some attorneys and offices of the Bureau of Land Management have raised a question about the year end filings required to maintain lode mining claims, millsites and tunnelsites located prior to August 10, 1993.

The argument, as we understand it, is that an error in the language of the 2012 Appropriations Act implies that the claim maintenance fee did not apply to lode claims, millsites and tunnelsites located before August 10, 1993, which we believe would further imply that the prior law would be triggered which would in turn require the filing of a "notice of intent to hold" in the form recorded (or would be recorded) with the county to be filed with the applicable office of the Bureau of Land Management on or before December 30, 2012.

Accordingly, enclosed is the "Certification of Payment of the Claim Maintenance Fee in Lieu of Affidavit of Assessment Work" for Redstone Resources Corporation ("Redstone") as recorded in Yavapai County under Book 4903, Page 659 which contains language that also constitutes a "notice of intent to hold." We further believe that if the above argument has any merit (which we don't) the applicable filing fee the \$10 per claim fee associated with the filing of a "notice of intent to hold" under prior law has already been paid by way of the claim maintenance fees remitted to the BLM on August 27, 2012 for all of Redstone's active mining claims, including those that were located prior to August 10, 1993.
