Mining Claims Declared Forfeited

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notices of location for recordation of mining claims. An insufficient amount of money was received with the claims. Therefore, the claims listed above are declared forfeited.

The location dates on the claims are prior to September 1, 2012, which means they were located in the 2012 assessment year. Therefore, in accordance with 43 CFR 3830.21, the new mining claim fees of a \$15 service fee, \$34 location fee, and \$140 maintenance fee per 20 acres contained in the claim, for the 2012 assessment year were due at the time you recorded the claims with BLM. ~~The total for the 10 claims listed above is \$10,850. We received only \$1,890.~~

In addition, because the claims were not record the until after September 1, 2012, the 2013 assessment year maintenance fee of \$140 per 20 acres contained in the claim, was also due at the time of recordation. In accordance with 43 CFR 3830.25 and 3830.91, the fees must be paid in full at the time you record a new mining claim, or the claim will be forfeited. ~~The total amount required for 2013 maintenance fees for the 10 claims listed above would be \$10,360.~~

Although the additional fees required to locate new association placer claims are curable for any claims recorded prior to December 31, 2012, the maintenance fees for the 2013 assessment year are not curable. In order to be afforded an opportunity to cure the additional maintenance fees, we must have received at least a payment of \$140 toward each claim. We did not receive any payment for the 2013 assessment fees. Therefore, the claims are declared forfeited.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact Tony Smith at 602-417-9355. Please include your AMC serial number(s) on all correspondence.
