The Privacy Act and 43 CFR 2.48(d) require that you be furnished the following information in connection with the information requested by this form.

AUTHORITY: 30 U.S.C. 28f and 43 CFR part 3835 permit collection of the information requested by this form.

PRINCIPAL PURPOSE: The BLM will use the information you provide to verify that the owner(s) (claimants(s)) of a mining claim has/have complied with 30 U.S.C. 28f and 43 CFR part 3835 and is/are entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USES: The BLM will only disclose this information in accordance with the provisions at 43 CFR 2.56(b) and (c). EFFECT OF NOT PROVIDING INFORMATION: Disclosure of the requested information is required by 30 U.S.C. 28f and 43 CFR part 3835 for those claimants qualified to request the small miner waiver allowed. Failure to submit all the requested information or to complete this form will delay the BLM's processing of the form and may preclude the BLM's acceptance of the maintenance fee waiver request, which may result in forfeiture of the mining claim or site by the claimant.

The Paperwork Reduction Act requires us to inform you that:

The BLM collects this information to determine whether or not you are qualified for waiver of maintenance fees.

Submission of the requested information is necessary to obtain or retain a benefit.

You do not have to respond to this or any other Federal agency-sponsored information collection unless it displays a currently valid OMB control number.
