INSTRUCTIONS

1. This is an optional form that may be used to satisfy the requirements for the Bureau of Land Management (BLM) under the provisions of 43 U.S.C. §1744 and 30 U.S.C. §28-28d and the regulations thereunder (43 CFR part 3835). Since local and State laws may vary, you should contact your local and State agencies where the claims are located to ensure all applicable laws and requirements are satisfied.
2. The claimant(s) must fill in the date in paragraph 1 for the applicable assessment year and the county and state where the claims are located.
3. All claim names, BLM serial numbers, legal descriptions, and original county recording information must be listed for the claims pertaining to this assessment notice.
4. The claimant(s) must complete paragraph 2 listing all labor or improvements which was performed on or did benefit the subject mining claims. The value and date of the labor or improvements must also be listed. The total amount of labor or improvements can be listed, but the total expenditure must equal at least \$100 for each claim.
5. The names and current mailing addresses of the person(s) performing the labor shall be listed in paragraph 3.
6. The name and current mailing address of each owner (claimant) of the claims shall be listed in paragraph 4. The mailing address shall be the owner's address and not the address of an agent or anyone representing the claimant. Be sure to note if there has been a change of address.
7. Paragraph 5 shall be completed to show the date it was verified that all monuments required by law were properly erected, all notices were posted, and that corners were appropriately designated for all claims listed.
8. An exact legible reproduction or duplicate (other than microfilm or other electronic media) of this affidavit or another type of affidavit of assessment work that you file or will file in the county where each claim is located, must be filed with the BLM on or before December 30 of the calendar year in which the assessment year ends. COURTESY NOTICE

A small miner's maintenance fee waiver certification was filed for these claims, AMC396424, 396425, 396426, 396427, 396428, 396429, 402287, 402288, 420810, 420811, for the 2015 assessment year, which began on September 1, 2014, and ended September 1, 2015. Therefore, pursuant to regulations found at 43 CFR 3835.16 and 3835.31, an affidavit of labor must be filed for the 2015 assessment year **on or before December 30, 2015**, along with a \$10 processing fee per claim. If the affidavit of labor is not received by December 30, 2015, the claims will be closed.

Although the maintenance fees were paid for the claims for the 2016 assessment year this does not relieve the requirement to file the affidavit of labor for the 2015 assessment year, (for the time period covered by the waiver), which is due on or before December 30, 2015.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 407, B.L.S., 1849 C St, N.W., Washington, D.C. 20240.
