### 2013 Maintenance Fees Due on Claims under a Waiver

A Maintenance Fee Waiver Certification (small miner waiver) was filed for the 2013 assessment year for the mining claims listed above. In accordance with 43 CFR 3835.1, to qualify for a small miner waiver you and all related parties must hold no more than a total of 10 mining claims or sites nationwide. Since the commencement of the 2013 assessment year, the owner(s) of these mining claims has acquired and now owns in excess of 10 mining claims nationwide, which means they no longer qualify for the small miner waiver.

The Bureau of Land Management records show that James Morris owns 88 active mining claims.

Therefore, in accordance with 43 CFR 3835.20, and *Randi Rovetto, Et Al.*, 177 IBLA 257, the waiver is immediately cancelled and the 2013 Maintenance Fees of \$140 per claim per 20 acres are due on the claims listed above. BLM must receive the maintenance fee for these mining claims on or before September 1, 2013. If we do not receive the fee, the claims will be forfeited and closed. At that same time (on or before September 1, 2013) the maintenance fees for the 2014 assessment year are also due.
