Attn: Mr. Tony Smith

RE: Mining Claim
3800 (9310) TS
AMC 418636 – WISHBONE mining claim/Stock Raising Homestead Act ref.

Dear Mr. Smith

I am writing in regards to our recent phone conversation concerning your office's certified letter declaring the above cited mining claim as being declared null and void. In your letter (copy attached) you advised that my claim is located on Patented Stock raising Homestead Land. As we discussed I have not mined nor prospected on this claim. As I discussed with you, I have interest in five other mining claims and I and my wife have spent our time recreational mining on a couple of these other claims. As a result we have not disturbed any areas contained on the "Wishbone" claim in question.

Since our conversation on December 11, 2013, I have removed all corner markers/monuments from this claim. It was unfortunate that I could not have been informed of the status of this land at the time of my filing, in which case, this all could have been avoided. In our phone conversation you informed me that a refund of the maintenance fees paid was appropriate. In that regard, on November 2, 2012, I paid by personal check \$140 maintenance fee for 2013; and on May 1, 2013 I paid another \$140 maintenance fee for 2014 paid by personal check as well. Therefore, as discussed please issue a refund in the amount of \$280 for reimbursement of Maintenance fees on the above cited "Wishbone" claim. Please be so kind to issue the refund to my PO Box 7434, Chandler, AZ 85246-7434 address as US mail cannot be received at my residence address.

Very truly yours,

Larry C. Selberg

In accordance with 43 CFR 3833.91, the claim(s) listed above is/are hereby declared null and void ab initio for the reason indicated below. A copy of the Master Title Plat is enclosed for your convenience, if applicable.

The placer claim Wishbone, (AMC418636) is located on land that was patented under the Stock Raising Homestead Act of December 29, 1916, (43 U.S.C. 299), patent #1079416. This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on land encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the

noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, the BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs the BLM incurs in removing and disposing of the property.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact Tony Smith at 602-417-9355. Please include your AMC serial number(s) on all correspondence.
