Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

You filed a lode mining claim location notice form with placer dimensions of 1320' X 660'. A lode location can only be 1500' X 600'. You must amend and reduce the size of the claim down to 1320' X 600'. Your dimension of 660' is too wide and you cannot take in any new ground with an amendment. Therefore your dimension can be 1320' X 600' and no larger. Show on a map the location of your reduced claim. Write Amendment at the top of the lode location notice form; show the legal description on the notice and the map. Keep the same location date and write the AMC serial number pertaining to each claim, i.e. (AMC ~~420844~~) on the notice and sign the notice. Address your response, Attention: Tony Smith. (~~420844~~ 420839)

You must file an amendment for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. We must receive the amendments within 30 days of your receipt of this notice. If the amendments are not received within the 30-day timeframe the mining claims will be declared null and void.

If additional information is required, please contact Tony Smith at 602-417-9355. Please include your AMC serial number(s) on all correspondence.
