Affidavit of Performance of Annual Work or Notice of Intent to Hold Discrepancies

We have received your Affidavit of Performance of Annual Work (POL) or Notice of Intent to Hold (NOI) for the 2014 assessment year for the mining claims listed above. However, there was a discrepancy as noted below:

We received the POL document and processing fee. You also filed an incomplete NOI. We did not receive page 1 of the NOI nor the processing fee for the NOI. The processing fee for a NOI is \$10 per claim. In accordance with Title 43 Code of Federal Regulations (CFR) 3830.91(8) you are allowed 30 days from the date you receive this Notice (or December 30, 2014, whichever is later) to pay the additional fees. If we do not receive your payment and completed NOI within this time frame, your documents will not be recorded by BLM and your mining claims will be closed. Any non-refundable processing fees already paid will be forfeited. The NOI is the document that is required to be filed the first year you are filing a waiver. Enclosed is a NOI form for your use.

Please correct the discrepancy and submit the requested documents or fee within 30 days from your receipt of this letter. If we do not receive the correct documents or processing fee within this 30-day time frame the claims will be declared forfeited.

FILED COMPLETED

To Gary and Connie Haley,

On August 25, 2016, this office received a payment for \$60 (Receipt #3642474); with the payment, you submitted a Notice of intention (NOI) to hold mining claims form (Form: MCF110) and the Affidavit of annual assessment work (POL) form (Form 3830-4).

For your information, the \$60 payment was applied towards the assessment work on the 6 claims you listed on the POL form. The NOI form is 'optional' at this time because you have been filing a waiver on the same 6 claims since 2015.

If you still want us to process the NOI form, you will need to send in an additional \$60 because the fee to process the NOI is \$10 per mining claim. If you have any questions please feel free to call.

Regards,

To Gary and Connie Haley,

On August 25, 2016, this office received a payment for \$60 (Receipt #3642474); with the payment, you submitted a Notice of interntion (NOI) to hold mining claims form (Form: MCF110) and the Affidavit of annual assessment work (POL) form (Form 3830-4).

For your information, the \$60 payment was applied towards the assessment work on the 6 claims you listed on the POL form. The NOI form is 'optional' at this time because you have been filing a waiver on the same 6 claims since 2015.

If you still want us to process the NOI form, you will need to send in an additional \$60 because the fee to process the NOI is \$10 per mining claim. If you have any questions please feel free to call.

Regards,

—

I (We) intend to hold the claims(s) and/or site(s) listed below for the calendar year 20 14, and I (We) have filed or will file a Notice of Intent to Hold in the county where the claim (s) is located.

Reason for filing a Notice of Intent to Hold instead of an assessment work filing (check one):

- Mill or tunnel sites.
- Claim(s) was located during the current assessment year.
- BLM has deferred assessment work (attach copy of decision granting deferment, or pending petition for deferment including date petition was filed.)
